♦ **BRIEF BIO DATA OF RESOURCE PERSON:**

Speaker: Mr. Mukesh Kulothia alumnus of IIM Lucknow.

- ♦ **ABOUT OF THE SESSION:** There are huge challenges in the job market, companies cutting their workforce, new skill demand areas created and the overall scenario was quite gloomy but with the aggressive corporate connect program & sustained focus on developing new skill areas for the students we can prepare them to achieve placement

The talk highlighted various aspects of the Pre Placement preparation. It was delivered to aware the students about Critical learning's for self-improvement and current technologies booming the market. By doing personal counseling of students we can know the interest of students further plan of their career. So we can motivate and guide as per their interest.

◆ **TALK OBJECTIVES:**

- To prepare students for their future endeavor.
- To prepare the students for an interview.
- To provide the guidance for competitive exams.
- To provide the exposure to students about various employers.
- To provide the guidance if the student want to go for higher study and provide a platform

◆ **OUTCOMES:**

- Before entering into final year, students are very well confident about their future goals and career plan.
- Students got guidance about the preparation of GATE/GRE/CAT/TOEFL or other entrance exams during their 6th semester who were interested for further study after completion of their graduation.
- Students learned about the preparation of Interviews.
- Learned to prepare for competitive exams.

◆ **SUMMARY OF TALK DELIVERED:**

- To fill the gaps in the current learning in relation to market demand with requisite training and skills, department of Electronics & Communication Engineering organized Pre Placement Talk on Saturday, January 12, 2019. It was delivered by Mr. Mukesh Kulothia who is a zealous entrepreneur, an avid reader and a passionate storyteller. He is an alumnus of IIM Lucknow and MNIT Jaipur, set off for a very successful corporate stint at IBM. Recently he has also been featured in the Wikipedia's list of "14 Notable Alumni" of MNIT Jaipur.
- Sixty students of III Year (2020 batch) of Poornima College of Engineering attended this session. It was started at 9.30 am at CS-05. Dr. Garima Mathur, HOD, ECE and faculty members of ECE Department were also present. Initially a token of gratitude was presented to Mr. Mukesh Kulothia by Dr. Garima Mathur. The 2hr long talk was delivered to aware the students about Critical learning's for self-improvement and current technologies booming the market. He further told about Emotional mastery, Problem solving and Time Management. He inspired the students for more participation and to identify the problems around and try to solve them. He also gave emphasis on Team spirit, Communication skills and confidence. The session was really inspiring and informative for students for achieving placements. Students definitely get benefitted by this.
