2.3.2 Teachers use ICT enabled tools for effective teaching-learning process.

Institution is using ICT tools in teaching learning processes. The institution has added ICT-enabled instruction to traditional classroom instruction in order to innovate the teaching and learning process in the most inventive and creative ways possible: Each class room has LCD projector and LAN/Wi-Fi connection for ICT enabled learning. Faculties prepare PPTs and e-content for the teaching purpose. Institute also use ERP TCSiON for uploading notes, assignments, tutorial sheets and complete course file for students. MOOCs courses like NPTEL and SWAYAM and other e content is also available in digital section of library for remote access. Institute also have one audio-visual room to prepare e-content. Institute faculty also prepare YouTube video which are uploaded on RTU website can be accessed by the students. Institute library is also subscription of DELNET, J-GATE, IEEE e journal subscriptions. Institute also have Turnitin software subscription to check the similarity of the content. Whole campus is Wi-Fi enabled and also have subscription of Google workshop (Education Plus) for teaching learning purpose.
