COLLEGE OF ENGINEERING

Promoted by Shanti Education Society, Affiliated to Rajasthan Technical University & Approved by AICTE

A Report on 2-days Faculty Development Program

TITLE AND DURATION: 3-Day Faculty Development Program (01 July 2019 to 03 July 2019)
on Student Induction for Faculty Members of AICTE Approved Institutions.

SPONSORS: AICTE, New Delhi

ORGANIZERS: Rajasthan Technical University, Kota and Department of Mechanical Engineering, Poornima College of Engineering, Jaipur.

OBJECTIVES:

AICTE in its 49th meeting of the Council held on 14th March 2017 approved a package of measures for improving the quality of technical education in the country wherein it was decided that every student, on admission, shall be put through a mandatory Induction program to reinforce the fundamental concepts and the required language skills required for technical education.

Accordingly, a three-day mandatory induction program for students has been designed by Prof. Rajeev Sangal, former Director, IIT(BHU) and his team to be offered right at the commencement of the first year and classes will begin after this induction program. Its purpose is to make the students feel comfortable in their new environment, set a healthy daily routine, create bonding in the batch as well as between faculty and students. The induction program is now a part of the model curriculum of Undergraduate Studies in Engineering & Technology launched by **Shri Prakash Javadekar Ji**, Hon'ble Minister of HRD during a conference on 'Quality Initiatives in Technical Education' on 24th January 2018 at AICTE, New Delhi and available on AICTE website. It has already been requested to all universities/ institutions to adopt the model curriculum from the academic session 2018-19.

EXPECTED OUTCOMES:

Its purpose is to make the students feel comfortable in their new environment, set a healthy daily routine, create bonding in the batch as well as between faculty and students. The induction program is now a part of the model curriculum of Undergraduate Studies in Engineering & Technology.

As the induction program is made mandatory for every student, it is of utmost importance that the faculty members/ teachers are equipped and refreshed to conduct the induction program for students. Therefore, 3 days **Faculty Development Program on Student Induction Program for AICTE approved institutions** is organized by AICTE as per the following details:

Date	01-03 July 2019
Time	9:00 am – 5:00 pm
Venue	Poornima College of Engineering Jaipur
Registration Link	https://forms.gle/XpcVZVctL1fGJUvd7

Faculty members from each institute need to be trained from each discipline/branch. It is recommended that the Universal Human Values component of the Student Induction Program must be delivered by the faculty members from the respective branch/discipline of the students group. Therefore, AICTE invites nomination of faculty members (**minimum 5 faculty members from each institute**) of your institute from the respective branches of engineering/technology to attend this FDP, so that they are able to conduct mandatory student induction at your institute. The faculty trained should ultimately be sufficient in number, so that a group of 20 students are mentored by each faculty member. These trained faculty members after successful completion of two FDPs (One 3-day FDP followed by 7-day FDP) may further involve other faculty of the institute and provide training to them. These faculty members will be members of Institute Induction Program Cell (IIPC). The IIPC will be responsible for actively and successful implementation of three-weeks mandatory student induction program. The interested institution will register online at <https://forms.gle/XpcVZVctL1fGJUvd7> for this FDP and the participation will be subject to confirmation from AICTE/ State Academic coordinator/ local organizer.

The following points are also informed:

1. The travel cost of participants attending the workshop will be borne by the concerned institution itself.
2. The cost of food (morning tea & biscuits, working lunch and dinner) during the workshop to be borne by AICTE/authorized Regional Office of AICTE.
3. The stay in guest house/ hostels for the participants should preferably be near to the venue of the workshop and the entitlement for reimbursement for accommodation will be to a maximum limit of Rs. 800/- per night (for 3 nights / 7 nights) as per the FDP.

Regarding accommodation or any other assistance, if required, the Local Coordinator mentioned below may please be contacted:

- Coordinator: Dr Himani Goyal & Dr. Yashpal

Session of the Faculty Development Program

Session by Speaker Dr Amrender Kumar, Associate Professor, IIT BHU

Session by Speaker Dr Amrender Kumar ,Associate Professor, IIT BHU

Address by Dr Amrendra Kumar , Associate Professor, IIT BHU

During the three day Session, Dr AmrendraFocussed on Why the students matter and How to guide them in their Induction program. He focused on the Need on the Nation to generate youths who will be empowered with thorough technical knowledge as well as who can work for the national needs. Since incoming undergraduate are insecure about their future and unsure of their own aspirations,

we need to bridge the gap between teachers and students, Get students to reflect on their own goals and inculcate understanding and feeling of responsibility towards family, institution, and society.

Therefore the Induction program was designed with the objective of Assimilation in the Ethos and culture of the Institution based on Institutional Culture and practices and to give Exposure to a larger vision of life based on the larger National and human good bonding within the 1st year batch, and with teachers and Learning a creative skill in arts with Learn on Art Form.

Examples :Painting ,Music and do regular lifestyle and professional discipline like Getting up early, sleeping on time, getting acclimatized to new place and Overcoming weaknesses in some essential professional skills (only for those who need it) like Example English (Proficiency Module).

The Main Topic covered in this three day module were

Unit 1 Student Aspirations, Family expectations and gratitude towards helping me,

Unit 2 Competition, Cooperation and excellence ,

Unit 3 Human Need of Self and Body,Peer Pressure, Self Confidence Prosperity

Unit 4 Relationship based on trust and respect

Unit 5 Nature and Environment – Four Orders in Nature. Freedom Movement based on Non-violence but firmness.

He also said that Educational Institute are not supposed to be Mirror of Society but are supposed to provide leadership through society where Teacher Role is central. Teacher's relationship with student is crucial and Teacher is role model for the student who delivers content to the student.

Mentoring and Universal Human Values require Teachers preparation but before this Teacher has to live the values himself. He focused on the need for Teacher to become a friend, philosopher and guide. He also said that there is Need to restore the true role of the teacher in education!

Finally Dr Amarendra Kumar concluded with the Bonding amongst the students, relationship between teachers and students and the Sensitization to their living Environment and Assimilation in the ethos and culture of the Institutions. He also said that Students attention should be drawn to Looking into themselves regarding mental and Physical need, peer pressure, honesty, self-confidence, larger Issues of life, Responsibility towards Nation or larger Society, nature and Environment.
