1.4.1 Alumni Feedback Analysis
(2018-19)

POORNIMA

COLLEGE OF ENGINEERING

Promoted by Shanti Education Society, Affiliated to Rajasthan Technical University & Approved by AICTE

Poornima College of Engineering, Jaipur is very sensitive to alumni association and the relations with the alumni because alumni association is a very important part among various stakeholders as the feedback suggested by alumni may be very important for overall improvement in the growth of the institution. PCE, Jaipur has constituted an alumni association and organizes formal/informal meetings with the alumni. The detailed analysis of alumni association for the session 2018-19 has been presented here. The feedback components are given as:

1	Faculty
2	Project Guidance
3	Training & Placement
4	Library
5	Alumni Association / Network of Old Friends
6	How do you rate the courses, included into the programs those are skills related and fulfill the requirements of industry?
7	How do you rate the learning experience in terms of their relevance to the real life application?
8	How do you rate the courses that you have learnt in relation to your current job?
9	Graduates will have good fundamental knowledge of Mathematics, Science and Engineering with an ability of analyzing, designing, innovating and developing the products with practical implementation in the industry
10	Graduates will be competitive enough with ethical behavior, communication skills and leadership qualities to promote the successful professional career working as a team
11	Graduates will have excellence multi-disciplinary approach being entrepreneur through the holistic environment inculcating an aptitude for research and lifelong learning

The detailed analysis of alumni association for the session 2018-19 has been presented here.

General suggestions by Alumni Association (2018-19)

The important suggestions by alumnus are as follows:

- The Placement Cell of the college provided them with sufficient on-campus placement opportunities and career guidance and also stated that the college did not provide them with sufficient opportunities and career guidance.
- It is important to provide real-life problem-solving industry-oriented knowledge. More sessions with industry experts can guide the students. Alumni meetings with students should be more frequent to share industry relevant knowledge so that current students can prepare themselves better for professional world challenges. Medical facility in the institute should be round the clock. There is high need to develop startup culture. Regular industry visits will build confidence in students. Alumni's can be reached out via Alumni meets in different cities as done previously.
