to entitle him for the first or second division, as the case may be. This one mark will be added to the paper in which he gets the least marks and also in the aggregate by showing +1 in the tabulation register below the marks actually by the candidate. The marks entered in the marks-sheet will be inclusive of one grace mark and it will not be shown separately.

- c. Non appearance of a candidate in any paper will make him ineligible for grace marks. The place of a passed candidate in the examination list will, however be determined by the aggregate marks he secures from the examiners, and he will not, by the award of grace marks, become entitled to a higher division.
- d. Distinction won in any subject at the examination is not to be forfeited on the score that a candidate has secured grace to pass the examination.

Note:- The Grace marks will be awarded only, if candidate appears in all the papers prescribed for the examination.

R-17 Supply of statement of marks

The statement of marks will be supplied after the publication of the result of an examination.

R-18 Revaluation

- (i) A candidate who wishes to apply for revaluation of his answer-book(s) must submit his application in the prescribed form together with the requisite fee to the Principal of the college, where candidate is studying, before expiry of 15 days excluding the date of the declaration of his examination result. - N.B.: (i) 'Part Examination' means an examination at which candidate appears in those subject(s)/paper(s) only which he has yet to clear.
 - (ii) 'Boycotted Papers' means the papers in which a candidate having boycotted the examination earlier is allowed another chance to appear.

- (viii) The required fee should be remitted to the University through the Principal of the college where candidate is studying. Separate Demand Draft must be submitted by each student.

However, if a candidate wants his /her answer-books of any other paper also to be scrutinized he/she will have to apply for the same separately in accordance with the provisions of these rules. In such cases if the marks of the candidate, in any paper(s) are increased as a result of scrutiny; a reference shall be made to the candidate only if his/her result is changed favorably in pre-revaluation scrutiny i.e. from fail to supplementary (back papers), supplementary to pass, pass to IInd Div. and IInd Div. to Ist Div., or if there is an increase of at least 20% of marks in pre-revaluation scrutiny. In other cases the answerbooks will be sent for revaluation without making a reference to the candidate. In such cases where the marks of the candidate in any paper(s) are increased favorably as a result of pre-revaluation scrutiny and thereafter if he/she does not want his/her answerbooks(s) to be revalued, he/she will be permitted to withdraw his/her application for revaluation in which case his fee will not be refunded.
- (x) If the award of the re-evaluator is more than the award of the Main Examiner subject to a limit of 20% of the maximum marks prescribed for the paper, the award of the re-evaluator shall be taken as the marks obtained in revaluation.

And K. Mathur

In case the award of the re-evaluator exceeds the above limit of 20% of the maximum marks prescribed for the paper, the average of the marks awarded by the main examiner and the re-evaluator will be taken as the marks obtained with at least 20% of maximum marks as minimum, and 50% of the marks in excess of 20% be also added to the final award of the marks.

If on account of revaluation, the marks of the candidate decrease, then the average of the marks awarded by the Main Examiner and the re-evaluator shall be taken as marks obtained subject to the condition that:

Such decrease upto 10% of the maximum marks will be considered as the final award of the marks, and his/her result/division is not adversely affected.

- (xi) The answer-book(s) shall not be subject to any inspection or production before any external or internal authority except at the instance of the Vice-Chancellor.
- (xii) A candidate who is declared eligible for taking examination of back paper(s) as a result of revaluation shall be permitted to appear at the next main examination related to his/her back papers or if the same is already over, at the time of next main examination related to his/her back papers.
