Feedback on Department Day Celebration on 25th September, 2017 for improvement in future activities

1. First Year and Second Year students could not take part in activities whole heartedly because of First Midterm Exams (18th to 23rd Sept. 2017).
2. Technical events should be blended with some or small quantity of cultural events so that things should not get monotonous.
3. We could only organize a project exhibition of Non Syllabus Projects because Final Year students were busy in their placement classes (CSAC training) on 25th September, 2017.
4. The involvement of the final year was very less because of pressure of coming up placement drives and CSAC training on 25th September, 2017.
5. Rehearsal is a very important factor in order to improve the performance in anchoring, prize distribution, backstage handling etc.
6. In some of the presentations by students the visibility of information (aesthetics) on the slides was not very good. This may be improved with little practice and cross verification.
7. To cover all the activities and happenings of a complete ongoing session, the department days may be planned at the end of Even Semesters.
8. Similar activity may be organized at periodic intervals of 3-4 months.
9. College level Tech Fests should be organized to provide a platform to compete with other college students.

DETAILS OF ACTIVITY:

The Department of Electronics & Communication Engineering celebrated the Department Day on 28th September 2017 to showcase the various talents of the students which includes skill enhancement, technical and non-technical activities as well as extracurricular activities. The various events conducted during the full span of hectic schedule include: Debate Competition, Documentary, MIME, Documentary on Start-up by Students, Project Presentation, Practical Training Presentation, Project Exhibition, Poster Exhibition, Presentation on Innovative Idea (Technovation Club), Group Song, Group Dance & Skit-O-Mania.

The event was witnessed by distinguished dignitaries: Mr. Shashikant Singhi, Chairman, Poornima Foundation, Chief Guest: Mr. S. Rajesh, CEO, Reliance Jio, Rajasthan, Dr. Om Prakash Sharma, Director, PCE, Ms. Renu Singhi, Advisor, Poornima Alumni Association, PF, Mr. Rahul Singhi, Director, Poornima Foundation, Dr. Garima Mathur, HOD, ECE, all Faculties and students, ECE Dept. PCE.

The Chief Guest of the program was Mr. S. Rajesh, CEO, Reliance Jio, Rajasthan, who encouraged the students with the motivating words and the significance of digitalization to think digital. He demonstrated the global snapshot of digitalization. He laid emphasize on how the traditional people are fought for land, oil & gold, but nowadays most of the data is available online i.e. Big Data. In present time, Voice, Data & IOT are the major concerns for the people. Most of the Big Data & IOT are making high profit to the companies like Google, Amazon, Facebook & Netflix. He has also shown the Digital companies are leading over the previously owned by oil company, General Electric etc. He mentioned the expansion of the current Reliance Jio network as the Internet has reached each & every citizen of India. The Jio Revolution has changed the access of the internet everywhere from each corner of the country. He mentioned the internet user is number 1 in India globally nowadays due to Jio. The Internet is the need of the hour for everyone, maybe mobile, Smartphone, AI, big data. There is digital storage like cloud which makes the replacement of external hard disks to carry data. At the end of his talk, he answered and inspired some of the questions raised by the audience. He shared the vision of Reliance Chairman; the Reliance Jio is capable of reaching all corners of the country.

Mr. Shashikant Singhi, Chairman, Poornima Foundation has graced the event and encouraged the students to participate with full-heartedness. Dr. Om Prakash Sharma, Director, PCE had supported and motivated the students in all the planning & execution of the event with his expertise. Winners of the various competitions were awarded in the event. Dr. Garima Mathur, HOD, ECE along with her team was the key driving force in organizing and making this event successful.
