INTRODUCTION

In remembrance of Sir Mokshagundam Vishweshwarayya, the most Outstanding Engineer of all times, the engineering fraternity of India celebrates “Engineer’s Day “every year on 15th September to identify the great works done by our hard working engineers. Engineers in India contribute greatly to the nation’s technological and industrial growth. There really is no limit to what engineers can do.

We at POORNIMA celebrated Engineer’s Day on 15th September 2021 in honour of Dr. M Visvesvaraya, a true gem of India and to identify the great works done by our hard-working engineers each year. The main objective of the event was to encourage self-evaluation, motivation, effective communication and team building among the students.

Dr. Surendra Kumar Yadav, HOD, CSE, PCE Jaipur addressed the students and advised them to take Dr M Visvesvarayyagaru as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands. He encouraged the students to broaden their perspective and enhance their skills to be successful.

Mr. Manish Dubey sir addressed to warm and graceful meaning of that day, it’s my privilege to propose a vote of thanks speech and acknowledge the contribution of those who worked really hard to make this day celebration happen.

Biography of Dr. Mokshgundam Visveswaraya

Sir Mokshagundam Visvesvaraya KCIE FASc was a great engineer, scholar, statesman, and the divan of Mysore. Every year, on his birthday, 15 September is celebrated as Engineer’s Day in India in his memory. His life and journey as an engineer is also an inspiration to all. He was the

FEEDBACK / ATTAINMENTS:

All the students had presented their work very effectively, some of the projects are really up to the noticeable mark and can be converted to end product. Such kind of event motivates the students to learn by self-experience and do some innovative work. All the activities have been organized in very nice manner. The ideas are taking a shape in form of projects; some of the projects are very useful for the society. It is really combination of theory and practical. Students can be inspired largely by such kind of activities and need to organize every year.

A REPORT ON ENGINEER'S DAY

NAME OF ACTIVITY: Engineer's Day

DATE & DURATION: 15-09-2021

TYPE OF ACTIVITY: Extra curriculum activity

ORGANIZED BY: Department of Mechanical Engineering

DETAILS OF ACTIVITY:

The Engineering Community across India celebrates Engineers Day on 15 September every year as a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya.

Mokshagundam Visvesvaraya, born on 15 September, 1861, in Muddenahalli near Chikkaballapur. He went on to become India's most prolific civil engineer, dam builder, economist, statesman, and can be counted among the last century's foremost nation-builders.

M. Visvesvaraya was also the Diwan of Mysore from 1912 to 1918. He was the chief engineer responsible for the construction of the Krishna Raja Sagara Dam in Mysore.

Due to his outstanding contribution to the society, Government of India conferred 'Bharat Ratna' on this legend in the year 1955." He was also awarded the British knighthood by King George V, and hence has the honorific "sir". His birthday, 15 September is celebrated as the Engineers day.

INTRODUCTION:

Engineers are shaping the future by applying their skills to almost everything. They convert the theoretical knowledge of basic sciences into actual products and thus make our lives easy. Engineers possess versatile minds and help in filling the gap between science, technology and the community. Engineers in India contribute greatly to the nation’s technological and industrial growth. There really is no limit to what engineers can do.

Engineers’ Day is celebrated on September 15 every year in India commemorating the birthday of one of the greatest engineers in India and Bharat Ratna recipient, Sir Mokshagundam Visvesvarayyagaru, recognizing his contributions in harnessing water resources in India. He had successfully designed and constructed several river dams, bridges and revolutionized the irrigation system all over India.

Poornima Institute of Technology, Jaipur has celebrated Engineer’s Day on 15th Sept 2020 in honour of Dr.M. Visvesvaraya, a True Gem of India and to remember the best of Engineers we ever had. September 15 is celebrated every year in the country as “Engineers’ Day” to commemorate the birthday of the legendary engineer Sir Mokshagundam Visvesvaraya.

Dr. Mahesh Bundle Sir, Principal, PCE Jaipur addressed the students and advised them to take Dr M Visvesvarayyagaru as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands. He encouraged the students to broaden their perspective and enhance their skills to be successful.

Biography of Dr. Mokshgundam Visveswaraya

Sir Mokshagundam Visvesvaraya KCIE FASc was a great engineer, scholar, statesman, and the divan of Mysore. Every year, on his birthday, 15 September is celebrated as Engineer’s Day in India in his memory. His life and journey as an engineer is also an inspiration to all engineers. He was the engineer of modern India. He was knighted as a Knight Commander of the British Indian Empire (KCIE) by King George V for his contributions to the public good. He designed and patented an automatic floodgate with water, which was used for the first time in 1905 in the Bhakra Dam.

The Impact of Business Intelligence on decision support and organizational benefits: -

BI is a technology-driven process for analysing data and presenting useful information to help executives, managers and other end users make informed business decisions. The potential benefits of using BI tools include accelerating and improving decision-making, optimizing internal business processes, increasing operational efficiency, driving new revenues and gaining competitive advantage over business rivals. BI systems can also help companies identify market trends and spot business problems that need to be addressed. In short, BI technologies allow a business to view their operations, past, present and future.

BI technologies handle large amounts of data to help identify, develop and otherwise create new strategic business opportunities. Identifying new opportunities and implementing an effective strategy based on insights can provide businesses with competitive market advantage and long-term profitability.

Career in Business Intelligence:

1. Power BI Developer
2. Power BI Consultant
3. Tableau Developer
4. Tableau Admin
5. ETA Developer
6. Applications

Business intelligence can be applied to the following business purposes:

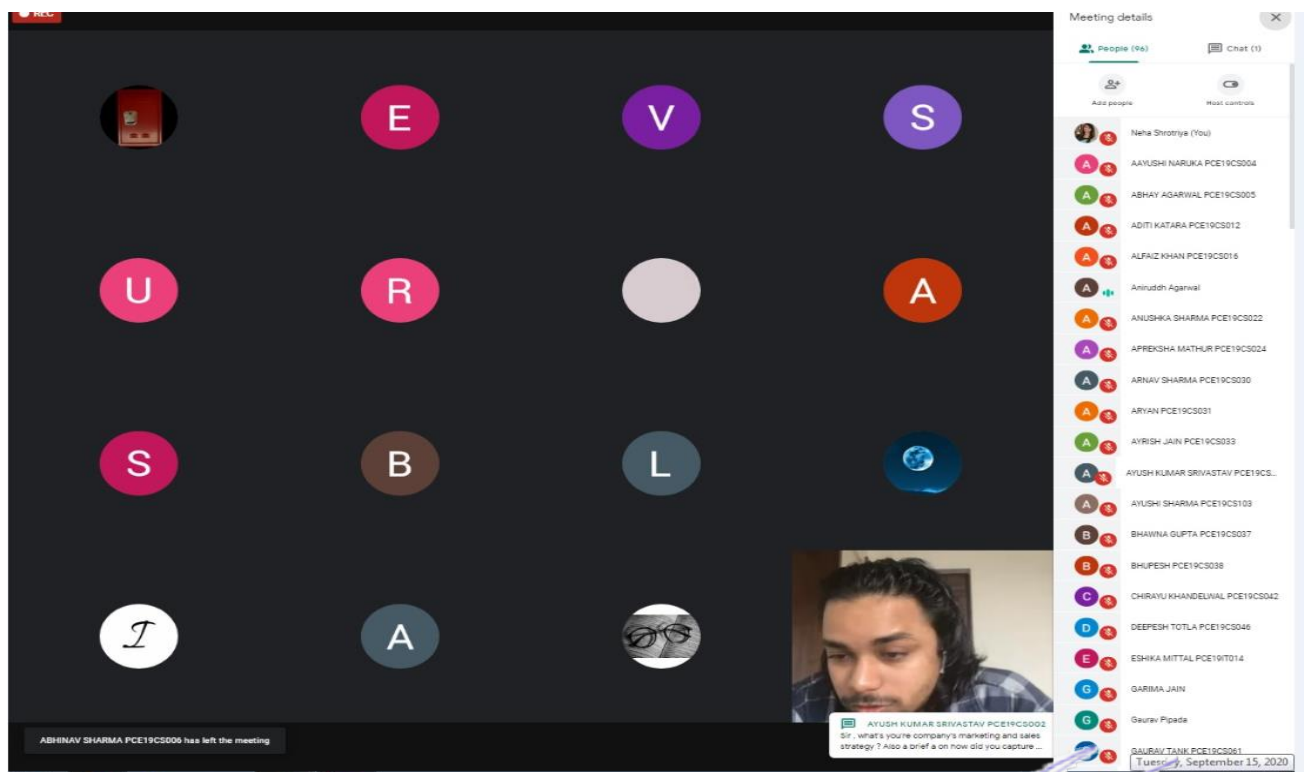

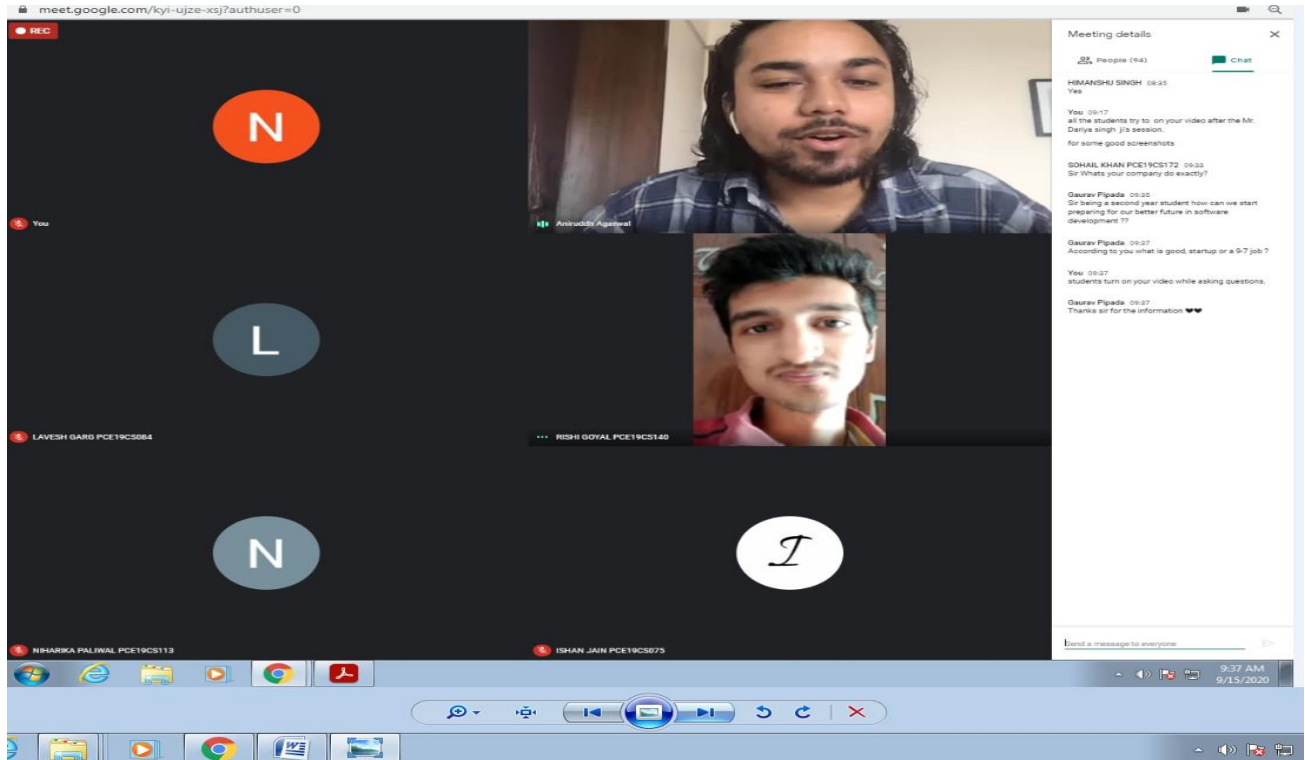

Performance metrics and benchmarking inform business leaders of progress towards business goals (business process management). Analytics quantify processes for a business to arrive at optimal decisions, and to perform business knowledge discovery.

Business reporting can use BI data to inform strategy. Business reporting may involve data visualization, executive information system, and/or OLAP. BI can facilitate decision-making both inside

Dr.Praveen Sonwane addressed the gathering and explained the relevance of celebration of Engineer's Day.

He said "The Engineering Community across India celebrates Engineers Day on 15 September every year as a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya. Mokshagundam Visvesvaraya, born on 15 September, 1861, in Muddenahalli near Chikkaballapur. He went on to become India's most prolific civil engineer, dam builder, economist, statesman, and can be counted among the last century's foremost nation-builders. M. Visvesvaraya was also the Diwan of Mysore from 1912 to 1918. He was the chief engineer responsible for the construction of the Krishna Raja Sagara Dam in Mysore as well as as the chief designer of the flood protection system for the city of Hyderabad. India conferred 'Bharat Ratna' on this legend in the year 1955." He was also awarded the British knighthood by King George V, and hence has the honorific "sir". His birthday, 15 September is celebrated as the Engineers day. He also designed and patented the automatic weir water floodgates, first installed at the Khadakwasla reservoir, Pune 1903. He transformed the Mysore state into what was then known as 'model state'"

Expert Talk by Mr.Gurkirat Singh, General Manager, R&D, NEI Ltd (previously known as NBC)

Mr. Gurkirat Singh shared his vast industrial experience as an engineer with the students. He also made everyone aware about the role of engineers in implementation of latest technologies in day to day life. He even highlighted the importance of core branch engineers in development of technology. His session was an enlightening session where in students were made aware of how to manage time while working in industry and also to inculcate ethics, morals in life to become a successful engineer.

Webinar Report

Webinar on **Engineering for Change- Industrial Revolution** is organized by the Department of Mechanical Engineering, Poornima College of Engineering, Jaipur under the aegis of Rajasthan Technical university, Kota. About **60 participants** from our college have registered for this webinar. Programme was initiated by a formal inaugural ceremony in the esteemed presence of Dr. Mahesh M. Bunde, Director, Poornima College of Engineering Jaipur, Dr. Narayan Lal Jain, HOD, Mechanical Engineering Department, Poornima College of Engineering Jaipur and other dignitaries of the institute.

The Speech was delivered by **Mr. Deepak Sharma, Technology Lead, Globant India Pvt. Ltd.** He has 10 years' experience in software industry like TCS, Infosys, Nagarro & Globant. He delivered his talk on Engineering for Change- Industrial Revolution.

About the speaker

Mr. Deepak Sharma has ten years' experience in software industry, managing all aspects of the development process for multinational companies like TCS, Infosys, Nagarro and Globant. He has experience working on web/cloud based technologies like java, spring, hibernate, sql, javascript on cloud platform and all.

INTRODUCTION:

On the occasion of Birth Anniversary of India’s most prominent engineer Dr. Mokshagundam Vishweshvaraya we celebrate Engineers day in the remembrance of their remarkable works in engineering field. Our Dept. celebrates this occasion every year with full of enthusiasm

Engineering is not merely knowing and being knowledgeable; engineering is not merely analysis; engineering is not merely the possession of the capacity to get elegant solutions to non-existent engineering problems; engineering is practicing the art of the organized forcing of technological change.

Sir Visvesvaraya, an eminent Indian engineer and statesman was born in a remote village of Karnataka, the State that is incidentally now the Hi-tech State of the country. Due to his outstanding contribution to the society, Government of India conferred “Bharat Ratna” on this legend in the year 1955. He was also called the precursor of economic planning in India. His learned discourse on economic planning in India, Planned Economy for India and Reconstructing India, was the first available document on the planning effort of the country and it is still held as the parent source matter for economic planners.

Dr. Mahesh Bundle Sir, Principal, PCE Jaipur addressed the students and advised them to take Dr M Visvesvarayyagaru as their role model, be confident in their mission and sharpen their skills to meet

the global industrial demands. He encouraged the students to broaden their perspective and enhance their skills to be successful.

Biography of Dr. Mokshgundam Visveswaraya

Sir Mokshagundam Visveswaraya KCIE FASc was a great engineer, scholar, statesman, and the divan of Mysore. Every year, on his birthday, 15 September is celebrated as Engineer's Day in India in his memory. His life and journey as an engineer is also an inspiration to all engineers. He was the engineer of modern India. He was knighted as a Knight Commander of the British Indian Empire (KCIE) by King George V for his contributions to the public good.

He designed and patented an automatic floodgate with water, which was used for the first time in 1903 in the Khadakwasla reservoir of Pune. In 1932, Krishna Raja played the role of Chief Engineer in the construction project of Sagar Dam. He was awarded the Bharat Ratna in 1955.

FEEDBACK/ATTAINMENTS: Oral Feedback

Oral feedback and views shared by the students revealed that the sessions have successfully fulfilled the objectives of the activity set forth.

All the students learned a lot in a comfortable environment. The style and the knowledge of the expert were totally amazing. He was very positive, very inspirational and motivational speaker. Content was relevant and well presented. All the students in their oral feedback gave him the positive remarks in all respects and shown their satisfaction over all the arrangements and the time management.

A REPORT ON Engineer's Day

NAME OF ACTIVITY: ENGINEER'S DAY

DATE & DURATION: 14th September 2019, 12:00 Noon

TYPE OF ACTIVITY: Extracurricular Activities

ORGANIZED BY: Department of Electronics and Communication Engineering

LEARNING OUTCOMES:

- Students were able to show their project at higher level and the process boosted their confidence.
- To promote the students to represent their research work in a concise and visually engaging format.
- Innovative projects developed in the Final Year either as Industry Defined Problem or User Defined Problem that provide an opportunity for the students to demonstrate their learning experience.

MAPPING WITH PO AND PSO:

CO	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO11	PO12	PSO1	PSO2	PSO3

DETAILS OF ACTIVITY:

The Electronics & Communication Department of Poornima College Of Engineering had organized College Project Competition on Engineers Day. The event was coordinated by Mr. Rajveer Marwal & Mr. Gaurav Saxena, Asst. Prof. ECE, PCE. The competition was held to discuss the importance of project & practical implementations of innovative ideas in Electronics & Communication. The program judges are Dr. Vijay Kumar, MNIT, Jaipur & Dr Shahbaz Ah. Siddiqui Manipal University Jaipur. They carefully monitored the projects & gave their valuable suggestions for improvement to the students. The program was graced by the auspicious presence of Mr. Pushpendra Indolia, State Product Manager-CV Passenger- Rajasthan at Tata Motors Limited who was the Chief Guest & Dr. Ghanshyam Singh, Associate Professor - ECE, MNIT Jaipur, Honor. Chairman, IETE Jaipur Chapter, as Guest of Honor.

FEEDBACK / ATTAINMENTS:

All the students had presented their work very effectively, some of the projects are really up to the noticeable mark and can be converted to end product. Such kind of event motivates the students to learn by self-experience and do some innovative work. All the activities have been organized in very nice manner. The ideas are taking a shape in form of projects; some of the projects are very useful for the society. It is really combination of theory and practical. Students can be inspired largely by such kind of activities and need to organize every year.

A REPORT ON EXTRA CURRICULUM ACTIVITY

NAME OF ACTIVITY: Engineer's Day

DATE & DURATION: 14-09-2019

TYPE OF ACTIVITY: Extra curriculum activity

ORGANIZED BY: Department of Mechanical Engineering

DETAILS OF ACTIVITY:

The Engineering Community across India celebrates Engineers Day on 15 September every year as a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya.

Mokshagundam Visvesvaraya, born on 15 September, 1861, in Muddenahalli near Chikkaballapur. He went on to become India's most prolific civil engineer, dam builder, economist, statesman, and can be counted among the last century's foremost nation-builders.

M. Visvesvaraya was also the Diwan of Mysore from 1912 to 1918. He was the chief engineer responsible for the construction of the Krishna Raja Sagara Dam in Mysore.

Due to his outstanding contribution to the society, Government of India conferred 'Bharat Ratna' on this legend in the year 1955." He was also awarded the British knighthood by King George V, and hence has the honorific "sir". His birthday, 15 September is celebrated as the Engineers day.

He also designed and patented the automatic weir water floodgates, first installed at the Khadakwasla reservoir, Pune 1903. He transformed the Mysore state into what was then known as 'model state'

Department of Mechanical Engineering, **Poornima College of Engineering, Jaipur and ASHRAE Jaipur Section** celebrated the Engineers Day on Saturday i.e. September 14, 2019. It was attended by students and faculty members of PCE.

On this occasion, Mr Shailendra Kasera, Asst Prof, Dept of Mech Engg & Student Branch Advisor, ASHRAE Poornima Chapter addressed the gathering. He told the importance of Engineers day. Every year, it is celebrated on 15 September as a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya.

Further, he delivered the technical talk on Basics of HVAC system. He explained the working of Refrigerator, and different types of air conditioning system i.e Window, Split, Chillers and Packaged. It is followed by Q&A session and vote of thanks.

INTRODUCTION:

Engineers Day is being celebrated across the country on 15th September. The date of birth of Dr. Mokshagundam Visvesvaraya, popularly known as the Civil Engineer of India, was announced by the Government of India in the year 1868 to celebrate 15 September (year 1860) as Engineer's Day..

Engineers’ Day is celebrated on September 15th every year in India commemorating the birthday of one of the greatest engineers in India and Bharat Ratna recipient, Sir Mokshagundam Visvesvarayyagaru, recognizing his contributions in harnessing water resources in India. He had successfully designed and constructed several river dams, bridges and revolutionized the irrigation system all over India.

The Poornima College of engineering celebrated Engineer’s Day on 15-09-2018 organized by department of computer science and engineering. The Engineering Community across India is celebrating Engineers Day on 15 September every year as a remarkable tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya (popularly known as Sir MV). He is held in high regard as a pre-eminent engineer of India. "Role of Engineers in developing India" was the theme of the event

Dr. O.P. Sharma Sir, Principal, PCE Jaipur addressed the students and advised them to take Dr M Visvesvarayyagaru as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands. He encouraged the students to broaden their perspective and enhance their skills to be successful.

Biography of Dr. Mokshgundam Visveswaraya

Dr. M Visvesvaraya was born on 15 September 1860 in Kolar district of Mysore. His father Srinivasa Shastri was a Sanskrit scholar and Ayurveda physician. Visvesvaraya's mother's name was Venkachamma. Born in an ordinary family, M Visvesvaraya, his father passed away when he was just

FEEDBACK/ATTAINMENTS: Oral Feedback

Oral feedback and views shared by the students revealed that the sessions have successfully fulfilled the objectives of the activity set forth.

All the students learned a lot in a comfortable environment. The style and the knowledge of the expert were totally amazing. He was very positive, very inspirational and motivational speaker. Content was relevant and well presented. All the students in their oral feedback gave him the positive remarks in all respects and shown their satisfaction over all the arrangements and the time management. They learn about honesty, confidence, efforts and leadership skills for the emerging to raise their career.

A REPORT ON ENGINEER'S DAY

NAME OF ACTIVITY: Engineer's Day

DATE & DURATION: 15-09-2018

TYPE OF ACTIVITY: Extra curriculum activity

ORGANIZED BY: Department of Mechanical Engineering

DETAILS OF ACTIVITY:

The Engineering Community across India celebrates Engineers Day on 15 September every year as a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya.

Mokshagundam Visvesvaraya, born on 15 September, 1861, in Muddenahalli near Chikkaballapur. He went on to become India's most prolific civil engineer, dam builder, economist, statesman, and can be counted among the last century's foremost nation-builders.

M. Visvesvaraya was also the Diwan of Mysore from 1912 to 1918. He was the chief engineer responsible for the construction of the Krishna Raja Sagara Dam in Mysore.

Due to his outstanding contribution to the society, Government of India conferred 'Bharat Ratna' on this legend in the year 1955." He was also awarded the British knighthood by King George V, and hence has the honorific "sir". His birthday, 15 September is celebrated as the Engineers day.

He also designed and patented the automatic weir water floodgates, first installed at the Khadakwasla reservoir, Pune 1903. He transformed the Mysore state into what was then known as 'model state'

Department of Mechanical Engineering, Poornima College of Engineering, Jaipur and ASHRAE Jaipur Section celebrated the Engineers Day on Saturday i.e. September 15, 2018. It was attended by students and faculty members of PCE.

On this occasion, Mr Shailendra Kasera, Asst Prof, Dept of Mech Engg & Student Branch Advisor, ASHRAE Poornima Chapter addressed the gathering. He told the importance of Engineers day. Every year, it is celebrated on 15 September as a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya.

Further, he delivered the technical talk on Basics of Green building system. He explained the working of Refrigerator, and different types of air conditioning system i.e Window, Split, Chillers and Packaged. It is followed by Q&A session and vote of thanks.

Engineers' day is celebrated for the great works of Sir Mokshagundam Visvesvaraya towards the development of various places which are the most developed cities of today's India. Sir Mokshagundam Visvesvaraya is an international hero, recognized for his mastermind in harnessing water resources; he had successfully designed and constructed several river dams, bridges and revolutionized the irrigation system in India by implementing irrigation and drinking water system all over India.

Engineers are shaping the future by applying their skills to almost everything. They convert the theoretical knowledge of basic sciences into actual products and thus make our lives easy. Engineers possess versatile minds and help in filling the gap between science, technology and the community. Engineers in India contribute greatly to the nation's technological and industrial growth. There really is no limit to what engineers can do.

Engineers’ Day is celebrated on September 15 every year in India commemorating the birthday of one of the greatest engineers in India and Bharat Ratna recipient, Sir Mokshagundam Visvesvarayyagaru, recognizing his contributions in harnessing water resources in India. He had successfully designed and constructed several river dams, bridges and revolutionized the irrigation system all over India.

We at POORNIMA celebrated Engineer’s Day on 15th September 2017 in honour of Dr. M Visvesvaraya, a true gem of India and to identify the great works done by our hard-working engineers each year. The main objective of the event was to encourage self-evaluation, motivation, effective communication and team building among the students.

Dr.O.P. Sharma Sir, Principal, PCE Jaipur addressed the students and advised them to take Dr M Visvesvarayyagaru as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands. He encouraged the students to broaden their perspective and enhance their skills to be successful.

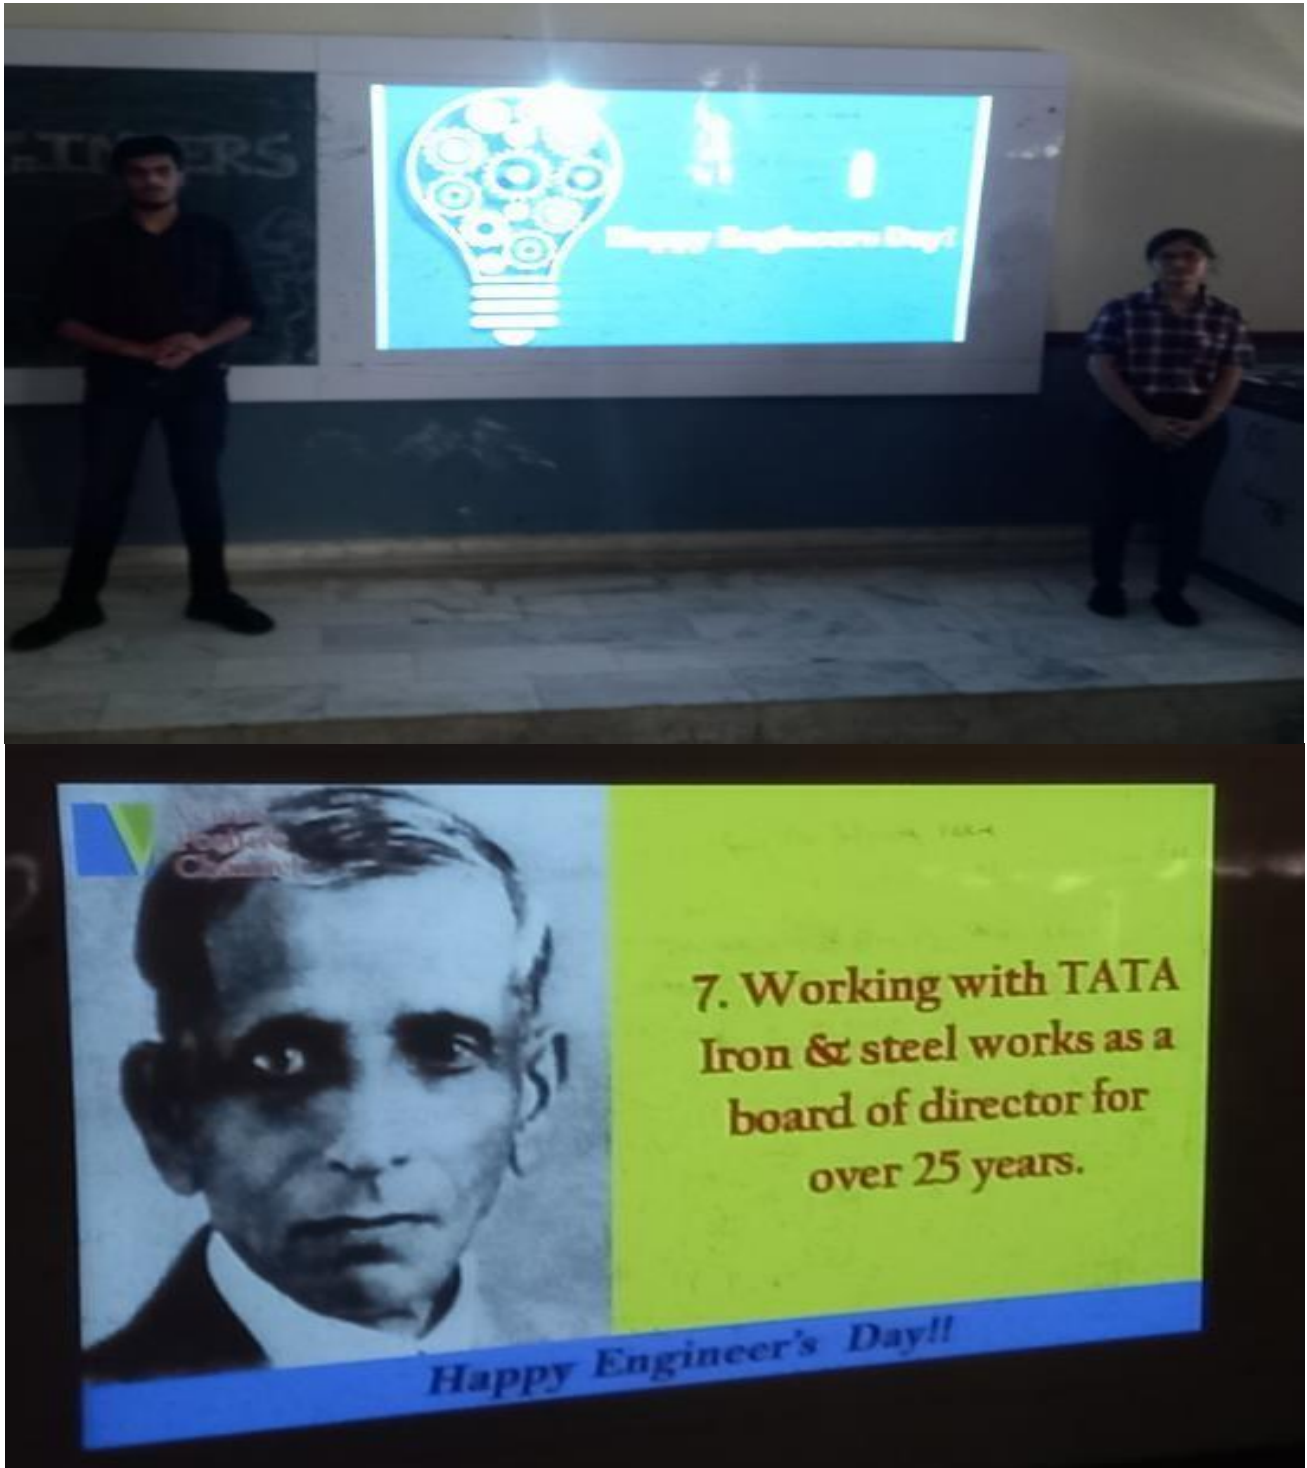

Biography of Dr. Mokshgundam Visveswaraya

Sir Mokshagundam Visvesvaraya KCIE FASc was a great engineer, scholar, statesman, and the divan of Mysore. Every year, on his birthday, 15 September is celebrated as Engineer’s Day in India in his memory. His life and journey as an engineer are also an inspiration to all engineers. He was the engineer of modern India. He was knighted as a Knight Commander of the British Indian Empire (KCIE) by King George V for his contributions to the public good. He designed and patented an automatic floodgate with water, which was used for the first time in 1903 in the Khadakwasla

FEEDBACK/ATTAINMENTS: Oral Feedback

Oral feedback and views shared by the students revealed that the sessions have successfully fulfilled the objectives of the activity set forth.

On Engineer's Day, special conferences/seminars/competitions can be conducted to highlight the importance of engineers in society. Exciting competitions regarding engineer-based problems and finding their solutions can also be conducted. All the students learned a lot in a comfortable environment. The style and the knowledge of the expert were totally amazing. He was very positive, very inspirational and motivational speaker. Content was relevant and well presented.

A REPORT ON ENGINEER'S DAY

NAME OF ACTIVITY: Engineer's Day

DATE & DURATION: 15-09-2017

TYPE OF ACTIVITY: Extra curriculum activity

ORGANIZED BY: Department of Mechanical Engineering

DETAILS OF ACTIVITY:

The Engineering Community across India celebrates Engineers Day on 15 September every year as a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya.

Mokshagundam Visvesvaraya, born on 15 September, 1861, in Muddenahalli near Chikkaballapur. He went on to become India's most prolific civil engineer, dam builder, economist, statesman, and can be counted among the last century's foremost nation-builders.

M. Visvesvaraya was also the Diwan of Mysore from 1912 to 1918. He was the chief engineer responsible for the construction of the Krishna Raja Sagara Dam in Mysore.

Due to his outstanding contribution to the society, Government of India conferred 'Bharat Ratna' on this legend in the year 1955." He was also awarded the British knighthood by King George V, and hence has the honorific "sir". His birthday, 15 September is celebrated as the Engineers day.

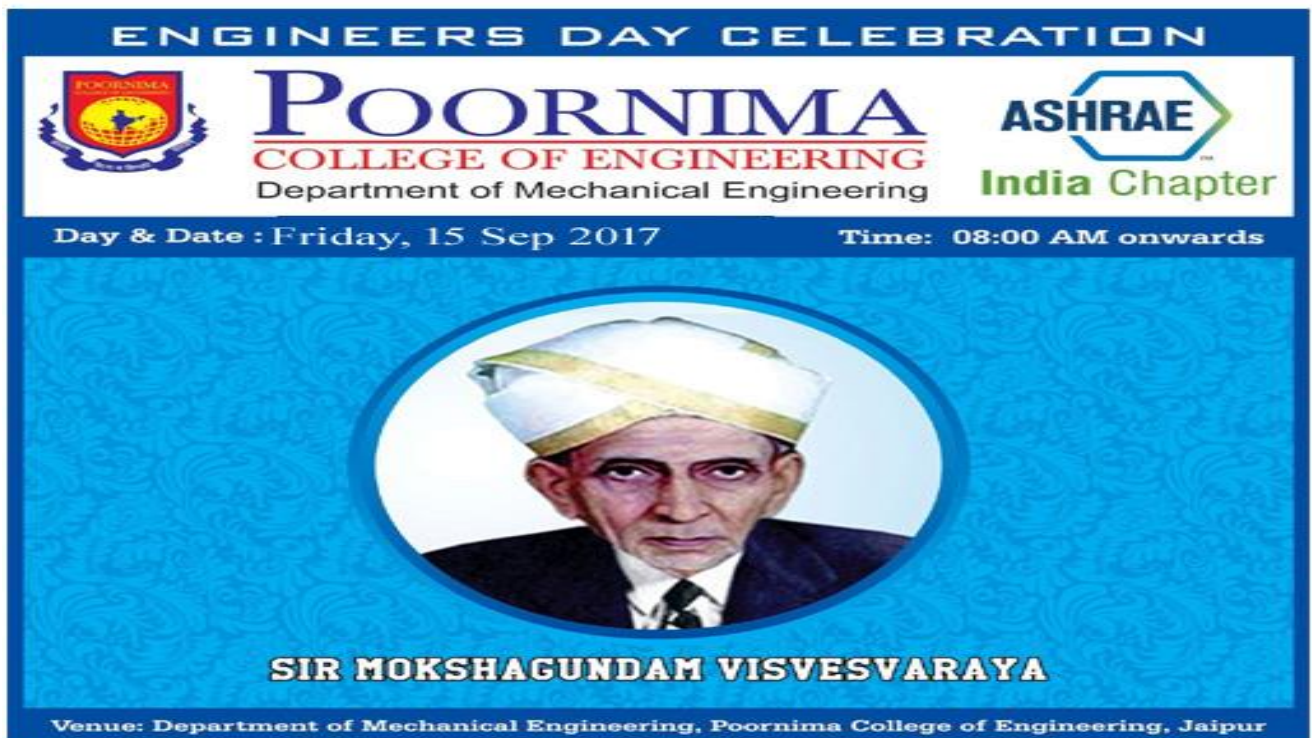

He also designed and patented the automatic weir water floodgates, first installed at the Khadakwasla reservoir, Pune 1903. He transformed the Mysore state into what was then known as 'model state'

Department of Mechanical Engineering, Poornima College of Engineering, Jaipur and ASHRAE Jaipur Section celebrated the Engineers Day on Saturday i.e. September 15, 2017.

On this occasion, Mr Shailendra Kasera, Asst Prof, Dept of Mech Engg & Student Branch Advisor, ASHRAE Poornima Chapter addressed the gathering. He told the importance of Engineers day. Every year, it is celebrated on 15 September as a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya.

Further, he delivered the technical talk on Basics of Green building system. He explained the working of Refrigerator, and different types of air conditioning system i.e Window, Split, Chillers and Packaged. It is followed by Q&A session and vote of thanks
