ABOUT OF THE SESSION:

The main objective of this session was to demonstrate all the necessary aspect to design a high quality printed circuit board. Dr. Mahesh Bundele, Director, PCE, Jaipur and Mr. Pankaj Dhemla, Vice Principal, PCE, Jaipur gave welcome address and brief description about the session. Speaker took an interactive session with participants. The scientific and technological developments have changed the structure of the society, which includes the careers primarily, therefore, we need to plan the careers of our children as per abilities and capabilities from the very early stages of education, and hence we must understand the objectives of career oriented guidance and counselling programmed in our schools, colleges and universities. Such programmed has following objectives as per need of our educational system and as per future needs of respectable career and status in the society: There has to be a basic and fundamental change in our entire system of education, change which recognizes that no matter how well a human being is educated in chemistry, physics, economics, history or literature, he remains a barbarian unless he knows something about himself. The Session was so informative and nicely presented. After this wonderful session a query session
