A Report On

“AADHAR-XII”

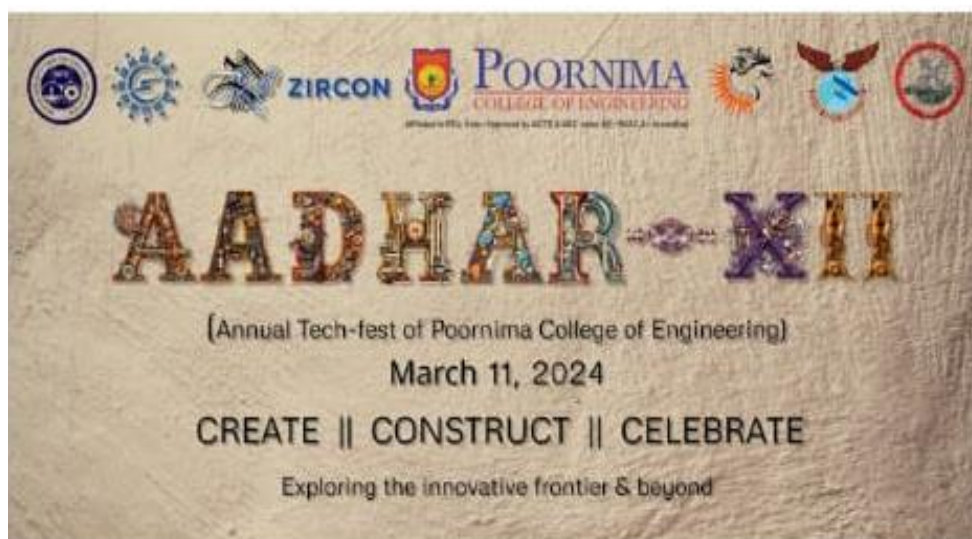

NAME OF ACTIVITY: AADHAR-XII

DATE & DURATION: March 11, 2024

TYPE OF ACTIVITY: An Inter College Technical Project Contest

ORGANIZED BY: Poornima College of Engineering

COORDINATOR: Dr. Rekha Nair

Dr. Mahesh Bundele
B.E., M.E., Ph.D.
Director
Poornima College of Engineering
131-6, FIICO Institutional Area
Ghlapura, JAIPUR

LEARNING OUTCOMES:

The participants through this workshop will be able to -

CO1: Students get the practical and application based knowledge of things of day-to-day life

CO2: Students get to know the meaning of the word teamwork and how to make their vision complete

CO3: It provides a platform with plenty of opportunities to showcase the hidden and technical abilities of students

CO4: Students get to know the issues and problems prevailed in the society and their possible solutions through technology and innovation

MAPPINGS WITH PO AND PSO:

DETAILS OF ACTIVITY:

AADHAR, now in its twelfth edition, has seen tremendous development in terms of participation and technical improvements. It is organized by the ZIRCON club, which was founded in 2009 at Poornima College of Engineering with the aim of advancing students' practical knowledge. "Strive for excellence and success will follow" This sentence accurately captures the purpose of the event and the club as well as the values that it aims to instill in students. On numerous occasions, the engineering students from Poornima College of Engineering have shown their prowess as models of brilliance, inventiveness, and collaboration. The annual event, AADHAR, is a cutting-edge technical event that showcases the latest advancements and innovations in the field of technology. It encourages first-year students to push themselves and extend their perspectives. After enrolling in college, a student's first technical exposure is with AADHAR with its primary focus to Create, Construct and Celebrate. This year's main attractions of this technical fest were RoboWar, Robo Race, Mini

War, Tank War, Robot-Soccer, Machine O Mania, SPUD Gun, Circuitry, Software Live projects, Line follower, Cosmo Clench, etc. Total 650 students participated in the event.

Poornima College of Engineering, Jaipur organized 12th Edition of “AADHAR-XII” – A Project Competition cum Exhibition on 11th March, 2024 with the support of ISTE. This event is organized by Dr. Rekha Nair, Dean First Year along with student technical clubs Zircon Club, Hayagriva and aero modeling club under student council. She conducted this event with support of ISTE. The aim of this event is to share innovative ideas, precious knowledge and unique experiences and further active development in multi-disciplinary project areas for the benefit of students. This event also harnesses team-building, communication, interdisciplinary learning, and competitiveness, presentation, and leadership skills. This year about 236 projects were presented under hardware and software category respectively that included hardware projects on Robo War, Robo Soccer (Soccer Surge), RC Car(velocity Vista), Mini War, Tank War, Open Innovation in Mechanical and electrical based hardware projects, Spud Gun, Hovercraft, Hayagriva Go cart etc. Software projects on Intelligent Traffic light system, online meal ordering system, restaurant Management, Library Management, SPOTIFY CLONE, UBER CLONE, Banking Management, Information Management System, Gaming & Web Designing and many AI based Productive Softwares were exhibited in the exhibition. Projects from Amity University, RTU Kota, JECRC, Poornima University, and PIET also Participated in this event.

Naman Joshi and Prachi Tiwari, Student Coordinators gave the brief about the event. They shared that along with projects, students work on web development, media and marketing, editorial, photography, documentary and management. They also shared that in the current year 7 patents are filed and 10 more are under process.

The Chief guest of the event Prof. M. P. Poonia, Prof. (HAG) Mechanical Engineering Department, MNIT, Jaipur & Former Vice Chairman of AICTE inaugurated the event. Dr. Mahesh Bundele, (Principal & Director, Poornima College of Engineering), Dr. PankajDhemla (Vice Principal, Poornima College of Engineering), Dr. Rekha Nair (Dean, I Yr, Poornima College of Engineering, Faculty Coordinator, AADHAR), were present.

Dr. Mahesh Bundeale, (Principal & Director, Poornima College of Engineering) gave welcome address and motivated the students for more innovation and technological advancement. Dr. PankajDhemla (Vice Principal, Poornima College of Engineering) in his address congratulated the students for their efforts in the 12th edition of AADHAR and added the need to become tech-savvy as it is the need of the hour.

The Chief Guest, in his address, highlighted the needs of hands-on practice in the field of technology and praised these kinds of events in providing a platform to the budding engineers for innovation. He also insisted on team work and consistency for innovation. He appreciated the student patents and motivated them to keep themselves abreast with the advancement of technology. He also praised the efforts of teachers and college leadership & management in accomplishment of such technological advancement. He mentioned that only 27% of Indians get the opportunity for higher education and the remaining are dreaming about it. Such type of technical activity will surely motivate the students and will help in improving this number to 50% as proposed by honorable PM in his scheme by 2047. The team working and other skills learned by the students will support this development of India so that we can help in fulfilling the dream of the honorable PM of India.

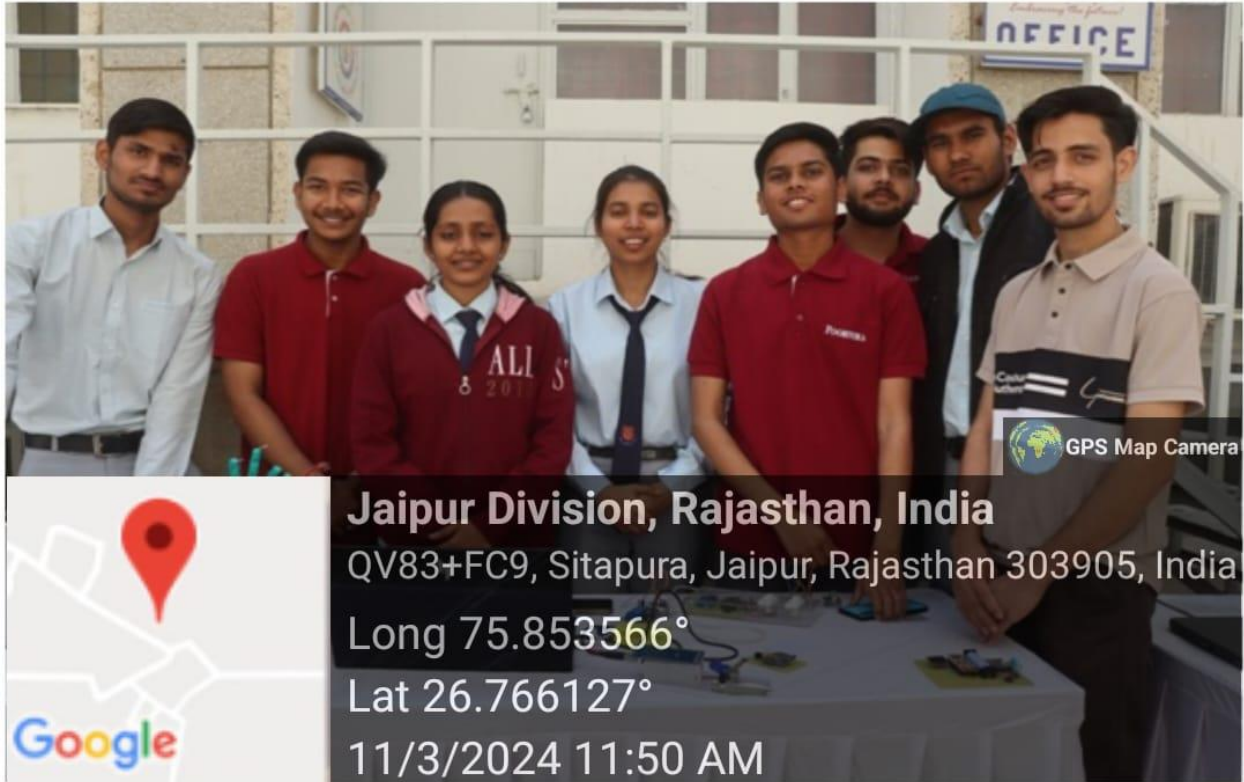

Vote of thanks was proposed by Anurag Singh Rathore, Captain of Zircon Club AADHAR XII 2024.
