A REPORT ON TEACHER'S DAY

NAME OF ACTIVITY: "Teacher's Day Celebration" on September 5, 2021.

DATE & DURATION: September 5, 2021 & 01 Hour

TYPE OF ACTIVITY: Extra-Curricular

ORGANIZED BY: Department of Computer Engineering

LEARNING OUTCOMES:

- Student will be able to find the applicability of the Teacher's Day.
- Student will be able to find the reason for celebrating the Teacher's Day.
- Student will be able to do the leadership activity.
- Student will be able to perform task in the group form.

MAPPINGS WITH PO AND PSO:

CO	PO 1	PO 2	PO 3	PO 4	PO 5	PO 6	PO 7	PO 8	PO 9	PO1 0	PO1 1	PO1 2	PSO 1	PS O2	PS O3

CO 4	-	-	-	-	-	-	3	-	-	-	-	-	2	3	2

DETAILS OF ACTIVITY:

Session on "Introduction on Dr. RadhaSarvpalli" by GauravPipada , Student of Department of Computer Engineering, Poornima College of Engineering, Jaipur.

After that Quiz on Teacher's Day is Organized by Google form. And Winner is Ankush Yadav.

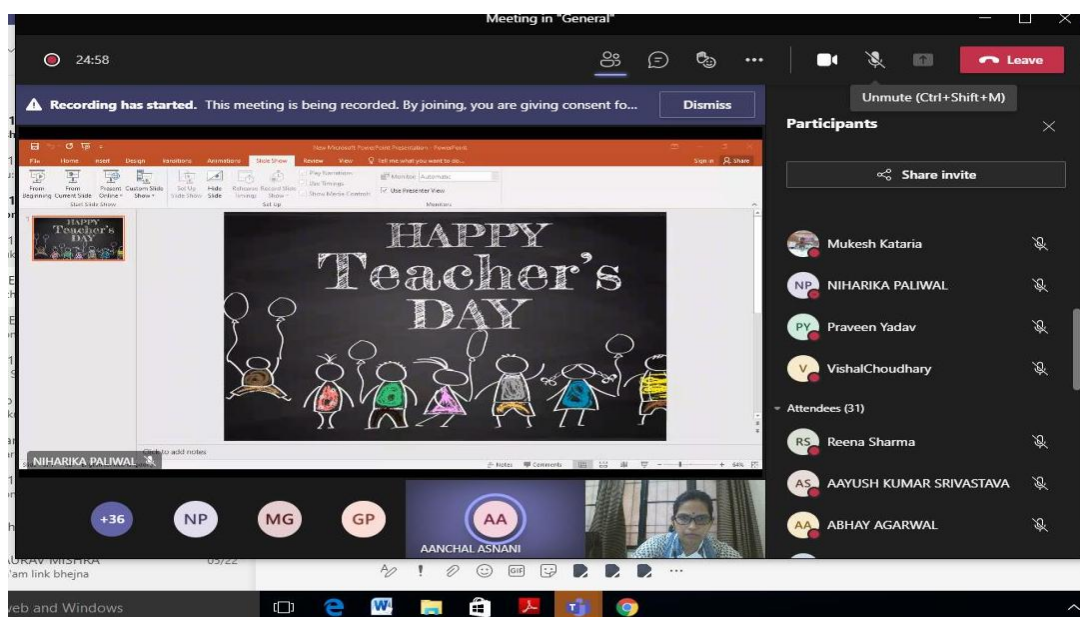

Session on "Role of Teachers in life" by Dr. Sunil Gupta, Associate Professor, Computer Engineering, PCE. He encouraged the students for good placements and then answered their queries.

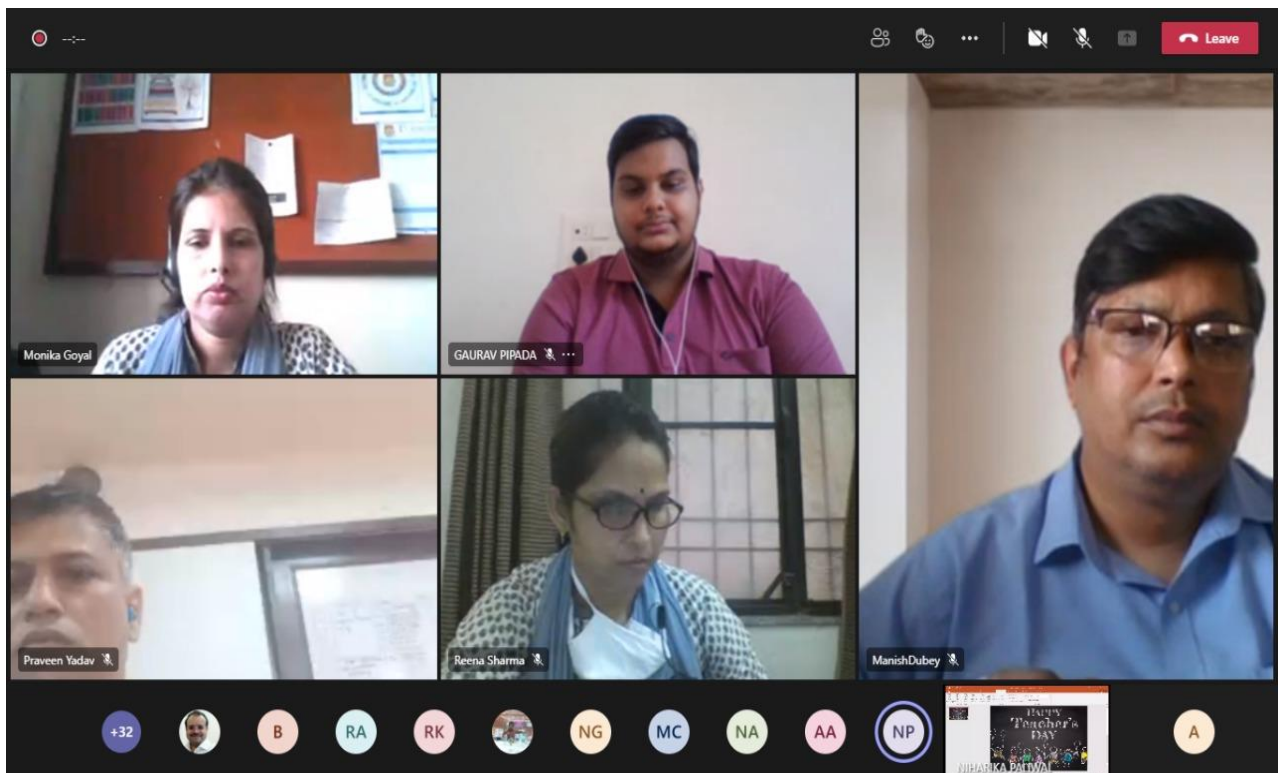

In last, Vote of Thanks given by Anushkha Sharma.

FEEDBACK / ATTAINMENTS:

Oral feedback and views shared by the students revealed that the sessions have successfully fulfilled the objectives of the activity set forth.

All the students learned a lot in a comfortable environment. The style and the knowledge of the expert were totally amazing. He was very positive, very inspirational and motivational speaker. Content was relevant and well presented.

All the students in their oral feedback gave him the positive remarks in all respects and shown their satisfaction over all the arrangements and the time management.

A REPORT ON EXTRA CURRICULUM ACTIVITY

NAME OF ACTIVITY: Teacher's Day

DATE & DURATION: 05-09-2021

TYPE OF ACTIVITY: Extra curriculum activity

ORGANIZED BY: Department of Mechanical Engineering

DETAILS OF ACTIVITY:

In India, 5th September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. 5th September is the birthday of a great teacher Dr. Sarvapalli Radhakrishnan, a staunch believer of education and a well-known diplomat, visionary, statesman, scholar, President of India and above all a perfect Teacher.

Department of Mechanical Engineering, Poornima College of Engineering, Jaipur is organizing this program with welcome address of Dr. Narayan Lal Jain, Head of Department, Mechanical Engineering on the auspicious occasion coordinated by Dr. Surendra Kumar and Mr. Kalpit Jain.

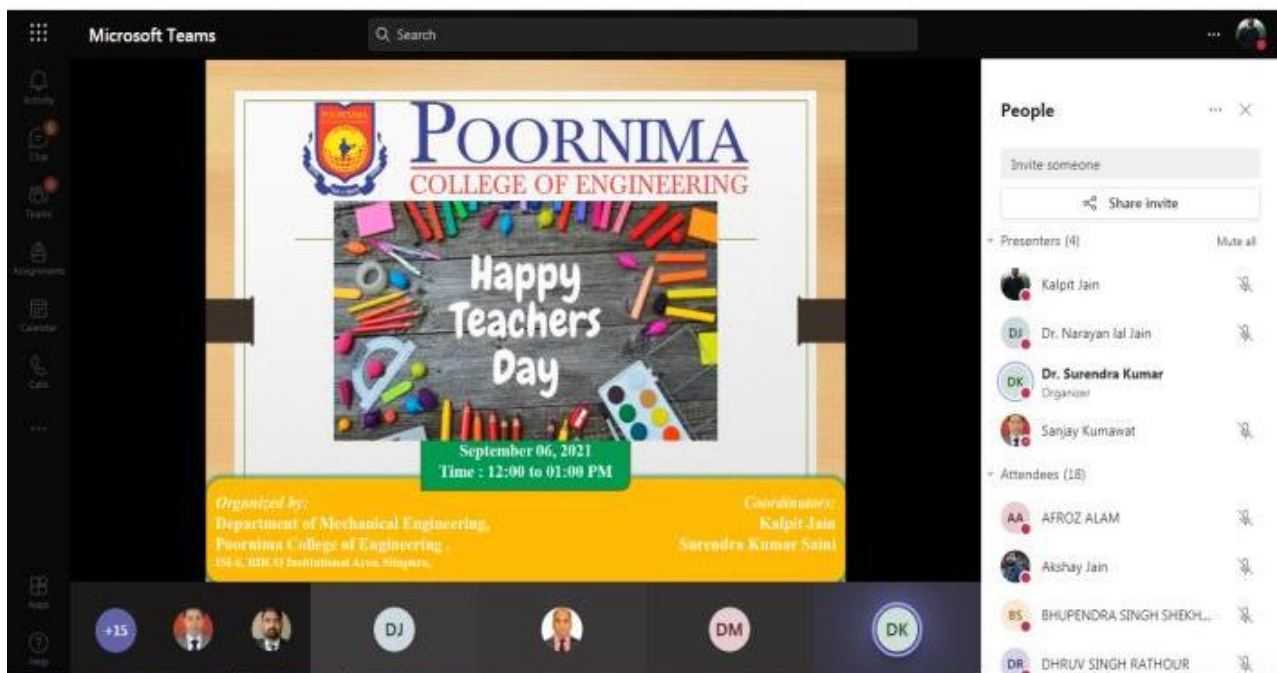

Dr. Narayan Lal Jain told the students about the teachers day that why we are celebrating the teachers day and he discuss about the contribution of Dr. Radhakrishnan as a teacher for the society.

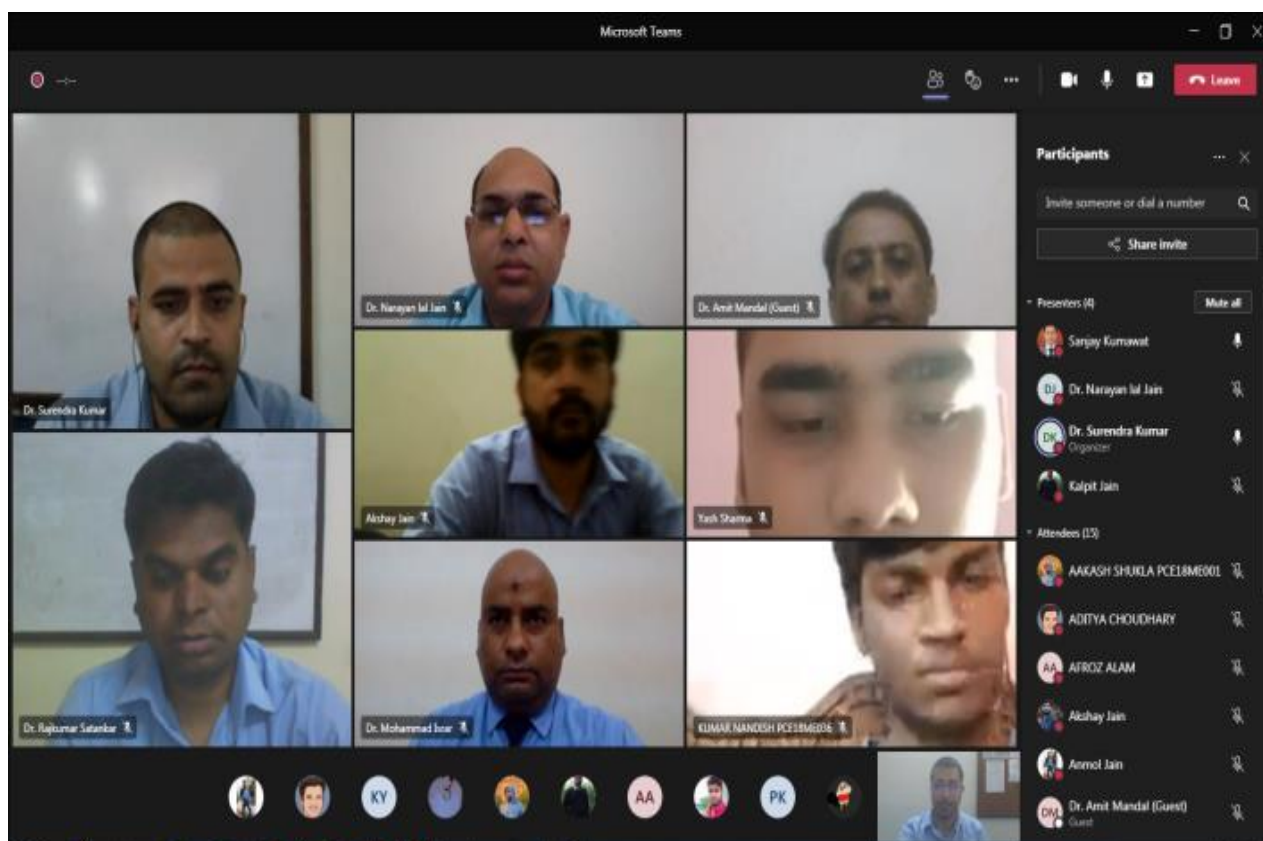

Dr. Narayan Lal Jain include that in 1962, when Dr. Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said, "Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day". This showed his love for the teaching profession. From then onwards, this day is celebrated as Teachers' Day in India.

Dr. Surendra kumar sains include some words with Dr. Naryan Lal Jain that Radhakrishnan was awarded a knighthood in 1931, the Bharat Ratna (Highest Civillian Award of India) in 1954, and honorary membership of the British Royal Order of Merit in 1963. Radhakrishnan believed that "teachers should be the best minds in the country". Some of the students, Kumar Nandish and Yash Sharma shows the importance of teachers in their life.

At last Mr. Sanjay Kumawat conduct the online quiz on teachers day on Dr. Radhakrishnan, in this quiz 10 question were there, No negative marking was there. 18 students attempt the online quiz and 3 students name Akash Shukal secure first rank, Lakshay Khandelwal secure second rank, Dhruv Singh Rathore secure the third rank in quiz and remianing students who were participate in the quiz awarded by the certificate of appreciation.

CO2	-	-	-	-	-	-	-	-	3	-	-	-	2	3	2

DETAILS OF ACTIVITY:

The Birthday of Dr. Radhakrishnan, the former president of our country India is celebrated as Teachers' Day in order to highlight the specialty and greatness of the teachers and their works. As per the gratitude, our department encourages the students to celebrate Teachers' Day in a special attachment and attention. Students are motivated and encouraged to act as a teacher with the teacher's costume. After preparing the lesson plan, they are allowed to teach lesson in the allotted classes. By celebrating Teachers' Day students understand the value of teacher and start to give reverence to the teacher. Students participated interestingly and acted as the teachers by teaching and handling the classes. Thus we have been celebrating Teachers' Day every year meaningfully.

History of Teacher's Day

Students from each and every part of the country eagerly wait for this occasion. The occasion of teacher's day is actually a way through which the students can express their genuine appreciation and

gratefulness to their teachers.

Apart from that, this day is also utilized by the students to pay respect and tribute to Dr. Sarvepalli Radha Krishnan for his philosophies. Dr. Radha Krishnan contributed a lot of useful articles and journals in various subjects like educational, theological, cultural, social, philosophical and ethical. This day that is his birthday is indeed a great way of remembering the huge contributions and honoring this legend, who have helped us in making our lives more knowledgeable.

The history behind teacher's day is actually quite interesting. One day, Dr. Sarvepalli Radha Krishnan was approached by some of his students as well as friends and they requested him to let them celebrate his birthday. This incident took place during his presidential tenure. To their request, Dr. Radha Krishnan said them that instead of celebrating his birthday separately they should celebrate this day as teacher's day. He said that if they do so, it would be a great privilege for him. Since then onwards, September 5th, Dr. Sarvepalli Radha Krishnan's birthday is celebrated as the day for appreciating the teachers throughout the country.

Teacher's day is not a holiday; it is one such occasion where the students make their teachers feel special. It is a very significant day in the history of India. This day is not only the birth anniversary of the second Indian President but also is the day for admiring the sincere efforts and contributions of the teachers for building the basic foundation of India.

DETAILS OF ACTIVITY:

The Department of Computer Engineering, Poornima College of Engineering, Jaipur organized a one-day "Teacher's Day" on September 5, 2020.

In this activity following interaction sessions were conducted: -

1. Session on "How to build your Career in Computer Science" by Alumni's "CHAYAN SHRI SHRIMAL" & "CHANDAN AGRAWAL". They had very interactive sessions on career building, placements and code development. At last, they answered the queries of the students. "Mr. Chayan Shri Shrima" is one of the alumni's of our college. He's currently placed at Infosys for

SES(System Engineer specialist) role. He qualified Google code Jam round 2,won first prize in Techzooka organized by Infosys ,also won first prize in JECRC Renaissance coding competition and in SKIT Pravah Coding competition. “Mr.Chandan Agarwal” who is also one of the alumni’s of our college. Currently he’s placed at Infosys for SES(System Engineer specialist) role. He’s a winner of World programming Championship organised by IIT Bombay.He also won the coding competition for continuous two years in RTU-THAR and winner of many coding events at different colleges like JECRC ,SKIT,GIT etc. He’s also two times finalist of Techgig code gladiators and has published 30+ articles on geeks for geeks.

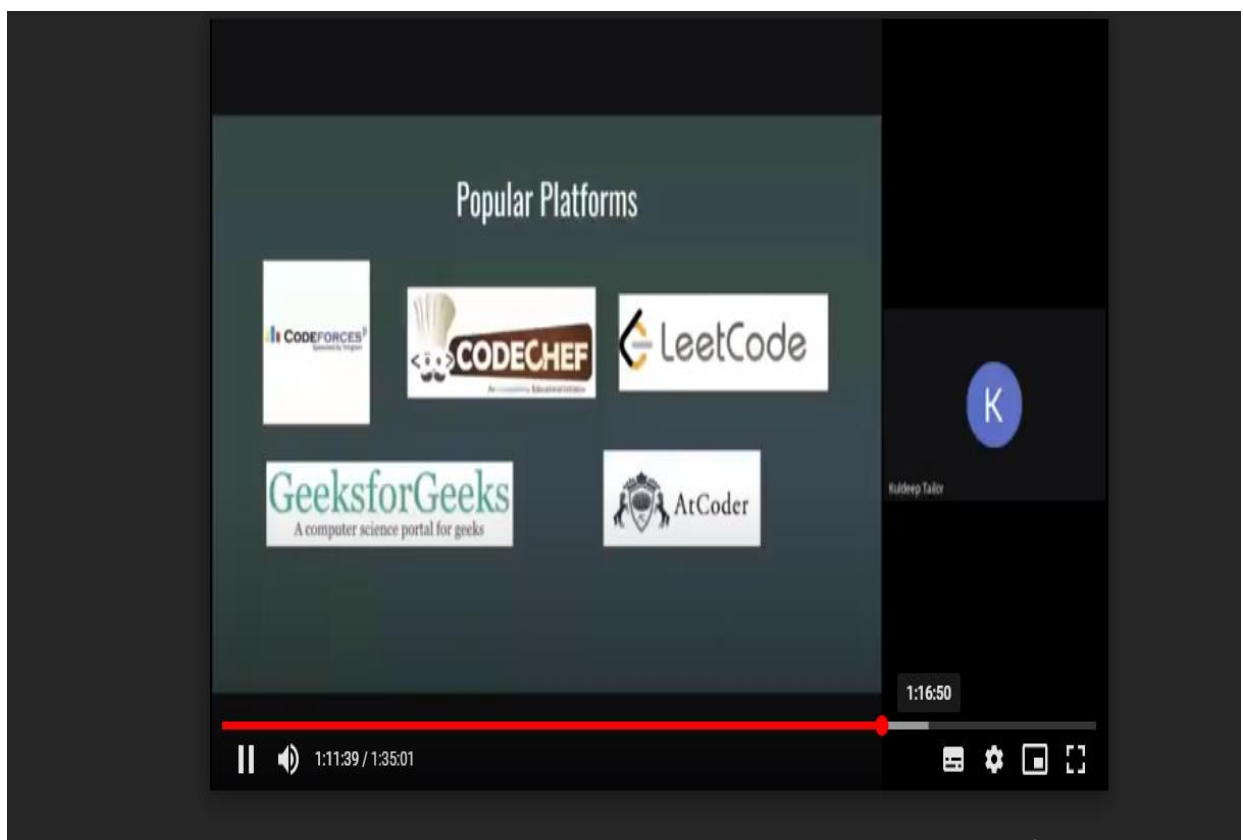

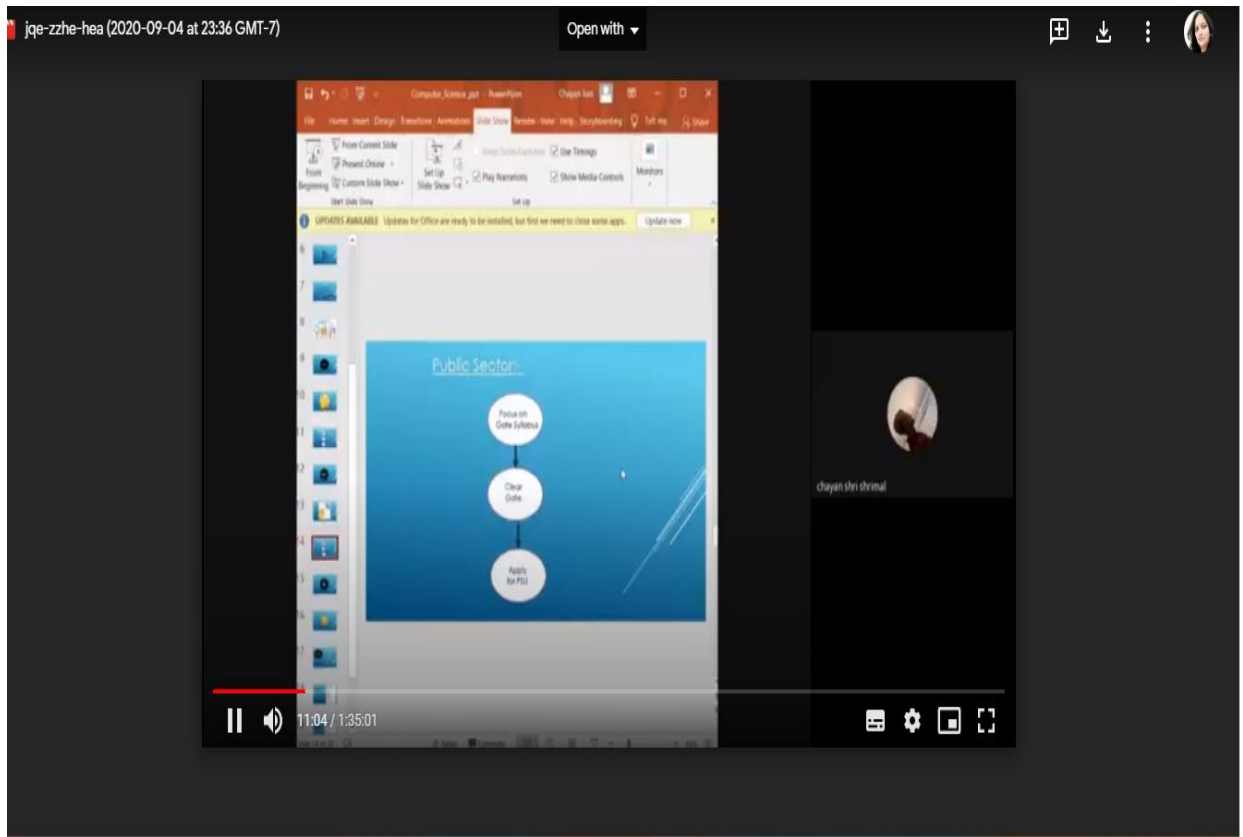

2. Session on “Interaction regarding to encourage students for good Placement” by IV Year Student “KULDEEP TAILOR.” He encouraged the students for good placements and then answered their queries.

"Mr. Kuldeep Tailor" from 4th year, qualified the final round of Hackwithinfy among the top 100 coders of India and got a placement offer as a power programmer profile at infosys. He is also the winner of Quiz Buzz of Techzooka(2019) and cleared first round of TCS Codevita 8 (2019).

FEEDBACK / ATTAINMENTS:

Oral feedback and views shared by the students revealed that the sessions have successfully fulfilled the objectives of the activity set forth. All the students learned a lot in a comfortable environment. The style and the knowledge of the expert were totally amazing. He was very positive, very inspirational and motivational speaker. Content was relevant and well presented. All the students in their oral feedback gave him the positive remarks in all respects and shown their satisfaction over all the arrangements and the time management.

A REPORT ON EXTRA CURRICULUM ACTIVITY

NAME OF ACTIVITY: Teacher's Day

DATE & DURATION: 05-09-2020

TYPE OF ACTIVITY: Extra curriculum activity

ORGANIZED BY: Department of Mechanical Engineering

DETAILS OF ACTIVITY:

“The Purpose of Education - Mental Balance”

Teaching is a remarkably rewarding pursuit if one is able to enable and empower learners. However, it is also about being a confident and committed teacher with a sound balance of a healthy mind and a healthy body. Nowadays, the importance of physical and mental well-being of teachers and students needs to be stressed more than ever. Education or any activity that involves an exchange of knowledge should involve a consistent focus on mental and physical wellness. Let us look at some of the crucial aspects that can guide us about focusing on the overall well-being of our teachers and students. To understand how to make balance in mental and emotional health in education for both teacher and student focus should not just be on self-care but also building systems that reduce stress.

Teachers and students need to be healthy and happy. Any teaching or learning activity is incomplete without the inclusion of physical and mental fulfillment. Any study-plan that doesn't focus on nutrition and exercise fails to create happy teachers and students. One of the most crucial aspects of well-being is peace of mind. Focus should not just be on self-care but also building systems that reduce stress.

Teaching schedules and administration work expected from teachers must be rationalized. Students should get ample time to indulge in extra-curricular activities. Meditation sessions are highly beneficial for everyone including those actively involved in the pursuit of knowledge. Practicing yoga and physical fitness helps trigger hormones within the brain which reduce stress. Appointing in-house counselors or psychologists who can interact with teachers and students suffering from stress is no longer an option. Students and teachers must be oriented through multiple sensitization programs about the importance of opening up as well as being mindful about what their colleagues might be going through.

Schools must think out of the box and deliver holistic solutions that would ensure both mental and physical well-being of teachers and students. These solutions should be implemented consistently keeping their long term impact in mind.

Department of Mechanical Engineering, PCE organized a webinar presentation on topic “The Purpose of Education - Mental Balance” on Sept. 5, 2020, at 12:30 PM in association with DIYA (DIVINE INDIA YOUTH ASSOCIATION) Rajasthan. It was delivered by Dr. Vivek Vijay, Assistant Professor, Indian Institute of Technology Jodhpur. Basic objective of this webinar is:-

- Explain the meaning of the concept of health.
- Develop health attitudes and habits among students.
- Organize Health Education activities.
- Build up a good healthy condition through the classroom and school environment.

The general public has very little consideration towards health. Knowledge about health is very important to improve and maintain the health of an individual and groups and to lead a healthy life. It's our responsibility to educate students on health. This is possible by providing opportunities to gain knowledge, skills and attitudes on Health.

The school has to play a prominent role in directing future generation for a healthy living. The teacher is always bound to help the student's development-physically and mentally. But, this alone will not suffice to develop the personality. Physical and mental development should be proportionately balanced, in a good personality. In this module I expect to explain how you could develop a physically and mentally balanced individual through Health Education.

Let me now explain to you the contents of this lesson. Before teaching Health and Physical Education, you should know the meaning of Health Education. I hope you will be able to gain sufficient knowledge about “What is Health and what is Health Education.

Mr. Rahul Jain (3rd year –Mechanical) welcomed the guest and all the participants. He introduced the guest and spoke about the webinar. Ms. Garima Singh explained about the history of teacher's day. Thereafter, Dr. Vivek Vijay enlightened all by his kind words on the mentioned topic.

The session ended with the vote of thanks by Ms. Garima Singh, (2nd year-Mechanical), PCE. 105 participants benefited by the expertise of Dr. Vivek Vijay.

INVITED SPEAKER:

Dr. Vivek Vijay
Assistant Professor; Indian Institute of Technology Jodhpur.

Dr. Vivek Vijay is from the department of Mathematics at Indian Institute of Technology, Jodhpur & founder Coordinator of DIVINE INDIA YOUTH ASSOCIATION (DIYA), Rajasthan. Dr. Vivek Vijay earned his B Sc and M Sc from Govt. College, Kota and PhD from IIT Bombay, before eventually serving as Lecturer at BITS, Goa. He later joined Goa Institute of Management as an Assistant Professor and then moved to Syntel Inc Company where he was member of the Quantitative Finance team as Manager. After a journey of about two successful years, this passionate teacher returned to the Academics and joined IIT Jodhpur as an Assistant Professor in the year 2010. Apart from a number of awards in his account, he is also awarded Gold Medal for securing highest marks in all Sciences in M Sc and the Best Faculty Award by IIT Jodhpur in the year 2014.

An expert in Statistics, Dr Vivek Vijay has published several papers in National and International journals. He also edited a book entitled “Systems Thinking Approach for Social Problems”. Organizing National & International Conferences and Workshops on different areas of Mathematics and Statistics is part of his journey. He was also one of the Panelists in International Forum on Research & Development at McMaster University in 2011 at Canada. “A theoretical lecture can never inculcate values but a Mentors’ personal life can” says spiritually inclined. Dr Vivek Vijay. His seminars express the need of hour to focus on value-based education for good moral values, ethics & stronger characters. He delivered many lectures on Personal values, Intellectual Values, Spiritual & Environmental Values, Moral, Social and Cultural Values also.

He is a combination of Value Based Academics & Administrative skills that he served as the Coordinator of Faculty Affairs & Students’ Affairs, Head of Counseling Services and recently serving as President of Faculty Association as well at IIT Jodhpur.

His keen interest towards betterment is initiated as ‘Parivartan’-The Social Initiative of IIT Jodhpur which is flourishing under his guidance.

Apart from his profession as already mentioned he is also the founder Coordinator of DIVINE INDIA YOUTH ASSOCIATION (DIYA), Rajasthan since its inception in 2006 by Dr A P J

Abdul Kalam and Dr Pranav Pandya. DIYA Rajasthan has been engaged into various constructive Activities and Projects like divine workshops, aadarsh gram yojana, de-addiction movements, bal sanskar shala, yoga camps, plantation drives and summer camps for the upliftment of youth and to channelize their potential towards national development under the able guidance & inspiring leadership of Dr Vivek Vijay. DIYA, Rajasthan Correlate the power of youth with nation. Educated, healthy, self-reliant, courteous and sensitive youth raises developed, powerful, prosperous, happy and superior nation.

A REPORT ON WEBINAR ON TEACHER'S DAY

NAME OF ACTIVITY: "Teacher's Day Celebration"

DATE & DURATION: on September 5, 2020

TYPE OF ACTIVITY: Extra-Curricular

ORGANIZED BY: Department of Civil Engineering

LEARNING OUTCOMES:

- Student will be able to find the applicability of the Teacher's Day.
- Student will be able to find the reason for celebrating the Teacher's Day.
- Student will be able to do the leadership activity.
- Student will be able to perform task in the group form.

DETAILS OF ACTIVITY:

Poornima College of Engineering (PCE), Jaipur organized a distinguished Webinar on the occasion of Teacher's Day on "A Walk into the Number Garden" on Saturday i.e. September 5, 2020 at 12:00 PM. The students of Civil Department marked their presence in the webinar by participating enthusiastically.

The guest and students were welcomed by Ms. Mansi Agarwalla, student IV year. Following it was the introductory speech of Ms. Shruti Sharma, student II year. In the speech she highlighted the whole life of Dr. Sarvepalli Radhakrishnan, and history of Teacher's Day celebration. Dr. Shilpi Jain, Associate Professor, Poornima College of Engineering introduced about the topic and speaker.

During the technical discussions Prof. Chakraborty focused on the number theory as we walked down the lane, in the garden of numbers.

He mentioned four folds: first Part consists of the fundamental theorems of number system. In this he mentioned the theorems of number system in detail with examples. In the second part he described the Twin Prime numbers with some basic examples. Third part consisted of examples as well as definition of congruent numbers. The fourth and last part was comprised of the $3n+1$ problem and finally the insightful session came to conclusion.

Mr. Balwan Sheshma, HoD, Department of Civil Engineering (Poornima College of Engineering) proposed the votes of thanks to the speaker and mentioned the knowledge of being in the industry along with all participants.

About the Speaker:

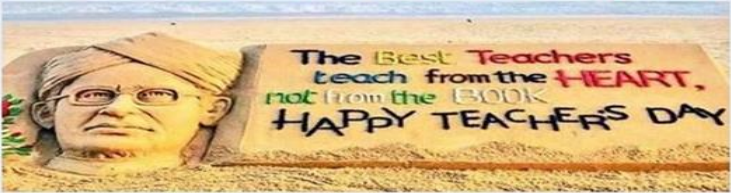

Professor Kalyan Chakraborty,
Scientist 'H', Harish-Chandra Research Institute, Allahabad

Professor Kalyan Chakraborty is Scientist 'H' in Harish-Chandra Research Institute, Allahabad. He is a pure mathematician and has worked in various areas in Number Theory. He has also taught in various Universities world wide on topics-Measure Theory, Galois Theory, Algebra I, Elliptic curves, as well as Theory of Numbers. He has co-published many books such as- Vistas of Special functions II, A Quick introduction to Complex Analysis, etc. He is a 1st vice-President of SSFA India. He is Chief Organizer ICCGNFRTY early International Conference. He has been mentoring 'PLUS2' students at various DST inspire camps.

Prime numbers

Primes are the basic building blocks of the number universe from which all the other natural numbers are composed, each in its own unique combination, the perceived lack of order among them looked like a perplexing discrepancy in the otherwise so rigorously organised structure of the mathematical world.

—L. Euler

Leonhard Euler

Kalyan Chakraborty

Mersenne primes

- ★ René Descartes in 1638 wrote to Marin Mersenne that he thought **all even perfect numbers were of the form as described before**. He added also that he couldn't find any reason why odd perfect numbers can not exist.
- ★ Around 1640 Fermat began his study on **perfect numbers** by determining all the **primes of the form $a^n - 1$** .

If $a^n - 1$ is prime for integers $a, n > 1$ then $a = 2$ and n is prime.

- ★ Primes $\rightarrow 2^p - 1, p$ is a prime, are called Mersenne primes.

Conjecture

There are infinitely many Mersenne primes.

- ★ Till now 51 Mersenne primes are known. The last one is discovered recently (Dec. 07, 2018):

$$2^{8,589,933} - 1 \quad (\text{has } 24,862,048 \text{ digits!!}).$$

Kalyan Chakraborty

A REPORT ON EXTRA CURRICULUM ACTIVITY

NAME OF ACTIVITY: Teacher's Day

DATE & DURATION: September 05, 2020

TYPE OF ACTIVITY: Extra curriculum activity

ORGANIZED BY: Department of Electrical Engineering

DETAILS OF ACTIVITY:

Speech on Teacher's Day by Dr.Virendra Sangtani

Dr. Virendra Sangtani, HoD, EE motivated students immensely by his speech. In his speech he explained the reason behind the celebration of Teacher's Day.

He said "In India, 5th September is chosen as Teacher's Day because it was the birthday of Dr. Sarvapalli Radhakrishnan. He was a renowned academic of our country who was also the first Vice President and the second President of Independent India. Before he stepped foot into politics, Dr. Sarvapalli Radhakrishnan used to represent the University of Calcutta in numerous international forums in the United Kingdom.

After he became the president, his students wanted to celebrate his birthday instead he asked them to mark it as a day to celebrate teachers. Thus, due to this and his contribution to academics, his birth anniversary became Teacher's Day serves as a great reminder to appreciate our teachers for their services which they continue to render to the students and also to the community as a whole. Further, it is also teachers who motivate us to do better in life. Thus, it recognizes their efforts to produce excellent artists, doctors, musicians, dancers, engineers and more.

It also encourages the students to respect and honor the teachers because they play a major role in making the students what they are. Teachers Day is great for making them feel appreciated and loved as it does not happen every day due to the busy schedule."

He also appreciated the contribution done by each and every faculty member of the Department.

S.No	Activity	Duration	Time
1.	Speech on Teacher's Day by Dr.Virendra Sangtani, HoD, EE, PCE	15 Min.	12:30-12:45

4.	Lecture on "Electric Vehicles" by student Manas Gupta,IV Year, EE, PCE	30 Min	13:30-14:00

5.	Lecture on “PCB Designing” by student Pranav Pratap,IV year,EE,PCE	30 Min.	14:00-14:30
6.	Vote of Thanks by Harshita Yadav,IV Year,EE,PCE	10 Min	14:30-14:40

GLIMPSES:

Address by Dr. Mahesh Bunde, Director & Princippal, PCE

Dr. Mahesh Bunde enlightened the gathering by sharing his experience and knowledge. He said that to become a successful person you need to imbibe ethics and human values in ourselves. Along with these qualities he even asked the students to respect Teachers as they respect God, to achieve success in life.

Interaction of alumni with the students

Ms.Mriganka Mathur 2018-19 batch was invited as an Alumni to interact with students.She is placed in Cape Gemini and also she brought laurels to the college during her stay in the Institute.She was one among toppers at both Institute as well University level. She interacted with the students and motivated them to work hard if they want to succeed in whatever work they do'She also said that they there is no shortcut to success to succeed

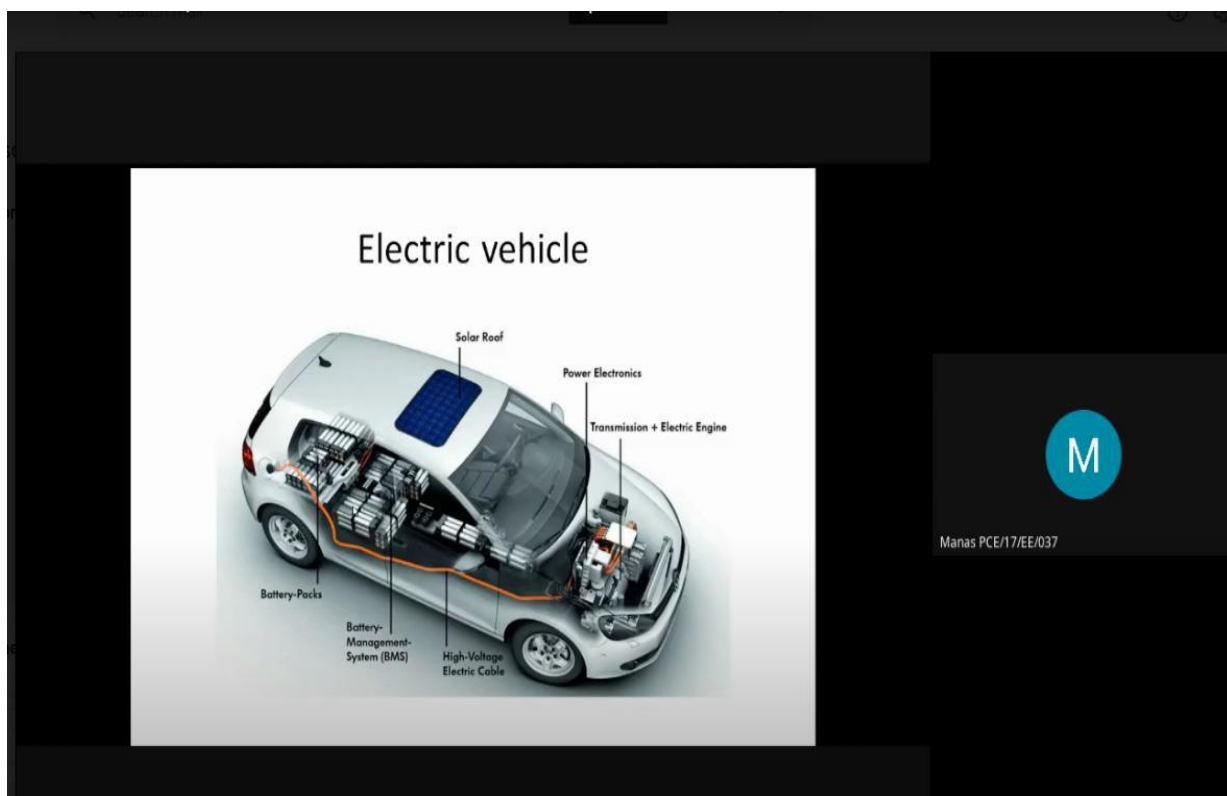

Dr. Mahesh Bunde
B.E., M.E., Ph.D.
Director
Peernima College of Engineering
ISI-0, FIICO Institutional Area
Sitapura, JAIPUR

students should work hard. She also asked them to be updated with the latest technologies in the field of engineering.

Lecture on “Electric Vehicles” by student Manas Gupta, IV Year, EE, PCE

Manas Gupta gave a very informative lecture on “Electric Vehicles”. He gave detailed information regarding the design, working and construction of Electric Vehicles. He also said about latest development in the technologies used in Electric Vehicles.

Lecture on “PCB Designing” by student Pranav Pratap, IV year, EE, PCE

Pranav Pratap presented a Lecture on “PCB Designing” which proved to be a very knowledgeable and interactive session. Students became aware of how to design a PCB. Also he explained in detail the various applications of PCB designing in various fields. Students benefited a lot from this session.

2020-09-05 at 00:48 GMT-7

Why PCB?

- Rugged, inexpensive, and can be highly reliable
- Faster (due to automation) and consistent in high volume production
- Professional (more neater look)

Poornima College of Engineering
ISI-0, Rajico Institutional Area
Sitapura, JAIPUR

In this activity following interaction sessions were conducted: -

S. No	Activity	Duration Time	
1.	Welcome session and Introduction about program by Mr. Rohit Mathur, Student 2CSE-C, PCE.	05 Minutes	12:00 -12:05 PM
2.	Speech on “Biography of Dr.Sarvepalli Radhakrishnan” by Ms. Riya Kumari & Mr. Satyam Kumar, Student 2CSE-C, PCE.	10 Minutes	12:05 -12:15 PM
3.	Speech on “importance of Teachers in our life” by Ms. Niharika Paliwal, Student 2CSE-B, PCE.	10 Minutes	12:15 -12:25 PM
4.	Technical session on “AWS Cloud” by Mr. Vishesh Garg, Student 2CSE-C, PCE.	60 Minutes	12:25-01:25 PM
5	Vote of Thanks by Ms. Riya Kumari, Student 2CSE-C, PCE.	05 Minutes	1:25 -1:30 PM

FEEDBACK/ATTAINMENTS:

Session was quite knowledgeable and interesting for students and teachers also. The entire guest inspired us for the future goals.

Feedback Analysis

Content of the workshop is rated as

- a) Excellent by 66.67% of participants
- b) Good by 30.25% of participants
- c) 0.62% say needs improvement
- d) 2.47% have not

responded Presentation of the workshop is rated as

- a) Excellent by 77.78% of participants
- b) Good by 22.22% of participants

Management/Administration of the workshop is rated as

- a) Excellent by 67.59% of participants
- b) Good by 28.7% of participants
- c) 3.7% say need improvement

Overall Workshop is rated as

- a) Excellent by 59.26% of participants
- b) Good by 40.74% of participants

How could this workshop be improved?

1. Workshop should be extended to more days (2 to 3 days).
2. More content & new research work can be shared in future
3. Focus should be on basic than advanced level.
4. Performance and effectiveness can be improved by giving more time for practice sessions and to implement concepts.

Any other comments/suggestions

1. We would like to have such more workshops in future
2. More hands on Wireshark, Cisco packet tracer, mininet etc.
3. Language and fundamental can be enhanced in effective manner.

A REPORT ON EXTRA CURRICULUM ACTIVITY

NAME OF ACTIVITY: Teacher's Day

DATE & DURATION: 05-09-2019

TYPE OF ACTIVITY: Extra curriculum activity

ORGANIZED BY: Department of Mechanical Engineering

DETAILS OF ACTIVITY:

Department of Mechanical Engineering, PCE was celebrated the Teachers' day on 5th September 2019. The basic objectives of celebration are to give a platform to students for expressing gratitude and appreciation to their teachers. This day is dedicated to Dr. Sarvepalli Radhakrishnan – second President of India. The great academic philosopher, and one of the most well-known diplomats, scholar, president of India and above all a teacher. As a tribute to this great teacher, his birthday has been observed as teachers' day.

The whole function was planned by Mr. Sanjay Kumawat with faculty co – coordinators. We decided that, the responsibility of teaching is taken up by the students as an appreciation for their teachers. We decided that, the responsibility of teaching should be taken up by the students as an appreciation for their teachers. Students have prepared the timetable of lectures and delivered the same during afternoon sessions on various technical and non-technical topics. A short program was organized with cake cutting ceremony by different group of students. **Motivational speeches** were delivered by Dr. Narayan Lal Jain (Prof, ME, PCE), Mr. Shailendra Kasera, Mr. Ashwani Kapoor, and Mr. Sanjay Kumawat.

Dr. Mahesh Bunde, Director, Poornima College of Engineering, Jaipur in his motivational speech appreciates the efforts of students and faculty member to organize the program. He shows the importance of Teachers day that why we celebrate the teachers day.

EXPERT INTRODUCTION

Dr. Nischal Verma

Professor, IIT Kanpur

He is Professor in the Department of Electrical Engineering at Indian Institute of Technology Kanpur, India. He obtained his PhD in Electrical Engineering from Indian Institute of Technology Delhi, India. He is an awardee of Devendra Shukla Young Faculty Research Fellowship by Indian Institute of Technology Kanpur, India for year 2013-16. Dr. Verma's research expertise falls under Artificial Intelligence (AI) related theories and its practical applications to many inter-disciplinary domains but not limited to machine learning,

deep learning, computer vision, prognosis and health management, bioinformatics, cyber physical systems, complex and highly non-linear systems modelling, clustering, and classifications, etc. He has been serving as Associate Editor/ Editorial Board Member of various reputed journals and conferences which include IEEE Transactions on Artificial Intelligence, IEEE Transactions on Neural Networks and Learning Systems, and many more.

Why we celebrate Teacher's Day

The Birthday of Dr. Radhakrishnan, the former president of our country India is celebrated as Teachers' Day in order to highlight the specialty and greatness of the teachers and their works. As per the gratitude, our department encourages the students to celebrate Teachers' Day in a special attachment and attention. Students are motivated and encouraged to act as a teacher with the teacher's costume. After preparing the lesson plan, they are allowed to teach lesson in the allotted classes. By celebrating Teachers' Day students understand the value of teacher and start to give reverence to the teacher. Students participated interestingly and acted as the teachers by teaching and handling the classes. Thus we have been celebrating Teachers' Day every year meaningfully.

History of Teacher's Day

Students from each and every part of the country eagerly wait for this occasion. The occasion of teacher's day is actually a way through which the students can express their genuine appreciation and gratefulness to their teachers.

Apart from that, this day is also utilized by the students to pay respect and tribute to Dr. Sarvepalli Radha Krishnan for his philosophies. Dr. Radha Krishnan contributed a lot of useful articles and journals in various subjects like educational, theological, cultural, social, philosophical and ethical. This day that is his birthday is indeed a great way of remembering the huge contributions and honoring this legend, who have helped us in making our lives more knowledgeable.

The history behind teacher's day is actually quite interesting. One day, Dr. Sarvepalli Radha Krishnan was approached by some of his students as well as friends and they requested him to let

them celebrate his birthday. This incident took place during his presidential tenure. To their request, Dr. Radha Krishnan said them that instead of celebrating his birthday separately they should celebrate this day as teacher's day. He said that if they do so, it would be a great privilege for him. Since then onwards, September 5th, Dr. Sarvepalli Radha Krishnan's birthday is celebrated as the day for appreciating the teachers throughout the country.

Teacher's day is not a holiday; it is one such occasion where the students make their teachers feel special. It is a very significant day in the history of India. This day is not only the birth anniversary of the second Indian President but also is the day for admiring the sincere efforts and contributions of the teachers for building the basic foundation of India.

TEACHER'S DAY CELEBRATION

Q-SHEET

Programme Schedule	
Date: 5th September, 2019, Thursday	
Time: 9:00 AM to 10:00 AM	Welcome Address by Dr. Garima Mathur, HOD, PCE, Jaipur
Time: 10:00 AM to 10:05 AM	Introduction of Dr. Sarvepalli Radhakrishnan by Ms. Aditi Choudhary, (III Yr.)
Time: 10:06 AM to 11:15 AM	<p>Session</p> <p>Topic: "Teacher: Shaping Minds, Nurturing Hearts, Transforming Lives"</p> <p>Resource Person: Dr. Nischal Verma Professor, IIT Kanpur</p>
Time: 11:16 AM to 11:20 AM	Query Session
Time: 11:21 AM to 11:30 AM	Vote of Thanks by Mr. Lalit Agrawal (II Yr.)
Google Meet Link: https://meet.google.com/fni-mecn-vyt	

Session Description

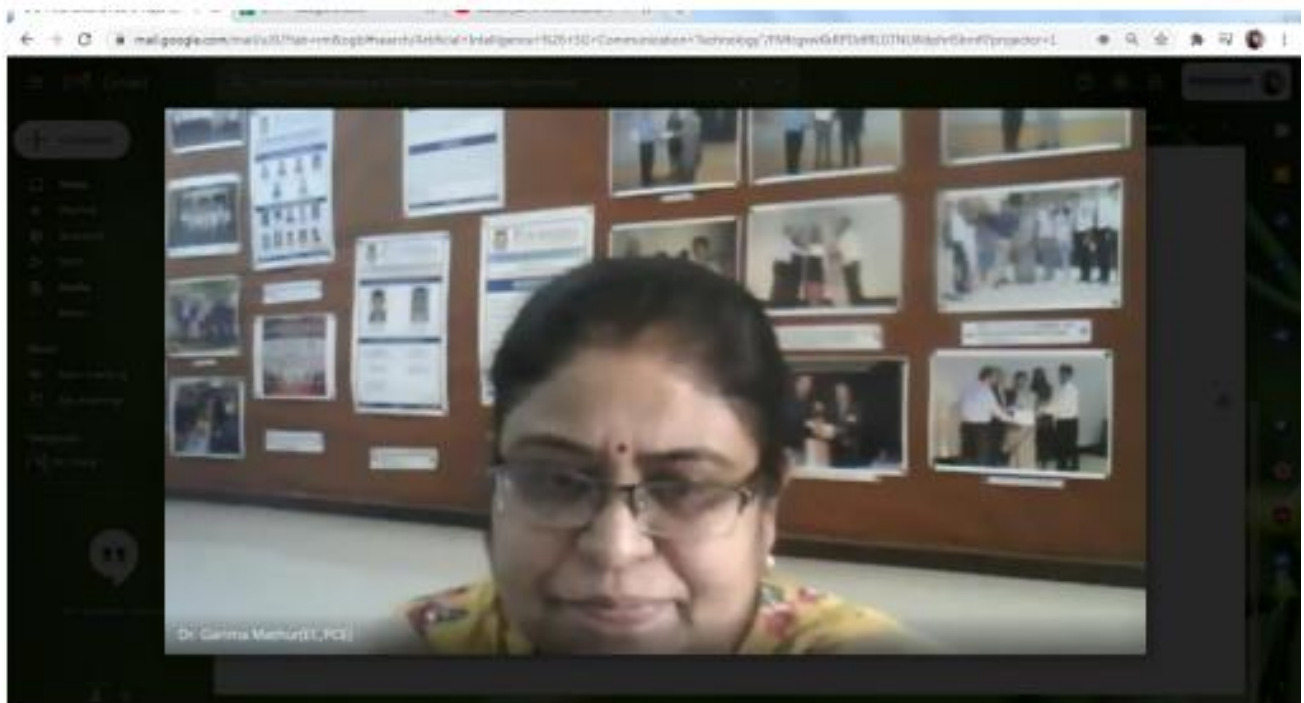

Department of Electronics & Communication Engineering, Poornima College of Engineering, Jaipur, organized a Webinar on “Teacher: Shaping Minds, Nurturing Hearts, Transforming Lives”, on hursday, 5th September, 2019 at 9:00 AM- 11:30 AM. The main topic which was covered by Dr. Nischal Verma was “Teacher: Shaping Minds, Nurturing Hearts, Transforming Lives” He started his session by thanking all the teachers and by sharing his one of the favorite memory from college. He told us about the short term goals and long term goals. Why is it necessary to decide the short term as well as long term goals? He also mentioned about the crises which are happening in the world and he said that: -“Destruction will come and go; we need to have skills to overcome that”.

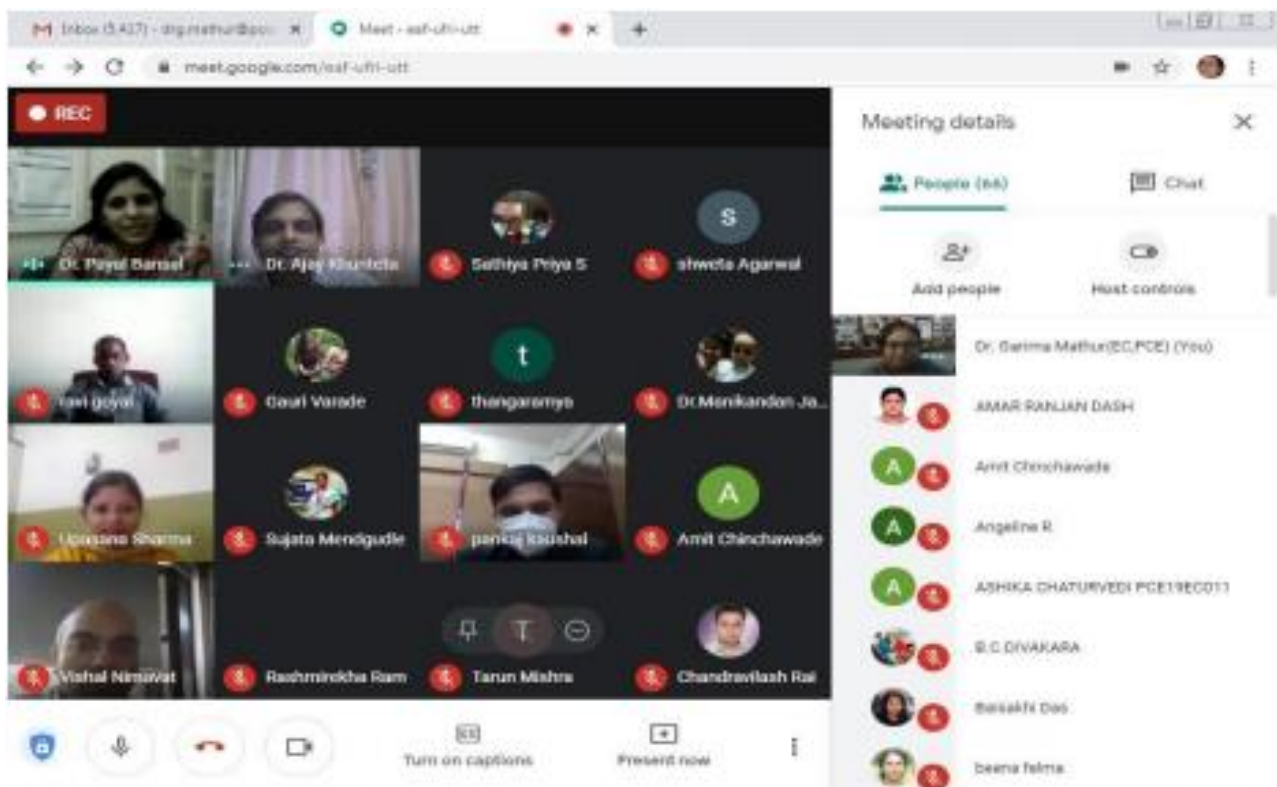

He said that – You have to learn, unlearn, relearn the things, as industry is changing we have to change and we have to learn well.

- Things are difficult, but if you believe in yourself, you will figure out ways.
- Try to enlarge your skill.
- In this point he explains that having certificates in the resume is not enough, we have to gain the knowledge from whatever we are doing or done.
- He said some motivational words towards failure; he told that failure is the best teacher. Don't be afraid from failure, learn as much as possible from the failure.
- And we have to indulge ourselves in activities and focus on the process and start enjoying them.
- Practice improving emotional intelligence.
- Make right decision at right time.

Welcome Address by Dr. Garima Mathur

POORNIMA

COLLEGE OF ENGINEERING

Promoted by Shanti Education Society, Affiliated to Rajasthan Technical University & Approved by AICTE

A REPORT ON TEACHER'S DAY

NAME OF ACTIVITY: "Teacher's Day Celebration" on September 5, 2018.

DATE & DURATION: September 5, 2018 & 01 Hour

TYPE OF ACTIVITY: Extra-Curricular

ORGANIZED BY: Department of Computer Engineering

LEARNING OUTCOMES:

- Student will be able to find the applicability of the Teacher's Day.
- Student will be able to find the reason for celebrating the Teacher's Day.
- Student will be able to do the leadership activity.
- Student will be able to perform task in the group form.

DETAILS OF ACTIVITY:

The students of B.Tech III Sem organized an activity from 10AM-11AM on the occasion of Teacher's Day under the guidance of Dr. Mithlesh Arya (Coordinator) and Gaurav Sharma (Tutor III Sem). Board decoration is done by the Harshvardhan and Antima Jain. The activities are as follows:

1) Welcome session and Biography of Dr. Sarvepalli Radhakrishnan

A warm and gentle introduction and speech given on the biography of Dr. Sarvepalli Radhakrishnan by Kusum Nabwani and Smridhi Agarwal by around 15 minutes.

2) Technical Quiz

Technical quiz by Devesh and Antima Jain. The questions on quiz were from sports, current affairs and technology. Students and teachers took keen interest in quiz. There are three teams in quiz Team A, Team B and Team C. Team A is the winner of the quiz. Quiz was executed for 10 minutes.

3) Debate

A very questionable and arguable debate was taken place at a very controversial level in which all the students took part very interestingly conducted by Riya Navlani and Aman Singh on the topic "Relegation". It was executed for 10 minutes.

4) Riddles:

Dhruv Vaishnav and Parth Soni conducted a very good riddles questioning of about 10 minutes in which all the students and teachers enjoyed a lot.

5) Tung Twister:

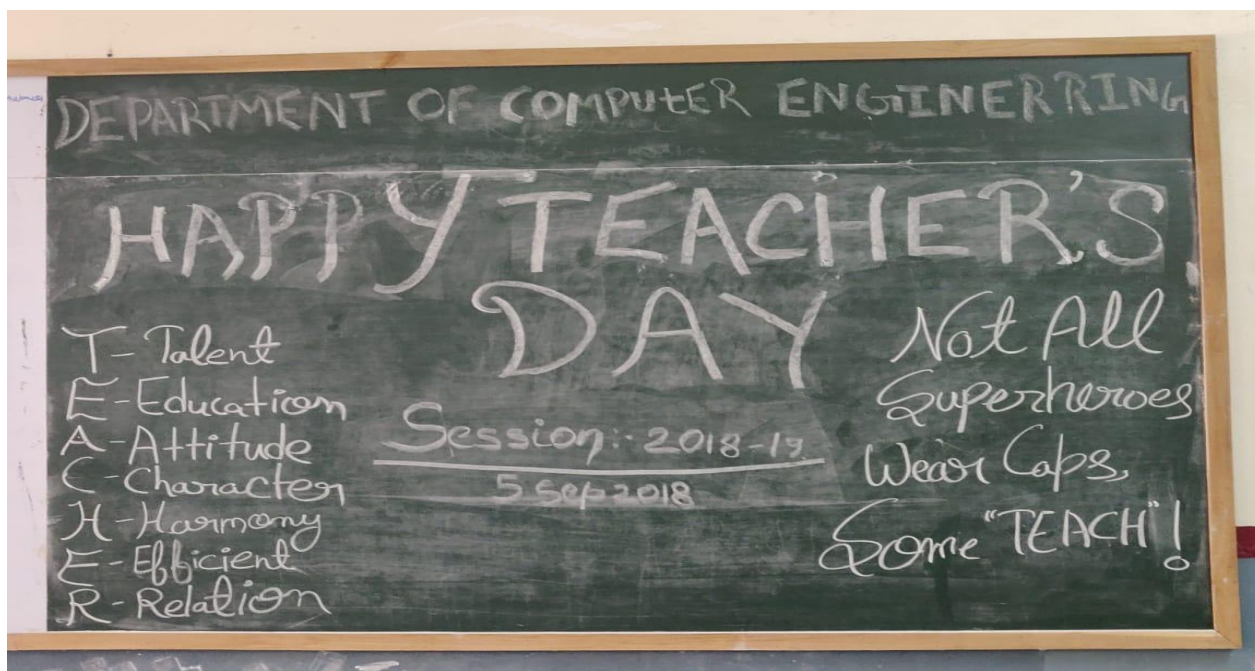

Next 10 minutes covered was covered by Raghav Sharma and Ram Raman, students come forward and tried Tung twisters.

At last the “Vote of Thanks” presented by Vanshika of around 5 minutes. The whole 1 hour teacher, s day celebration is awesome and would remain memorable for all students and teachers.

MAPPINGS WITH PO AND PSO:

CO	PO 1	PO 2	PO 3	PO 4	PO 5	PO 6	PO 7	PO 8	PO 9	PO1 0	PO1 1	PO1 2	PSO 1	PSO 2	PSO 3
CO 1	-	-	-	-	-	3	-	-	-	-	-	-	2	3	2
CO 2	-	-	-	-	-	-	-	-	3	-	-	-	2	3	2

FEEDBACK/ATTAINMENTS:

Session was quite knowledgeable and interesting for students and teachers also. The entire guest inspired us for the future goals.

Feedback Analysis

Content of the workshop is rated as

- a) Excellent by 66.67% of participants
- b) Good by 30.25% of participants
- c) 0.62% say need improvement
- d) 2.47% have not

responded Presentation of the

works hop is rated as

- a) Excellent by 77.78% of participants
- b) Good by 22.22% of participants

Management/Administration of the workshop is rated as

- a) Excellent by 67.59% of participants
- b) Good by 28.7% of participants
- c) 3.7% say need improvement

Overall Workshop is rated as

- a) Excellent by 59.26% of participants
- b) Good by 40.74% of participants

How could this workshop be improved?

1. Workshop should be extended to more days (2 to 3 days).
2. More content & new research work can be shared in future

3. Focus should be on basic than advanced level.
4. Performance and effectiveness can be improved by giving more time for practice sessions and to implement concepts.

Any other comments/suggestions

1. We would like to have such more workshops in future.
2. More hands on Wire shark, Cisco packet tracer mininet etc.
3. Language and fundamental can be handled in effective manner.

A REPORT ON EXTRA CURRICULUM ACTIVITY

NAME OF ACTIVITY: Teacher's Day

DATE & DURATION: 05-09-2018

TYPE OF ACTIVITY: Extra curriculum activity

ORGANIZED BY: Department of Mechanical Engineering

DETAILS OF ACTIVITY:

Department of Mechanical Engineering, PCE was celebrated the Teachers' day on 5th September 2018 under the guidance of Ms. Asha Kumawat. The basic objectives of celebration are to give a platform to students for expressing gratitude and appreciation to their teachers. This day is dedicated to **Dr. Sarvepalli Radhakrishnan** – second President of India. He was the great academic philosopher and one of the most well-known diplomats, scholar, president of India and above all a teacher.

We decided that, the responsibility of teaching should be taken up by the students as an appreciation for their teachers. Students have prepared the timetable of lectures and delivered the same during afternoon sessions on various technical and non-technical topics. A short program was organized with cake cutting ceremony by different group of students. **Motivational speeches** were delivered by Dr. D.S. Kumani (Prof, ME, PCE), Mr. Shailendra Kasera (HOD, ME, PCE), Mr. Ashwani Kapoor, (HOD, ME, PGI) and Mr. Sanjay Kumawat (Dy.HOD, ME, PCE). Small gifts as a token of love were presented to all faculty members. Refreshment was also were arranged by the students.

"Hayagriva" Club has also celebrated the Teacher's day with the presence of Dr. Mahesh Bunde, Director, Poornima College of Engineering, Mr. Punit Shukla, Register PCE, Mr. Rajiv David, Chief Proctor, PCE. Dr. Mahesh Bunde, Director PCE motivated the students through his inspiring words. The efforts of the students were appreciated by all the teachers. Once again it was one of the finest events organized by all the students of Department of Mechanical Engineering, Poornima College of Engineering.

A REPORT ON TEACHER'S DAY

NAME OF ACTIVITY: “Teacher’s Day Celebration”

DATE & DURATION: September 5, 2018

TYPE OF ACTIVITY: Extra-Curricular

ORGANIZED BY: Department of Electrical Engineering

LEARNING OUTCOMES:

- Student will be able to find the applicability of the Teacher’s Day.
- Student will be able to find the reason for celebrating the Teacher’s Day.
- Student will be able to do the leadership activity.
- Student will be able to perform task in the group form.

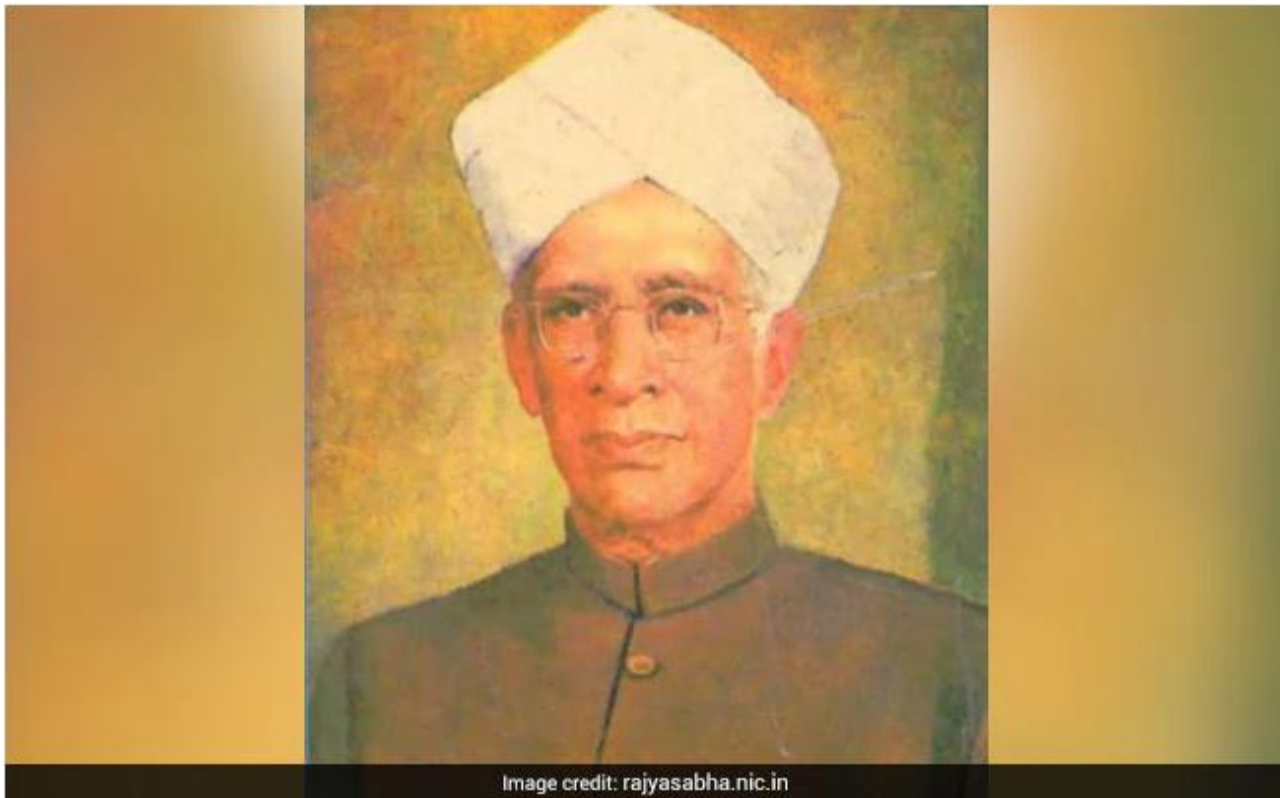

DETAILS OF ACTIVITY:

We celebrate Teachers’ day every year throughout the country on 5th September. Students express their gratitude and appreciation for their teachers on this day. This day is dedicated to Dr. Sarvepalli Radhakrishnan– second President of India. The great academic philosopher and one of the most well known diplomats, scholar, president of India and above all a teacher. As a tribute to this great teacher, his birthday has been observed as teachers' day.

Teachers' Day is celebrated on September 5 every year in India to acknowledge the contribution of teachers in the society. The day marks the birth anniversary of India's second President and first Vice President Dr Sarvepalli Radhakrishnan. But why is Dr Radhakrishnan's birth anniversary celebrated as Teachers' Day in India? This is because after he took charge as the President of India in 1962, some students sought permission from him to celebrate his birthday. Dr Radhakrishnan, however, did not approve any fancy celebration but rather requested that the day be observed as Teachers' Day.

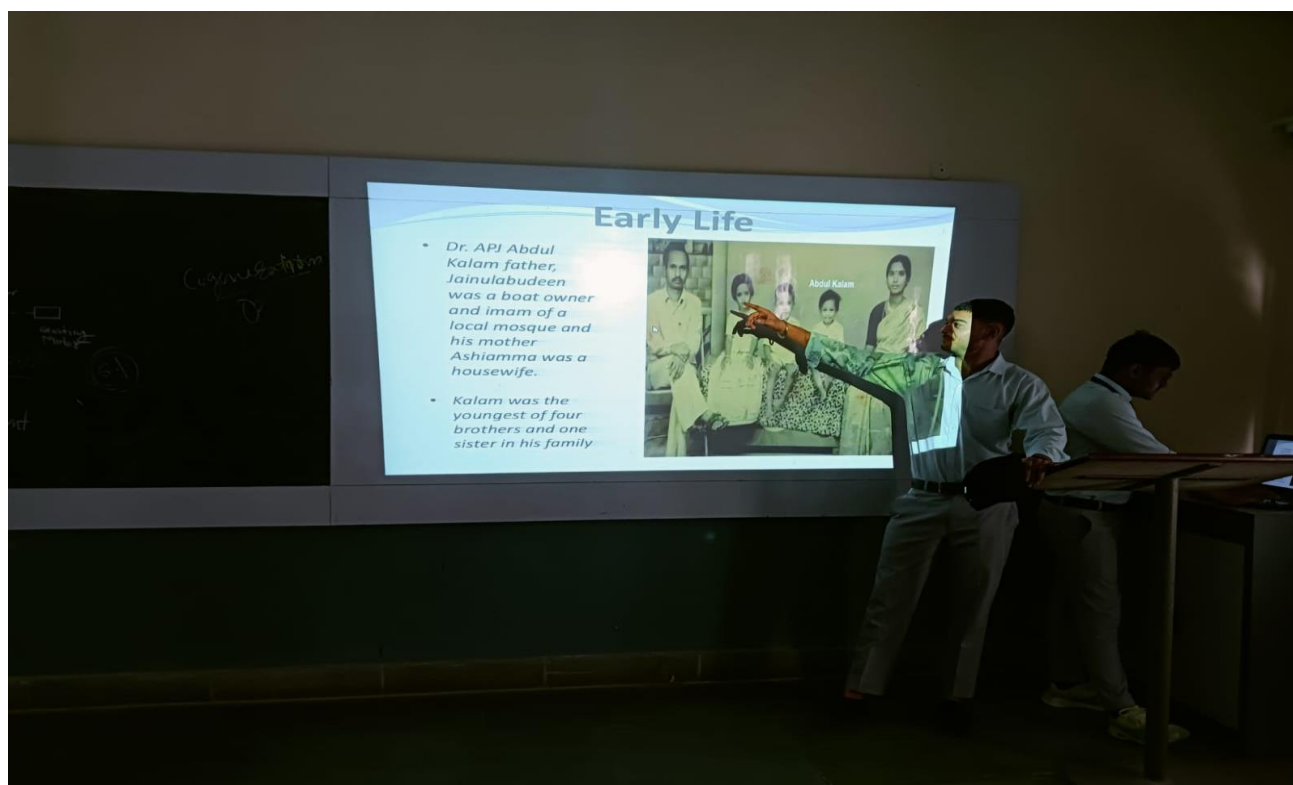

Since then, September 5 has been celebrated as Teachers' Day across the country. Various cultural programmes are organised in schools and other educational institutions to mark the day. The intent behind this celebration was to recognise the contribution of teachers in the society. Dr Radhakrishnan enjoyed immense respect among the students. He always emphasised the power of education and

encouraged students to learn and contribute to a better future. "Teachers should be the best minds in the country" is what the former President believed.

A REPORT ON TEACHER'S DAY

NAME OF ACTIVITY: "Teacher's Day Celebration" on September 5, 2017

DATE & DURATION: September 5, 2017 & 01 Hour

TYPE OF ACTIVITY: Extra-Curricular

ORGANIZED BY: Department of Computer Engineering

LEARNING OUTCOMES:

- Student will be able to find the applicability of the Teacher's Day.
- Student will be able to find the reason for celebrating the Teacher's Day.
- Student will be able to do the leadership activity.
- Student will be able to perform task in the group form.

DETAILS OF ACTIVITY:

The Teacher Day's has celebrated on 5th Sept 2017 in the CF - 04, Department of Computer Engineering. The session started by the welcoming the teacher's and introductory speech of Priyanshu Soni. Speech on Dr. Sarvepalli Radhakrishnan has given by Tanishka Singh. She enlightened the biography of the Sarvepalli. Title "Roadmap to become Pro Developer By Lovish Tater" expert talk conducted. In this session Lavish discussed about to effective resume and guidance for pro developer. Some tips was given by Dr. Kamlesh Gautam, (Co-ordinator) on how to read research paper. At last vote of thanks given by the Ritesh Upadhyay. Some photograph is attached of the activity.

S. No	Activity	Duration	Time
1.	Welcome session and Introduction about program by Priyanshu Soni	05 Minutes	10:00 -10:05 AM
2.	Speech on "Biography of Dr. Sarvepalli Radhakrishnan" by Tanishka Singh.	05 Minutes	10:05 -10:10 AM
3.	Guidance of "Roadmap to become Pro Developer by Lovish Tater".	30 Minutes	10:10 -10:40 AM
4.	Talk on "How to Read Research Paper" by Dr. Kamlesh Gautam	15 Minutes	10:40 -10:55 AM
5.	Vote of Thanks by Ritesh Upadhyay	05 Minutes	10:55 -11:00 AM

A REPORT ON EXTRA CURRICULUM ACTIVITY

NAME OF ACTIVITY: Teacher's Day

DATE & DURATION: 05-09-2022

TYPE OF ACTIVITY: Extra curriculum activity

ORGANIZED BY: Department of Mechanical Engineering

DETAILS OF ACTIVITY:

Department of Mechanical Engineering, Poornima College of Engineering, Jaipur is organizing this program with welcome address of Dr. Narayan Lal Jain, Head of Department, Mechanical Engineering on the auspicious occasion coordinated by Dr. Surendra Kumar and Mr. Kalpit Jain.

Dr. Narayan Lal Jain told the students about the teachers day that why we are celebrating the teachers day and he discuss about the contribution of Dr. Radhakrishnan as a teacher for the society.

Dr. Narayan Lal Jain include that in 1962, when Dr. Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said, "Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day". This showed his love for the teaching profession. From then onwards, this day is celebrated as Teachers' Day in India.

Dr. Surendra kumar sains include some words with Dr. Naryan Lal Jain that Radhakrishnan was awarded a knighthood in 1931, the Bharat Ratna (Highest Civillian Award of India) in 1954, and honorary membership of the British Royal Order of Merit in 1963. Radhakrishnan believed that "teachers should be the best minds in the country". Some of the students, Kumar Nandish and Yash Sharma shows the importance of teachers in their life.

At last Mr. Sanjay Kumawat conduct the online quiz on teachers day on Dr. Radhakrishnan, in this quiz 10 question were there, No negative marking was there. 18 students attempt the online quiz and 3 students name Akash Shukal secure first rank, Lakshay Khandelwal secure second rank, Dhruv Singh Rathore secure the third rank in quiz and remianing students who were participate in the quiz awarded by the certificate of appreciation.
