BRIEF BIODATA OF RESOURCE PERSON: Ms.Akanksha Agrawal is an alumnus of Department of Computer Engineering, Poornima College of Engineering. He has been an all-rounder student of Batch 2001-2005 in Computer Engineering Department of Poornima College of Engineering. Akanksha Agrawal is a Software Engineer turned Image & Etiquette Coach with over 15 years of industry experience. She is a LIMCA Book of Records holder and has been featured in FEMINA, Pune Mirror, and Sakal Times for her distinguished work. She has touched and transformed lives of approximately 15,000+ people with her group as well as individual coaching. Mahindra, Holtec Asia, Yazaki, IBM, Royal Enfield are a few of the esteemed organizations where her training programs have been appreciated. Her articles

on Etiquette and business dressing can be regularly found in renowned magazines as well as newspaper publications.

ABSTRACT OF THE SESSION: The image industry is an integral part of society, needs qualified person for an array of computer engineering. The image industry provides careers requiring process for analytical and thinking skills. She also mentioned the importance of personal appearance in growth of work life. She took herself as an example and explains how she dealt with failure during the initial level of her career and improves her appearance by building a strong personality. She took several examples of a normal person's perception when he or she observed a person through his dressing sense.

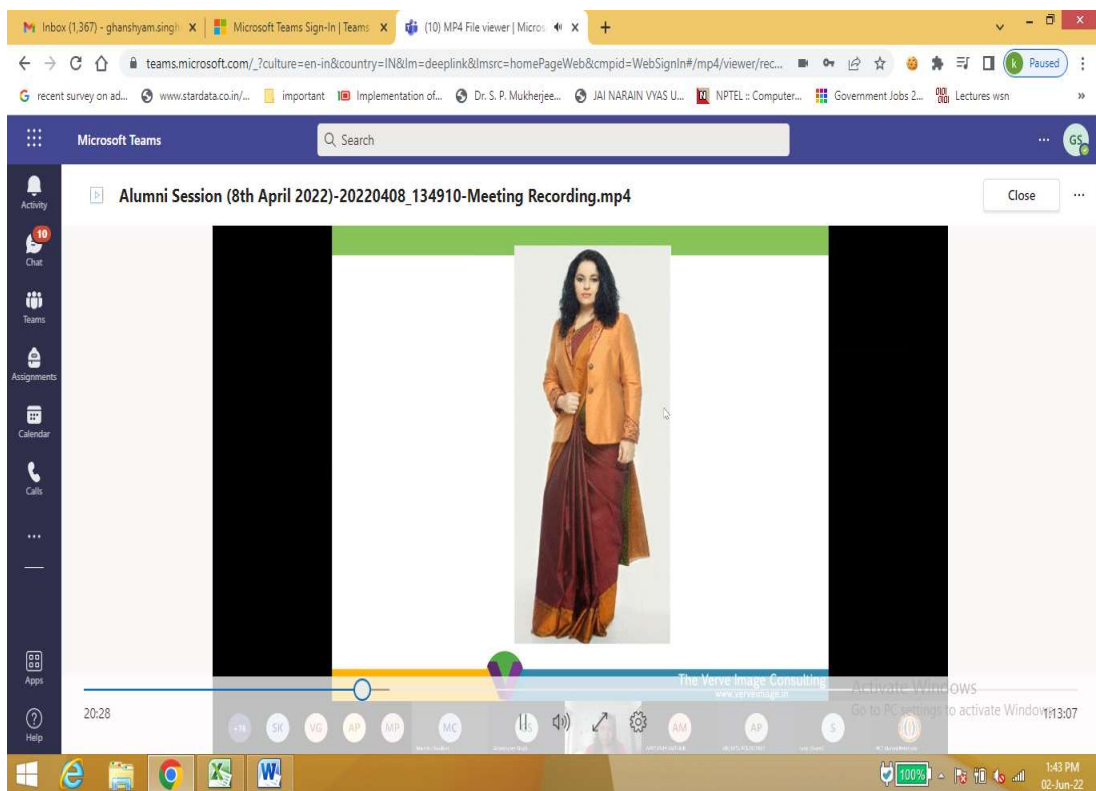

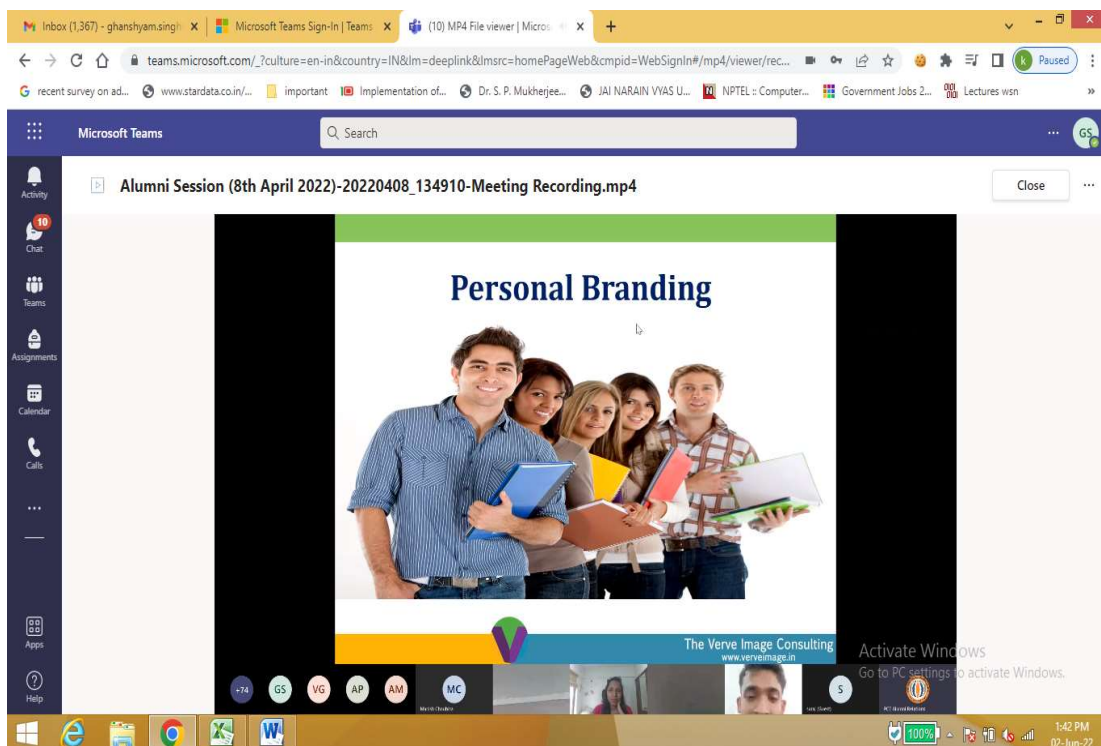

GLIMPSES:

Ms. Akansha Agrawal started with how to improve personality in different stages of life. She advised how to manage our day-to-day appearance through proper dressing. She also mentioned the importance of personal appearance in growth of work life. She took herself as an example and explains how she dealt with failure during the initial level of her career and improves her appearance by building a strong personality. She took several examples of a normal person's perception when he or she observed a person through his dressing sense.

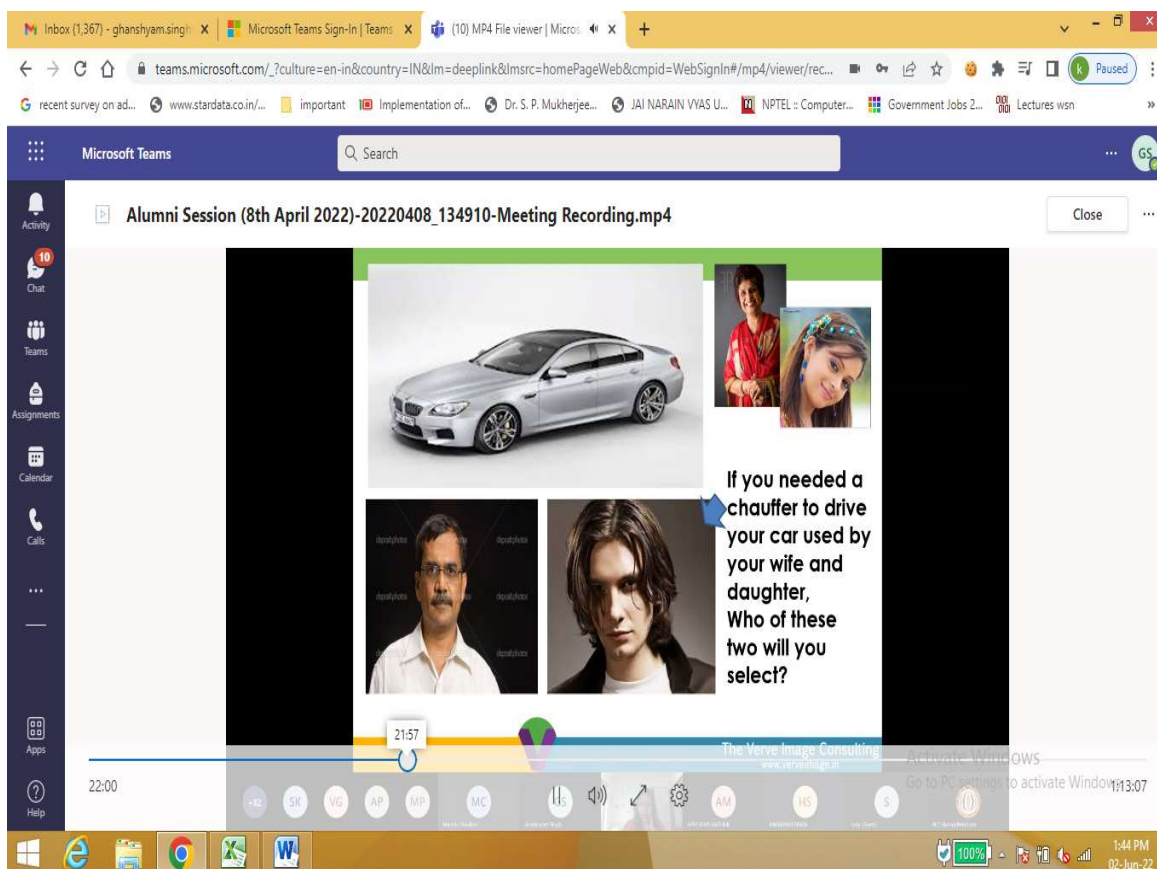

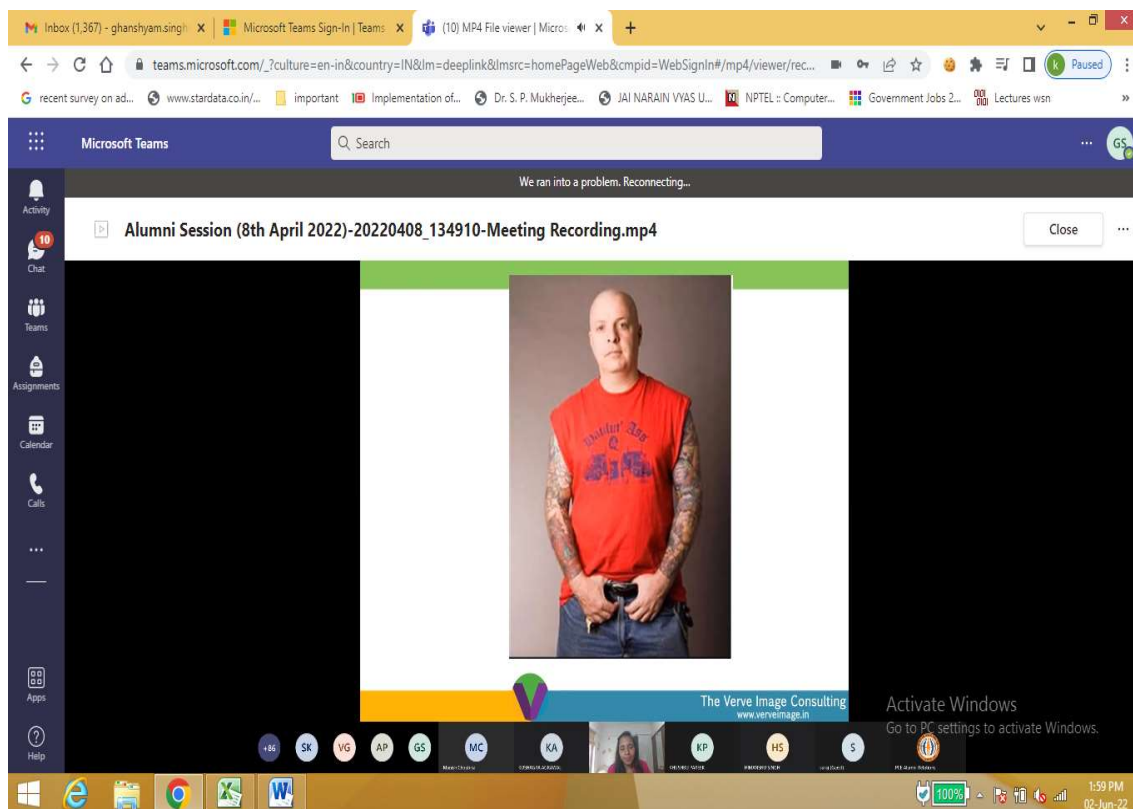

Alumni Ms. Akansha Agrawal stressed on the importance of personality development in interviews and meetings. How these small adaptations can help to impress audience. Some students asked queries about how to improve their personality and appearance; she answered their all queries with quiet patient and motivating manner.

Alumni Ms. Akansha Agrawal, Founder, The Verve Image Consulting deliberated the one hour session interactively in presence of faculty members and students of IIIrd year of Computer Engineering Departments. Akansha Agrawal guided the students to tackle the image building hacks so well that the session of one hour got extended to 30 minutes but students were not leaving her even after that. We are very proud and thankful to her.

ASSESSMENT/ATTAINMENTS: Not Required

SWOT ANALYSIS:

- Strength of the activity is that student should able to enhance the knowledge related to image processing.
- Weakness of the event is that it is in online mode, so it becomes less interactive in the online mode.
- The opportunity of the event is that student should able to enhance the knowledge related to image processing and self-developing.
