The Department of Advance Computing, Poornima College of Engineering, Jaipur, organized a Session on “Strategies for Achieving Gender Parity” 16 September, 2023. Achieving gender parity requires a multifaceted approach that includes several key strategies. First, advocating for gender-sensitive policies through workshops with policymakers can lead to the implementation of laws that promote equal pay and anti-discrimination measures. Educational programs aimed at raising awareness about gender inequality can empower communities, while mentorship initiatives connecting young women with established leaders foster professional growth. In workplaces, diversity training can help reduce unconscious bias, and supporting women entrepreneurs through grants and incubators encourages economic independence. Public awareness campaigns and engaging men as allies are crucial for broadening the conversation around gender equality. Additionally, promoting flexible work arrangements can support work-life balance, and networking events provide valuable connections for women. Specific initiatives in STEM fields can inspire girls to pursue these careers, while regular monitoring and evaluation of progress ensure accountability and inform future strategies. Together, these efforts can create a comprehensive framework for advancing gender parity across all sectors.

OBJECTIVE:

The objectives for achieving gender parity include advocating for inclusive policies that ensure equal pay and opportunities, enhancing education to raise awareness about gender issues, and fostering mentorship programs that connect young women with industry leaders. Additionally, implementing diversity training to reduce workplace bias, supporting women entrepreneurs through funding, and launching public awareness campaigns are essential. Engaging men as allies, promoting flexible work arrangements, encouraging girls to pursue STEM careers, and regularly monitoring progress are critical steps to create a comprehensive framework for advancing gender equality.

EXPERT SESSION CONTENT:

- **Advocate Policies:** Engage stakeholders for gender-sensitive policy changes.
- **Design Programs:** Create initiatives to raise awareness of gender equality.
- **Mentorship:** Establish programs supporting women's career growth.
- **Diversity Training:** Implement sessions to reduce bias in the workplace.
- **Support Entrepreneurs:** Provide resources for women-led startups.
- **Awareness Campaigns:** Develop campaigns highlighting gender parity.
- **Engage Allies:** Involve men in gender equality initiatives.
- **Evaluate Strategies:** Establish metrics to assess effectiveness.

EXPECTED OUTCOMES:

- *Develop actionable strategies to advocate for gender parity and foster inclusive environments across various sectors.*

DETAILS OF ACTIVITY:

The Department of Computer Engineering, Poornima College of Engineering, Jaipur, organized a Session on “Gender Equity” 16 September, 2023. Gender equity is, first and foremost, a human right. It implies that women, men, boys and girls of all classes and races participate as equals and have equal value. They enjoy equal access to resources, freedoms and opportunities to exercise control.

OBJECTIVE:

Gender equity is intrinsically linked to sustainable development and is vital to the realization of human rights for all. The overall objective of gender equality is a society in which women and men enjoy the same opportunities, rights and obligations in all spheres of life.

Expert Session Content:

- Gender equity is certainly desirable, but needs to be implemented in a nuanced manner, so that all stakeholders are convinced of this need.

- Gender equity, also known as sexual equality or equality of the sexes, is the state of equal ease of access to resources and opportunities.

EXPECTED OUTCOMES:

- Gender inequity underlies family violence and violence against women. There are four gendered drivers of violence: condoning violence against women. men's control of decision-making and limits to women's independence in public and private life.

DETAILS OF ACTIVITY:

The Department of Advanced Computing, Poornima College of Engineering, Jaipur organized a Session on “Gendered Impacts of Technological Innovation: Ensuring Equity in Emerging Technologies” 12th March, 2024. Gender equality refers to the concept of ensuring that men and women receive the same treatment and opportunities in various aspects of society, including social, economic, political, and cultural spheres. It involves breaking down traditional gender roles and stereotypes and striving for equal rights, responsibilities, and opportunities regardless of gender.

OBJECTIVE:

- Gender equality aims to ensure that men, women, and people of all gender identities have equal rights under the law and in social, economic, political, and cultural spheres.
- Gender equality seeks to empower individuals of all genders to fulfill their potential and participate fully in society, including decision-making processes at all levels.

EXPERT SESSION CONTENT:

- Education and Awareness.
- Employment and Economic Empowerment
- Healthcare and Reproductive Rights
- Gender-Based Violence and Human Rights
- Global Perspectives and Sustainable Development

EXPECTED OUTCOMES:

- Empowerment of Women and Marginalized Genders
- Improved Economic Growth and Development:
- Reduced Poverty and Inequality
- Healthier Communities and Families.

Overall Workshop is rated as

- a) Excellent by 79.26% of participants
- b) Good by 20.74% of participants

How could this workshop be improved?

- 1. Workshop should be extended to more days.
- 2. Focus should be on basic than advanced level.
- 3. Performance and effectiveness can be improved by giving more time for practice sessions and to

Implement concepts.

Any other comments / suggestions

- 1. We would like to have such more workshops in future.
- 2. Language and fundamental can be enhanced in effective manner.

A Report On

“Poster Competition Celebrating International Women's Day”

NAME OF ACTIVITY: Poster Competition Celebrating International Women's Day

DATE & DURATION: March 8 2024(3 hours)

TYPE OF ACTIVITY: Poster Making Competition

ORGANIZED BY: Department of Information Technology

FACULTY COORDINATOR: Ms. Kalpana Sharma

LEARNING OUTCOMES:

The participants through this workshop will be able to -

CO1: Participants will be able to showcase a deep understanding of gender equity concepts and principles by effectively integrating knowledge from social sciences, humanities, and technology into their poster creations

CO2: Engaging in the poster making process would enable participants to develop and enhance their project management skills. They would demonstrate proficiency in planning, organizing, and executing their artistic vision within given constraints, including time, resources, and artistic materials.

CO3: By incorporating themes of inclusivity and social justice into their artwork, participants would contribute to the promotion of gender equity as a fundamental aspect of sustainable development, thereby fostering a more equitable and resilient society.

DETAILS OF ACTIVITY:

The poster competition held on March 8, 2024, witnessed enthusiastic participation from students of the Department of Information Technology at Poornima College of Engineering. The event commenced with a brief introduction highlighting the significance of International Women's Day and the importance of fostering gender equity in the field of technology.

Students from the second and third years of the IT department participated in the competition. The participants showcased their creative talents through visually appealing posters that conveyed messages of empowerment, equality, and the contributions of women in technology.

The participants were given the freedom to choose their own themes for the posters. Some common themes included:

1. Women in STEM (Science, Technology, Engineering, and Mathematics)
2. Breaking Stereotypes: Shattering Glass Ceilings
3. Women Pioneers in Technology
4. Gender Equality in the Digital Age
5. Empowering Women Through Information Technology

The posters were evaluated based on creativity, originality, relevance to the theme, and the clarity of the message conveyed. A panel of judges comprising faculty members from the Department of Information Technology assessed the entries and selected the winners.

After careful consideration, the following participants were declared winners:

- First Place: Ayushi Jain pce21it511 for their captivating portrayal of women's empowerment in technology.
- Second Place: Divya Jain PCE21IT022 for their innovative depiction of breaking stereotypes in the IT industry.

- Third Place: Diksha Sharma PCE21IT020 for their insightful representation of gender equality in the digital era.

The poster competition held on the occasion of International Women's Day was a resounding success. It not only provided a platform for students to showcase their artistic talents but also facilitated meaningful discussions on gender equity in the field of technology. Such initiatives play a crucial role in fostering an inclusive and diverse environment within academic institutions and beyond.

The Department of Information Technology extends its gratitude to all the participants, judges, and faculty members who contributed to the success of the event. Special thanks to the organizing committee for their efforts in planning and executing the competition seamlessly. We look forward to organizing similar events in the future to promote the values of equality and inclusivity.

ABOUT OF THE SESSION:

Introduction:

WISE (Women in Science and Engineering) The Women in Science and Engineering Club stands as a beacon of empowerment, focused on advancing gender diversity in STEM (Science, Technology, Engineering, and Mathematics). Through mentorship, networking, and skill enhancement, the club seeks to bridge gaps and foster a sense of unity. Its members engage in meaningful discussions, receive career insights, and collaborate on impactful projects within their supportive community.

Lamp Lighting

Lamp lighting in an event involves the ceremonial lighting of a lamp or lamps to symbolize themes like wisdom, prosperity, or unity. All the dignitaries Dr. Alpana Kateja, Ar. Rahul Singhi, Dr. Mahesh Bunde, Dr. Pankaj Dhemla, Dr. Rekha Nair, Dr. Garima Mathur were invited for the lighting of the lamp.

International Women's Day

International Women's Day, celebrated annually on March 8th, commemorates the social, economic, cultural, and political achievements of women globally. Originating from the labor movement in the early 20th century, the day evolved into a recognized occasion advocating for women's rights. It serves as a platform to raise awareness about gender inequality and to promote the empowerment of women in various spheres of life. Additionally, it highlights the contributions of women throughout history and their ongoing efforts to create a more equitable society. International Women's Day encourages discussions, actions, and initiatives aimed at achieving gender parity and fostering inclusivity. It's a day to recognize the resilience, strength, and achievements of women, while also acknowledging the work that still needs to be done to ensure equality for all.

Words of Honor

By Guest Dr. Kalpana Kateja

Dr. Alpana Kateja addressed the audience on International Women's Day, emphasizing the significance of the occasion and the importance of recognizing women's contributions globally. She highlighted the strides made in women's rights and empowerment while acknowledging the persistent challenges that remain. Dr. Kateja called upon everyone to support gender equality efforts and uplift women in their communities. Her speech emphasized the collective responsibility in creating a more inclusive and equitable society for women and girls.

Performances by Students

The event started with Ganesh Vandana. Later on, different cultural performances took place such as singing, cultural dance, etc. There was a play by the JDS Club(Jazba Drama Club) showing the struggles of a woman and how one should be strong enough to face problems.

Vote Of Thanks

On behalf of the organizing committee,

Dr.Garima Mathur extended heartfelt gratitude to Dr. Alpana Kateja for her invaluable presence and insightful address during the Women's Day Celebration Event. Dr.Kateja's esteemed leadership and dedication to the advancement of education. Her presence enriched the event and inspired us to continue our efforts towards creating a more inclusive and equitable society for all. Her words not only honored the accomplishments of women but also shed light on the ongoing challenges in achieving gender equality.

DETAILS OF ACTIVITY:

The Department of Computer Engineering, Poornima College of Engineering, Jaipur, organized a Session on “Gender Equality” 13 March, 2024. The expert lecture on "Gender Equity in Entrepreneurship and Business: Supporting Women-Owned Businesses and Closing the Funding Gap" provided a comprehensive insight into the challenges faced by women entrepreneurs and strategies to promote gender equity in the business world. The speaker shed light on the significance of empowering women entrepreneurs and narrowing the funding gap to foster inclusive economic growth. The speaker outlined various challenges encountered by women entrepreneurs, including limited access to capital, gender bias, lack of mentorship opportunities, and societal stereo types. Discriminatory lending practices and unconscious biases in funding decisions were highlighted as major obstacles hindering the growth of women-owned businesses.

OBJECTIVE:

The objective of the expert lecture on "Gender Equity in Entrepreneurship and Business: Supporting Women-Owned Businesses and Closing the Funding Gap" is to raise awareness about the challenges faced by women entrepreneurs, highlight the importance of gender equity in entrepreneurship, and propose strategies to address the funding gap hindering the growth of women-owned businesses. By providing insights into these issues, the lecture aims to

mobilize stakeholders to take concrete actions towards creating a more inclusive and supportive ecosystem for women entrepreneurs, ultimately fostering economic empowerment and driving sustainable growth.

EXPERT SESSION CONTENT:

- Introduction of Gender Equality
- Root causes of gender Inequality
- Impact in gender inequality
- Strategies for promoting gender equality
- Case study and Success Story.

EXPECTED OUTCOMES:

- To develop the right mindset for improving awareness about gender equality.
