A proficiency module including Role Play as an activity was conducted for the students of all the branches in the seminar hall. The test helped them to improvise their communication skills and also combat stage fear. For the students of other group, picture perception test was conducted, prior to that a brief introduction was given to them. This enhanced their observational and comprehensive skills. The test was successfully conducted and this benefited the students to a very great extent. The proficiency module was used to overcome critical lacunas that students might have, for example, English and computer familiarity among others. The students have overcome the lacunas substantially. We hope that problems arising due to lack of English skills, wherein students start lagging behind or failing in several subjects, for no fault of theirs, would, hopefully, become a thing of the past. The sessions were well received by the students. Interaction of students with Neema Shukla (Chief Librarian) also turned out to be very informative. . Students of First year attended Writer's Voice Society's orientation program. **Writer's Voice Society** a well-renowned organization in the field of literature and has been conducting one of the best Open Mics all over Jaipur. Where, students were able to understand the various dimensions involved in creative writing. It proved to be very motivational for all the keen and creative minds having skills in Poetry, Storytelling and Stand-up Comedy.
