find no better place than defense to meet all their professional expectations. The Indian Armed Forces are the military forces of India which consist of four professional uniformed services: The Indian Army, Indian Air Force, Indian Navy and Indian Coast Guard. The various paramilitary organizations and various inter-service institutions also help the Indian Armed Forces. The Ministry of Defense is responsible for the management of armed forces in India.

ABSTRACT OF THE SESSION: Department of Information Technology, PCE organized an alumni session on topic “**Career Options in Indian Navy and other Defense Services for Engineers**” on Nov 25, 2021 for III year IT students. It was delivered by Mr. Siddharth S. Nehra, alumnus 2010 Information Technology Department, and Poornima College of Engineering. Mr. Amol Saxena, Head, Department of Information Technology, Poornima College of Engineering, Jaipur welcomed the alumnus and all the participants in session. The main objective of this session is to get students understand the career options in defense services for engineers. Mr. Siddharth S. Nehra discussed the following points in his session:

- Shared experience as an engineering student at PCE.
- Discussed about the career options in Indian Navy and other defense services for engineers.
- Asked students to focus on communication skills and GDs as these are very important from placement perspectives.
- Motivated students to be active in technical learning like programming and problem solving abilities.
