♦ DETAILS OF ACTIVITY:

Teachers' Day is an annual occasion celebrated in many countries around the world to honor and appreciate the contributions of teachers to society. The day is typically observed on different dates in different countries, often coinciding with significant events or the birth anniversary of a notable educator. In many countries, Teachers' Day is an opportunity for students and communities to express gratitude and respect for their teachers and mentors.

In India, Teachers' Day is celebrated on September 5th, commemorating the birth anniversary of Dr. Sarvepalli Radhakrishnan, a distinguished philosopher, scholar, and former President of India. Dr. Radhakrishnan, known for his profound contributions to education, advocated for the importance of teachers in shaping the minds of future generations. On Teachers' Day in India, schools and educational institutions organize special events and ceremonies to honor teachers. Students often present gifts, cards, and flowers to their teachers as tokens of appreciation, while cultural programs, speeches, and awards ceremonies are held to recognize outstanding educators.

Teachers' Day serves as a reminder of the crucial role that teachers play in nurturing young minds, imparting knowledge, and instilling values. It acknowledges the dedication, hard work, and sacrifices that teachers make to empower their students and inspire them to reach their full potential. Teachers' Day also highlights the importance of investing in education and supporting the professional development of teachers to ensure quality education for all.

The documentary competition event was a captivating showcase of creativity, insight, and storytelling prowess. Participants from diverse backgrounds and perspectives presented documentaries that shed light on pressing social issues, explored fascinating narratives, and

captured the essence of human experiences. From thought-provoking documentaries on environmental conservation and social justice to heartwarming stories of resilience and hope, the event provided a platform for filmmakers to inspire, educate, and provoke meaningful conversations. Judges and audiences alike were treated to a rich tapestry of visual storytelling, each documentary offering a unique lens through which to view the world. Beyond the thrill of competition, the event fostered a sense of community and collaboration among filmmakers, encouraging dialogue and exchange of ideas.

The event was witnessed by distinguished dignitaries: Dr. Mahesh Bunde, Director, PCE, Dr. Pankaj Dhemia, Vice Principal, PCE, Dr. Garima Mathur, HOD, ECE, all Faculties and students, ECE Dept. PCE.
