## **A REPORT ON 2-DAY 4TH NATIONAL LEVEL STUDENT TECHNICAL PAPER & MODEL CONTEST**

♦ **TITLE AND DURATION:** 4th National Level Student Technical Paper & Model Contest, Jan 21 - 22, 2022.

♦ **PUBLISHER(S):** STM Journals, IGI Global

♦ **THEMES / TRACKS:**

- **Track 1:** Computer Engineering / Information Technology
- **Track 2:** Electronics & Communication Engineering.
- **Track 3:** Electrical Engineering.
- **Track 4:** Mechanical Engineering
- **Track 5:** Civil Engineering

♦ **OBJECTIVES:**

- To provide a platform to researchers from industry and academia, scientists, and the students of undergraduate, postgraduate, and doctoral programs on current thrust areas of various disciplines of Engineering and Technology
- To bring together students and researchers from industry and academia to exchange their innovative ideas.
- To promote networking and engagement of students, researchers, academicians and industry persons.
- To provide a competitive environment among the researchers and the innovators and recognize their best contributions.

  
**Dr. Mahesh Bunde**  
B.E., M.E., Ph.D.  
Director  
Poornima College of Engineering  
131-6, RIICO Institutional Area  
Sitapura, JAIPUR

## ♦ EXPECTED OUTCOMES:

The conference will strengthen contacts and foster cooperation among accelerator-based science and application researchers, accelerator manufacturers, facility operators and the coordinators of academic programs in the accelerator sciences, leading to a comprehensive review of the status of accelerator-based research and applications. The conference is expected to generate ideas that will form the basis of future programs in the area of research and applications using accelerator technologies.

## ♦ BROCHURE / POSTER / LEAFLET / FLYER:

*Dr. Mahesh Bundale*  
B.E., M.E., Ph.D.  
Director  
Poornima College of Engineering  
131-6, RIIICO Institutional Area  
Sitapura, JAIPUR

#### ♦ **RESPONSE (SUBMISSION / ACCEPTANCE / PRESENTATION):**

In Technical Paper and Model Contests -2021-22, total 317 papers and model are registered for participation in papers and projects contests. All the registered papers and projects are accepted for the contest. Bachelor, Master & Doctoral scholars and professional attended all the sessions including registered participants and local attendees

#### ♦ **SUMMARY / CATEGORIZATION OF PARTICIPANTS:**

Technical Paper and Model Contests -2021-22 provided a stimulating environment for researchers, scientists, engineers, educators, industrialists and students from all over the world to discuss and present their research findings in the interest of society and the nation. The Technical Paper and Model Contests covered major areas of research in Mechanical, Civil Applied Science, Electrical, Electronics and Computer Engineering. Technical sponsor of the Technical Paper and Model Contests -2021-22 was IEEE Delhi Section and supported by IEEE Rajasthan Subsection and Technically Co-sponsored by ISLE, IGI, STM and Poornima University IEEE Student Branch Chapters.

In Technical Paper and Model Contests -2022, Conference management toolkit system was utilized to cater the enthusiastic response making it to around 317 received manuscripts and projects across countries. All the registered papers and projects are accepted for the contest. Bachelor, Master & Doctoral scholars and professional attended all the sessions including registered participants and local attendees.

#### ♦ **INAUGURAL SESSION:**

**Organized by**  
**Poornima College of Engineering, Jaipur**

**Date: 21 January 2022 Time: 10:00 AM to 11:00 AM**

**Venue: Online Platform (Microsoft Teams)**
