CO2	-	-	-	-	-	-	-	-	3	-	-	-	2	3	2
CO3	-	-	-	-	-	-	-	-	-	-	-	3	2	3	2

FLYER/POSTER:

**Vinayak Singh, System Engineer, Infosys Limited, Pune**

BRIEF BIODATA OF RESOURCE PERSON: He graduated Mechanical Engineering in 2018, working as a System Engineer in Infosys, Pune since 2018. He selected the company through the college placement.

ABSTRACT OF THE SESSION: Department of Mechanical Engineering, Poornima College of Engineering, Jaipur organized a session Alumni Interaction on 11th July, 2020. The session started with the introduction of alumni with students. He shared his experiences and learning from their academic & professional career and talked about the corporate expectations from fresher engineers after the selection from college placement.

He talks about company environment that how employees adopt different career strategies to develop their careers at different stages of life. But this is subjected not only to international but also local challenges. He elaborated the concept of project selection that how students can select the project and how this project will help the students at the time of placement interview. He shared extremely positive memories of their academic session especially discipline in college which makes their life better during job in organization.

This was followed by the question –answer session, raised by the students. A strong bonding with the pass out students and commitment to excellence in every field has long been a hallmark.
