

7.1.9 Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens.

The Institute constantly works to sensitize students and employees for the constitutional obligations of values, rights, duties and responsibilities of citizens.

The institute celebrates Republic Day, Independence Day, Rastra Bhasha Divash, Gandhi Jayanti Teachers day, Engineers Day and Vishwakarma Puja every year with great honor and respect. These celebrations inspire students and faculties to inculcate constitutional obligations among them. Celebration of Republic Day aids to showcase the importance of Indian Constitution to the faculty and students. Flag hoisting on Republic Day and Independence Day inspires students and faculty members to obey the laws and hence become a responsible citizen. Independence Day is also celebrated every year to highlight the struggle of freedom fighters and importance of Indian Constitution. The institute conducts a number of social activities throughout the year like Nukkad natak, free education to under-privileged children etc. to sensitize students and employees of the institute to the responsibilities of citizens.

In addition to this many regular programs on gender equity are conducted regularly by WISE Club under Internal Complain Committee (ICC) cell of the institute to educate women about their rights.
