DETAILS OF ACTIVITY: Every year, Hindi Divas is celebrated on 14 September. The main idea behind this, is to propagate the Hindi language and its cultural heritage as well as values. On Hindi Diwas, the President of India presents the Rajbhasha awards to people for their contribution towards the language at a ceremony in Delhi.

Hindi is an Indo-Aryan language, written in the Devanagari script as one of the official languages of India. Hindi is one of the two official languages of the Union government — the other being English. It is one of the 22 scheduled languages of the Republic of India. Hindi Diwas is dedicated to promote and propagate the official language. Also, this day is celebrated; as a patriotic reminder to Indian populations of their common roots and unity.

On September 14, 1949, the Constituent Assembly of India adopted Hindi as the official language of the newly formed nation. The decision was then accepted and it became a part of the Indian constitution on January 26, 1950. The first Hindi Diwas was celebrated in 1953.

BRIEF REPORT OF PROGRAM:

Hindi got an exalted status in India on September 14, 1949, when it was adopted as the official language of the country. Since then September 14th is celebrated as Hindi Diwas to pay tribute to the official language of India. Today, Hindi enjoys the status of Rashtra Bhasha. In today's highly commercialized environment, where people are forgetting their roots, Hindi Diwas plays a significant role. The celebration of Hindi Diwas

stands as a patriotic reminder to Indian population of their common roots and unity.

Department of Mechanical Engineering, Poornima College of Engineering, Jaipur virtually celebrated Hindi Diwas on Sep 14, 2021 with full enthusiasm. **Dr. Mahesh M. Bundele, Director, PCE; Mr. Pankaj Dhemla, Vice Principal, PCE, Dr. Narayan Lal Jain HOD ME, PCE; Mr. Sanjay Kumawat, Dy. HOD (Admin), ME, Mr. Ashwani Kapoor, Dy. HOD (Academic), ME** along with the faculty members of mechanical department, PCE were present in the event.

Various events were held to commemorate the anniversary, including a lecture by **Mannat Bakshi, a third-year student**, in his virtual class regarding the poor state of Hindi language usage in our country. He emphasized that someone who speaks the real Hindi language is not someone who has been left behind in society, but rather someone who, deep down inside, is pursuing the uniqueness of this lovely language. He reminded us of a few intriguing facts about the Hindi language throughout his address.

In his address to the audience (in Hindi), **Dr. Mahesh M. Bundele**, Director, PCE, underlined the importance of the Hindi language. He also emphasized the importance of language in bridging the divide between Indian citizens. He informed the kids that many terms in other languages are derived from this rich language. He also stated that Hindi is one of the world's oldest and most influential languages, and that we should be proud to speak it. He exhorted the young of India to come forward and join hands in promoting Hindi and to stay linked for the language's advancement in the closing lines of his speech.

Dr. Raj Kumar Satankar, Associate Professor, ME presented the Vote of Thanks. More than 70 Students from Mechanical Engineering Department attended this session with 17 Faculty Members.
