### A Report on “Session On Adaptability Skills”

**NAME OF THE EVENT:** Adaptability Skills

**DATE & DURATION:** 29<sup>th</sup> October-9<sup>th</sup> November 2020 (12:00-3:00 p.m.)

#### INTRODUCTION:

Adaptability Skills are personal attributes, personality traits, inherent social cues, and communication abilities needed for success on the job. Adaptability Skills characterize how a person interacts in his or her relationships with others. Adaptability Skills include adaptability, attitude, communication, creative thinking, work ethic, teamwork, networking, decision making, positivity, time management, motivation, flexibility, problem-solving, critical thinking, and conflict resolution.

#### DESCRIPTION OF THE EVENTS:

Developing communication skills can help many aspects of your life, from your professional career, to social gatherings, to your family life. Communication can be defined as the process of understanding and sharing meaning. To communicate well is to understand, and be understood. Communication skills are needed to speak appropriately with a wide variety of people whilst maintaining good eye contact, demonstrate a varied vocabulary and tailor your language to your audience, listen effectively, present your ideas appropriately, write clearly and concisely, and work well in a group. This can be achieved in the following ways:

- **Verbally** - voice

  
**Dr. Mahesh Bunde**  
B.E., M.E., Ph.D.  
Director  
Poornima College of Engineering  
ISI-6, RII CO Institutional Area  
Sitapura, JAIPUR

- **Visually** - images, graphs, maps, info graphics
- **Non-verbally** - body language, eye contact, gestures
- **Written** - books, websites, emails

## **OBJECTIVES:**

The participants through this workshop will be able to -

- Gain a functional understanding of Basic English grammar.
- Understand and enhance interpersonal communication process.
- Develop awareness of appropriate communication strategies.
- Prepare and present messages with a specific intent.
- Ethically use, document and integrate sources.

### **Day#1: Date 29<sup>th</sup> October, 2020 (First Day) Inaugural Session**

The inauguration of this interactive session was done by esteemed Dean First Year Dr. Rekha Nair and Dr. Sama Jain of Poornima Group along with the presence of Dr. Ritu Soryan (Adaptability Skills Trainer/Program Coordinator) and Ms. Sarveen Kaur Sachdeva.

Dr. Soryan imparted wisdom on situational conversations. She made the difference between how a person should represent himself/herself professionally like in meetings or conferences and casually like in parties or get-togethers.

### **Day#2: Date 30<sup>th</sup> October, 2020 (Second Day)**

In the second day session, resource person Dr. Ritu Soryan started the session's first discussion with very simplified yet interactive concept of language dealing with basics of Adaptability Skills used in our daily chores recalling and usage of synonyms and antonyms as how these surround our environment and create an impact on the listener helping in a deeper understanding of the message. She established the concept of SWOT analysis. It deals with one's strengths, weaknesses, opportunities and threats. She highlighted the importance of SWOT in career enhancement as it helps a person to know their positives along with their faults so that they can boost themselves to an all new level.

  
**Dr. Mahesh Bundele**  
B.E., M.E., Ph.D.  
Director  
Poornima College of Engineering  
131-6, RIIICO Institutional Area  
Sitapura, JAIPUR

**Day#3: Date 31<sup>th</sup> October, 2020 (Third Day)**

Dr. Ritu Soryan took another recreational topic ‘Spell Act’ as a part of the conversation skills development on the third day of the training. She laid her focus upon different pronunciations and accents. She organized an activity for the trainees so that they can understand the spells more conveniently. She completed the conversation skills session by structuring another activity ‘Know yourself’ in which the trainees recapped the previous lessons.

**Day#4: Date 2 November, 2020 (Fourth Day)**

On forth day, Dr. Soryan started the session's first discussion with very simplified yet interactive concept of language dealing with basics of Adaptability Skills used in our daily chores recalling and usage of synonyms and antonyms as how these surround our environment and create an impact on the listener helping in a deeper understanding of the message.

**Day#5: Date 3 November, 2020 (Fifth Day)**

In the fifth session, Dr. Soryan swapped the team members and again the same just a minute activity was conducted and therefore leading the usage of more meaningful vocab learning as vocabulary is a vital asset in English language and having a great conversation.

**Day#6: Date 4 November, 2020 (Sixth Day)**

In the sixth session, every attendee was asked to give a proper presentation of what all had being taught and learnt in the whole workshop session. It was a friendly yet professional session and the exposure of co-operate society and the importance of English speaking and

presentation of your own self was tested. Then Dr. Soryan delivered the Presentation Strategies in depth.

**Day#7: Date 5 November, 2020 (Seventh Day)**

Dr. Ritu edified the students with the importance and need of Communication Skills. She continued with the group discussion session. It was a speak and learn session. Including every attendee in the program. This appeared to be fruitful.

**Day#8: Date 6 November, 2020 (Eighth Day)**

On the 8<sup>th</sup> day of the workshop, Dr. Ritu Soryan continued the grammar part of training by teaching the trainees about the common errors that a person makes while speaking or writing.

She also taught them about subject verb agreements and predicates along with giving certain exercises based on them.

**Day#9: Date 7 November, 2020 (Ninth Day)**

On the 9<sup>th</sup> day of the workshop, Dr. Ritu Soryan established the concept of SWOT analysis. It deals with one's strengths, weaknesses, opportunities and threats. She highlighted the importance of SWOT in career enhancement as it helps a person to know their positives long with their faults so that they can boost themselves to an all new level. She ended the session by guiding the trainees not to stop practicing and never quit.

**Day#10: Date 9 November, 2020 (Tenth Day)**

On the last day of the workshop, Dr. Soryan gave a closure to the topic of situational conversations by structuring certain exercises related to conversation scenes and organizing activities for the same. By the end of this session she made the trainees confident enough that they could represent themselves in any situation efficiently. Then she gave 30 minutes quiz to all the students.

### **OUTCOME OF THE ACTIVITY:**

The workshop was a great success as it ended up by giving the trainees all new life lessons and adding another achievement in the trainer's shaft as well. A wealth of information was presented at the workshop on which much of this report was based. Participants improved their speaking ability in English both in terms of fluency and comprehensibility. This online workshop was welcomed by the attendee's whole heartedly as well as with full enthusiasm. They not only grasped the concepts but demanded more of these form of workshops. Their dedication and feedbacks have become a trademark and a promise to organize another workshop soon.

## **OUTCOMES OF THE ACTIVITY:**

- Work with ICT tools, software applications, and digital resources in day to day teaching-learning situations. Select and use digital tools and resources as part of an authentic or collaborative learning activity. Elucidate the theoretical, practical, and application of technology integration.
- Arrange and generate digital resources that could be made use of in teaching and learning.
- Critically evaluate ICT resources and engage in the activities of teachers' networks.

## **FEEDBACK:**

### **Content of the workshop is rated as:**

- Excellent by 91.78% of participants
- Good by 6.87% of participants

### **Management/ Administration of the workshop is rated as:**

- Excellent by 91.78% of participants
- Good by 6.87% of participants

### **Overall Workshop is rated as:**

- Excellent by 91.78% of participants
- Good by 6.25% of participants
