## SCREENSHOTS FOR KOHA LIBRARY AUTOTOMATION & DIGITAL LIBRARY

The central library of PCE has been partially automated since 2001. All of its activities are managed using the Integrated Library Management System (ILMS)-SHARP. KOHA LMS including web Online Public Access Catalogue (OPAC) is implemented to upgrade the existing library automation system from 2021. The OPAC can be accessed through intranet for searching records available in the KOHA database.
