OBJECTIVE:

The objective of I3 classes is to prepare III year students to be competent enough to crack the aptitude exam in campus placement drives and to increase the probability of placements of students of Poornima College of Engineering. These classes are specially planned to increase the employability skills of III year students so that students can get employment via on and off campus placements. I3 classes are scheduled 6 hrs. / Week along with regular classes for in

year students. For II year students I3 classes are scheduled 6 hrs. /week along with regular classes. I3 classes for II year students are planned to enhance their soft skills, Interpersonal Skills, Team Building, Time Management, etc. These skills will help students to become industry ready and employable globally. I3 classes for I year students are scheduled 1 hr. /week along with regular classes. In these classes the communication skills of students is improved by well-trained faculties.

OUTCOMES:

CO1	Student will be able to remember the concept of comprehensive reading and
	sentence writing
CO2	Student will be able to understand the soft skills, Interpersonal Skills, Team
	Building, Time Management, etc.
CO3	Student will be able to apply the aptitude skills and grammar in placement
	drives.

COURSE PRE-REQUISITES:

Students should have knowledge of basic mathematics and grammar.

ENROLMENT CRITERIA: Students of III Year, II Year and I Year (All Branches)

ASSESMENT CRITERIA: Various level class tests

GLIMPSES:

CONCLUSION:

This Industry Institute Interaction (I3) Programme inoculate the ample skills such as soft skills, Interpersonal Skills, Team Building, Time Management, etc. to the students that helps them to become industry ready, employable globally and competent enough to crack the aptitude exam in campus placement drives also.
