Sitapura, JAIPUR

BRIEF BIODATA OF RESOURCE PERSON: Ms. Diksha Gupta and Ms. Diksha Kejriwal have graduated in 2020 as an Information Technology Engineer from Poornima College of Engineering, Jaipur. Currently Ms. Diksha Gupta is working as a Software Engineer at Replicon and Ms. Diksha Kejriwal is working as an Associate Software Engineer at IBM India.

ABSTRACT OF THE SESSION: The main objective of this session is to get students acquainted with the Placement process and the importance of MOOC courses. Department of Information Technology, PCE organized an alumni session on topic “**Placement Process and importance of MOOC courses**” on March 3, 2022. It was delivered by Ms. Diksha Gupta, Software Engineer at Replicon and Ms. Diksha Kejriwal, Associate Software Engineer at IBM, India. The session was attended by 30 students of II year IT.

Mr. Amol Saxena, Head, Department of Information Technology, Poornima College of Engineering, Jaipur welcomed the alumni and all the participants in session.

Both alumni discussed the following points:

- Discussed about new technologies like ML, AI, web development GraphQL etc.
- They discussed about the importance and need of projects during B.Tech.
- They also discussed about the Placement Process (Basic criteria, different rounds of placement process etc.) along with the roadmap to a good Placement (Platforms for competitive programming, its importance, Personality development, Non technical qualities)
- Guided students regarding various Internships/Trainings (How to get internship-like platform and basic skills required, effective ways to grab internship/training)
- Both alumni also highlighted the importance of MOOC courses, time management and extracurricular activities during student life.
- Some other points about Companies and Jobs that were discussed during session like Different types of Companies (Product based and Service based), Cross field opportunities (Jobs in Tech and Non-Tech companies) and how to have career oriented preparation (focused approach).
