## A REPORT ON "AADHAR 2021-22"

- **NAME OF ACTIVITY:** AADHAR 2021-22

- **DATE & DURATION:** 15th Feb, 2022

- **TYPE OF ACTIVITY:** Technical Project Competition cum Exhibition

- **ORGANIZED BY:** Department of I Year & Zircon Club (Poornima College of Engineering)

- **LEARNING OUTCOMES:**
  1. Students get the practical and application based knowledge of things of day-to-day life
  2. Students get to know the meaning of the word team work and how to make their vision complete.
  3. It provides platform with plenty of opportunities to showcase the hidden and technical abilities of students.
  4. Students get to know the issues and problems prevailed in the society and their possible solutions through technology and innovation.

- ◆ **DETAILS OF ACTIVITY:**

## About the Event

AADHAR- a technical fest is organized every year by the Department of First Year. The event takes form of Project Competition and Exhibition and provides a platform to the students of first year to explore and cherish their technical skills as well as interpersonal skills like communication, time management, team work, problem solving etc. The students from various branches come under one roof and work together to accomplish interdisciplinary projects, and models.

## Description of the Event

Poornima College of Engineering, Jaipur organized "AADHAR-X" – A Project Competition cum Exhibition on 15 February, 2022. It was organized in association with ASHRAE Rajasthan Chapter, ISTE and Zircon Club. To provide strong foundation to the students for technological developments and to keep them abreast of modernization and technological changes, this event came up with its 10th version this year. The aim of this event is to share innovative ideas, precious knowledge and unique experiences and further active development in multi-disciplinary project areas for the benefit of students. This event also harnesses team-building, communication, interdisciplinary learning, and competitiveness, presentation, and leadership skills. This year about 160 projects were presented under hardware and software category respectively. Students made hardware projects on Robo War, Robo Soccer, Circuitory, Machinomania, Line Follower, Spud Gun, Robo Race etc. whereas software projects on Information Management System, Gaming & Web Designing and many AI based Productive softwares were exhibited in the exhibition.

This year Dr. Balbir Singh Bisht, Regional Director, WR & Scientific officer-H, Atomic Minerals Directorate for Exploration and Research, Department of Atomic Energy graced the occasion as chief guest. Ar. Rahul Singhi, Director (Poornima Group), Dr. Mahesh Bundele, (Principal & Director, Poornima College of Engineering), Mr. Pankaj Dhemla (Vice Principal, Poornima College of Engineering), Dr. Rekha Nair (Dean, I Yr, Poornima College of Engineering) and Mr. Shailendra Kasera (HoD, I Year, Poornima College of Engineering) also boost the energy of the participants through their presence. In his address to the students the chief guest motivated the students and emphasized the need of research in current thrust areas of various disciplines of engineering. Ar. Rahul Singhi, Director (Poornima Group) in his address highlighted the need of hands-on practice

in the field of science & technology and praised these kinds of events in providing platform to the budding engineers for innovation. Dr. Mahesh Bundele, (Principal & Director, Poornima College of Engineering) wished the participants for their efforts and added the need to become tech-savvy as it is the need of the hour. The souvenir of AADHAR- X was released on the occasion and the students who have significantly contributed were felicitated. Some external evaluators were also invited for the competition and cash prize of INR 25,000 were awarded to the winners. At the end, vote of thanks was proposed by Mr. Bhagirath Singh Chouhan, Event Coordinator AADHAR 2022.

## A REPORT ON "AADHAR 2020-21"

♦ **NAME OF ACTIVITY:** AADHAR 2020-21

♦ **DATE & DURATION:** 14th Feb, 2021

♦ **TYPE OF ACTIVITY:** Technical Project Competition cum Exhibition

♦ **ORGANIZED BY:** Department of I Year & Zircon Club (Poornima College of Engineering)

Dr. Mahesh Bundele

♦ **LEARNING OUTCOMES:**

1. Students get the practical and application based knowledge of things of day-to-day life
2. Students get to know the meaning of the word team work and how to make their vision complete.
3. It provides platform with plenty of opportunities to showcase the hidden and technical abilities of students.
4. Students get to know the issues and problems prevailed in the society and their possible solutions through technology and innovation.

- **DETAILS OF ACTIVITY:**

- ## About the Event

- AADHAR- the Annual Tech-fest is organized every year by the Department of First Year. The event in the mode of Project Competition and Exhibition provides a platform to the students of first year to explore and exhibit their technical skills. This competition also signifies the glory of Zircon Club which started in year 2007 by the students of Poornima to develop team work and harmony with the students of First Year to showcase their talent. It focuses on technical skill development of students, inculcating the practical knowledge of science and technology. It also helps them in honing their interpersonal skills, creativity, communication skills, time management, team work, problem solving etc. The students from various branches come under one roof and work together to accomplish interdisciplinary projects, and models.
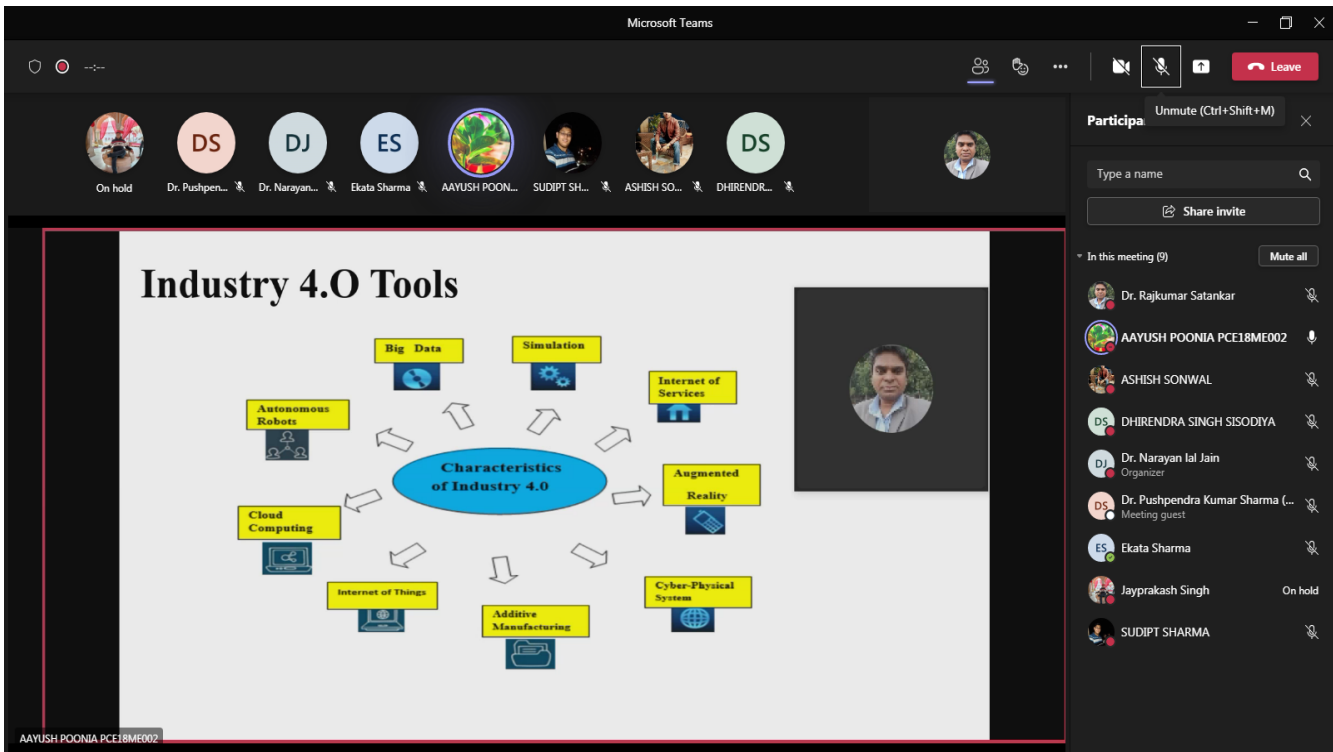

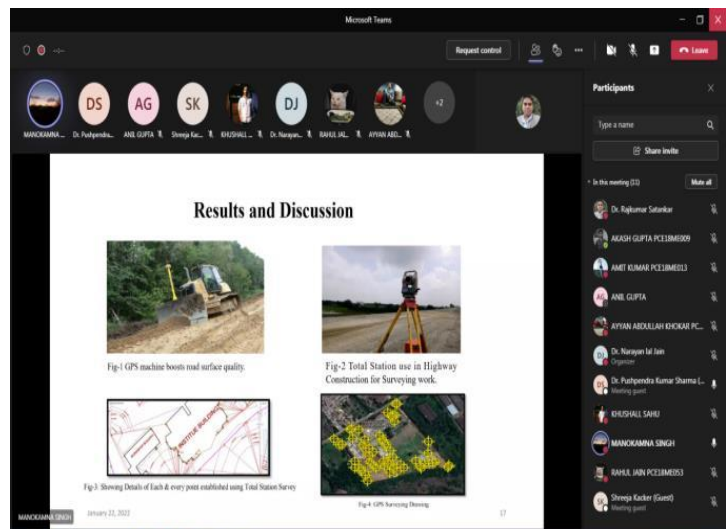

- **Description of the Event**

- AADHAR 2K20 –Project Competition cum Exhibition was organized by the Department of I Year, Poornima College of Engineering on Monday, 14th February, 2021. This year it took online mode for execution. The initiation was taken by Zircon Club to take out the creativity and innovation of budding technocrats. The students showcased their talent with an extraordinary enthusiasm. It was completely a student driven activity. Total number of student participation was 341 which were selected among 410 applicants.

- The online Inaugural ceremony of Aadhar-2K20 was organized at MS Teams platform. Ar. Rahul Singhi, Director, Poornima Group was the chief guest of the event. The occasion was also graced by, Sh. M K M Shah, Director (Admin. & Fin.), Dr. Mahesh Bundele (Director and Principal), Sh. Pankaj Dhemla (Vice Principal) and Dr. Rekha Nair (Dean, I Year). The chief guest motivated the students for their search towards Technology & Innovation. Dr. Mahesh Bundele, Director and Principal, Poornima College of Engineering) tended to the inspiration with the end goal to accentuation on they should be redesigned. Sh. MKM Shah, Director (Admin & Finance) communicated his perspectives on significance of order and discipline in the everyday life. After the Inaugural Ceremony the activities with different innovations like High Anchored Home, Propelled Engine Bicycles, Automated Arm and Keen Stopping were illustrated. The purpose of fascination of the occasion was "**Junkyard**" which depended on the methodology of best out of waste. One of the innovations was "smart blind stick" which was designed especially for people

## A REPORT ON "AADHAR 2019-20"

♦ **NAME OF ACTIVITY:** AADHAR 2019-20

♦ **DATE & DURATION:** 14th OCT, 2019

♦ **TYPE OF ACTIVITY:** Technical Project Competition cum Exhibition

♦ **ORGANIZED BY:** Department of I Year & Zircon Club (Poornima College of Engineering)

Dr. Mahesh Bundele
B.E., M.E., Ph.D.
Director
Poornima College of Engineering
ISI-6, RIICO Institutional Area
Sitapura, JAIPUR

♦ **LEARNING OUTCOMES:**

1. Students get the practical and application based knowledge of things of day-to-day life
2. Students get to know the meaning of the word team work and how to make their vision complete.
3. It provides platform with plenty of opportunities to showcase the hidden and technical abilities of students.
4. Students get to know the issues and problems prevailed in the society and their possible solutions through technology and innovation.

♦ **DETAILS OF ACTIVITY:**

**About the Event**

AADHAR- the Annual Tech-fest is organized every year by the Department of First Year. The event in the mode of Project Competition and Exhibition provides a platform to the students of first year to explore and exhibit their technical skills. It also helps them in honing their interpersonal skills, creativity, communication skills, time management, team work, problem solving etc. The students from various branches come under one roof and work together to accomplish interdisciplinary projects, and models.

**Description of the Event**

Aadhar 2019- Project Exhibition and Competition, The Annual Tech Fest of Poornima College of Engineering was organized at PCE on October 14, 2019. The initiation was taken by Zircon Club to take out the creativity and innovation of budding technocrats. The students showcased their talent with an extraordinary enthusiasm. It was completely a student driven activity. Total number of student participation was 503 which were selected among 542 applicants.

Dr. Arun Kumar Sharma, Ex-Scientist 'G', CEERI, Pilani was the chief guest of the event. The occasion was also graced by Ar. Rahul Singhi, Director, Poornima Group, Sh. M K M Shah, Director (Admin. & Fin.), Dr. Mahesh Bundele (Director and Principal), Sh. Pankaj Dhemla (Vice Principal) and Dr. Rekha Nair (Dean, I Year). Dr. Arun Kumar Sharma motivated the students for their search towards Technology & Innovation. Dr. Mahesh Bundele, Director and Principal, Poornima College of Engineering) tended to the inspiration with the end goal to accentuation on they should be redesigned. Sh. MKM Shah, Director (Admin & Finance) communicated his perspectives on significance of order and discipline in the everyday life. After the Inaugural Ceremony the activities with different innovations like High Anchored Home, Propelled Engine Bicycles, Automated Arm and Keen Stopping were illustrated. The purpose of fascination of the occasion was "**Junkyard**" which depended on the methodology of best out of waste.  One of the innovations was "smart blind stick" which was designed especially for people who are blind. Other events included Robo-war, Robo-race, Machine-o-Mania, Line follower, Ball gripper, Robo soccer and circuitry. At the end, the winners were awarded.

♦ **LEARNING OUTCOMES:**

1. Students get the practical and application based knowledge of things of day-to-day life
2. Students get to know the meaning of the word team work and how to make their vision complete.
3. It provides platform with plenty of opportunities to showcase the hidden and technical abilities of students.
4. Students get to know the issues and problems prevailed in the society and their possible solutions through technology and innovation.

♦ **DETAILS OF ACTIVITY:**

**About the Event:**

AADHAR- the Annual Tech-fest is organized every year by the Department of First Year. The event in the mode of Project Competition and Exhibition provides a platform to the students of first year to explore and exhibit their technical skills. It also helps them in honing their interpersonal skills, creativity, communication skills, time management, team work, problem solving etc. The students from various branches come under one roof and work together to accomplish interdisciplinary projects, and models.

## Description of the Event

The Annual Tech Fest: Project Exhibition and Competition under the banner of Aadhar 2018 was organized at PCE on Monday, October 22, 2018. The event was conducted under the cognizance of a perfectly functional club "Zircon" of Poornima College of Engineering. The division of first year took an interest with an extraordinary enthusiasm and the result was 136 projects (equipment and programming) under 10 diverse categories. The occasion was graced by Sh. M K M Shah, Director (Admin. & Fin.), Dr. Mahesh Bundele (Director and Principal), Sh. Pankaj Dhemla (Vice Principal), Dr. Rekha Nair (Dean, I Year) along with the charismatic Mr. Ajay Gupta, Director Embuilt Technologies as boss visitor. On this event, one of the individuals from the Judges Board Dr. Shanky Saxena, Prof., IIIT Kota, edified the social affair with his insight on different parts of designing. Dr. Mahesh Bundele, Director and Principal, Poornima College of Engineering) tended to the inspiration with the end goal to accentuation on they should be redesigned. Sh. MKM Shah, Director (Admin & Finance) communicated his perspectives on significance of order and discipline in the everyday life. After the Inaugural Ceremony the activities with different innovations like High Anchored Home, Propelled Engine Bicycles, Automated Arm and Keen Stopping were illustrated. The purpose of fascination of the occasion was "**Junkyard**" which depended on the methodology of best out of waste. One of the innovations was "smart blind stick" which was designed especially for people who are blind. Other events included Robo-war, Robo-race, Machine-o-Mania, Line follower, Ball gripper, Robo soccer and circuitry. At the end, the winners were awarded.

## A REPORT ON "AADHAR 2017-18"

♦ **NAME OF ACTIVITY:** AADHAR 2017-18

♦ **DATE & DURATION: 27**th OCT, 2017

♦ **TYPE OF ACTIVITY:** Technical Project Competition cum Exhibition

♦ **ORGANIZED BY:** Department of I Year & Zircon Club (Poornima College of Engineering)

♦ **LEARNING OUTCOMES:**
1. Students get the practical and application based knowledge of things of day-to-day life
2. Students get to know the meaning of the word team work and how to make their vision complete.
3. It provides platform with plenty of opportunities to showcase the hidden and technical abilities of students.
4. Students get to know the issues and problems prevailed in the society and their possible solutions through technology and innovation.

♦ **DETAILS OF ACTIVITY:**

**About the Event:**

AADHAR- the Annual Tech-fest is organized every year by the Department of First Year. The event in the mode of Project Competition and Exhibition provides a platform to the students of first year to explore and exhibit their technical skills. It also helps them in honing their interpersonal skills, creativity, communication skills, time management, team work, problem solving etc. The students from various branches come under one roof and work together to accomplish interdisciplinary projects, and models.

**Description of the Event:**

AADHAR  2017 – Tech Fest Project Competition cum Exhibition was organized by the Department of I Year, Poornima College of Engineering on Friday, 27th October, 2017. The event was conducted under the cognizance of a perfectly functional club "Zircon" of Poornima College of Engineering.  The division of first year took an interest with an extraordinary enthusiasm. The Inaugural ceremony of Aadhar 2017 was organized at CG-05, Seminar hall, Poornima College of Engineering. The Chief Guest of the Ceremony was Sh. ShashikantSinghi, Chairman, Poornima Foundation.  Dr.Mehmood Ali Khan, Deputy Director, Ministry of Minority Affairs, Govt. of Rajasthan and Mr.Rajendra Gupta, General Manager, Department of Central Engineering and Planning, National Engineering Industry (NEI) Ltd., Jaipur were the two Guests of Honour for the Ceremony. A total of 137 projects (126 projects of hardware + 11 software projects) were displayed under 10 different project categories mentioned above. Over 500 students of I Year and 50 students of Higher Classes of Poornima College of Engineering actively participated and coordinated in this event. Shri Shashikant Singhi, Chairman, PF motivated the students to work towards becoming employable by acquiring latest technical skills and appreciated the effort put in by department for carrying out such an event. He emphasized on building a stronger foundation for interface between I year and Higher classes through these activities. Dr. Mehmood Ali Khan enlightened the students with his motto of life. He focused that one needs to be disciplined and focus on time management. One's strategy will definitely bring success into one's life. Dr. Om Prakash Sharma (Director, Poornima College of Engineering) Sh. Pankaj Dhemla (Vice Principal) and Dr. Rekha Nair (Dean, I Year) along with all Head of Departments from PCE and other senior faculty members from PCE and PIET witnessed the hard-work and technical skills invested by
