♦ DETAILS OF ACTIVITY:

A Blood Donation Camp was organized by Poornima College of Engineering in association with Kanchan Devi Memorial Trust, Jaipur on Saturday, 26th Feb, 2022 at PCE campus. Blood Donation camp has been organized in loving memory of Our Dear Alumni Late. Udaiveer Singh Bhati (EE Branch-2021).

The inauguration ceremony was started with divine lamp lighting in Admission cell. Doctors from blood banks and hospitals, Kanchan Devi Memorial Trust and, all the members of management and administration of PCE, HODs Faculty and Staff members graced the occasion.

Ar. Rahul Singhi (Director, Poorinima Group) delivered opening address and celebrated his enthusiasm with the students and dignitaries and thrown light on value of regular blood donation. Dr. Mahesh Bunde (Principal and Director) delivered welcome note and congratulated the august gathering. Mr. Pankaj Dhemia (Vice Principle) threw light on the history of blood donation camp in PCE. Kanchan Devi Memorial Trust, Jaipur appreciated PCE for its contribution in blood donation. Doctors shared the knowledge and information on need factors for blood donation. They also emphasized myths and truths of blood donation. PCE was played to give the message of blood donation. The inauguration ceremony came to an end with the vote of thanks by Mr. Amit Gupta (Chief Proctor, PCE) who heartily expressed his

gratitude towards Doctors, Blood Banks, Kanchan Devi Memorial Trust, Jaipur and blessed and wished a very good health to all the blood donors. He also thanked and acknowledged the tireless work done by team BDC-2022.

The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing first time donors at the camp our volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

Objectives of voluntary Blood Donation Drives:

- To replace paid blood donors with voluntary donors;
- Paid donors are to be discouraged as:
 - It is exploitation of the poor who often donate blood to earn money
 - Prevention of diseases spread by blood transfusion, paid donors are not only poor but they may also carry some disease.

♦ **DETAILS OF ACTIVITY:**

A Blood Donation Camp was organized by Poornima College of Engineering in association with Jain Social Group (Emerald) Jaipur on Friday 10th Sept, 2018 at PCE campus.

The inauguration ceremony was started with divine lamp lighting in Admission cell. Doctors from blood banks and hospitals, Jain Social Group (Emerald) and, all the members of management and administration of PCE, HODs Faculty and Staff members graced the occasion. Dr. Mahesh Bunde (Principal and Director) delivered welcome note and congratulated the august gathering. Mr. Pankaj Dhemla (Vice Principle) threw light on the history of blood donation camp in PCE. Jain Social Group (Emerald) appreciated PCE for continuously contributing in blood donation. Doctors shared the knowledge and information on need, facts and benefits of blood donation. They also emphasized myths and truths of blood donation.

PCE was played to give the message of blood donation. The inauguration ceremony came to an end with the vote of thanks by Mr. Amit Gupta (Chief Proctor, PCE) who heartily expressed his gratitude towards Doctors, Blood Banks, Kanchan Devi Memorial Trust, and Jaipur and blessed and wished a very good health to all the blood donors. He also thanked and acknowledged the tireless work done by team BDC-2018.

The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing first time donors at the camp our volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

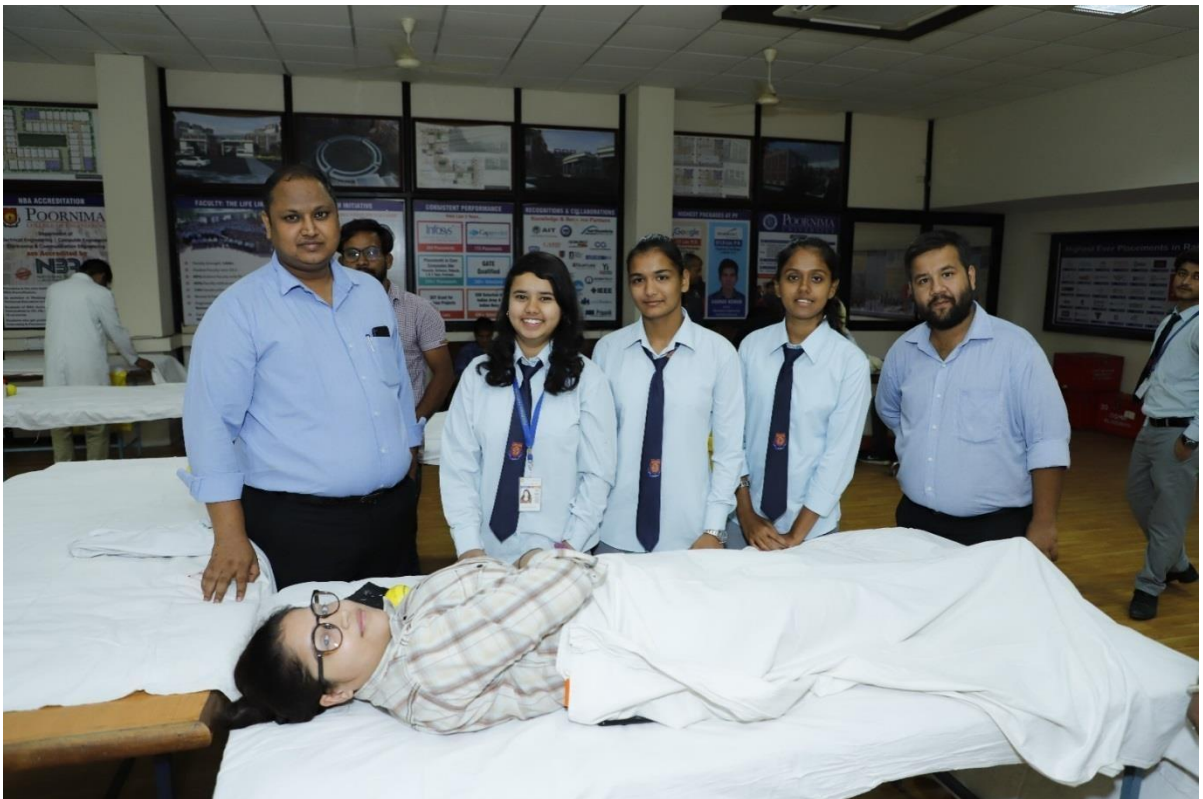

S. N.	Name of college	Associate Blood Banks/ Hospitals	Total blood donation	By support of social group
1.	Poornima college of Engineering	1.Santobha Durlbhiji Memorial Hospital 2.Swasthya Kalyan Hospital 3. Mahatma Gandhi Hospital	395 Unit	Jain Social Group (Emerald)

On this day 395 units of blood was collected. Some events for awareness and motivation were held before the blood donation. 417 willing donor students registered themselves for blood donation online. On the spot registration was also done. Pre and post refreshments were provided to the students. All the willing blood donors were first of all checked by doctors for their health conditions. Some basic blood tests were also done as prescribed. After donating the blood the donors were taken care. Faculty members and volunteer students were personally in charge of all the Blood donation rooms

At the end Mr. Amit Gupta (Chief Coordinator, Blood Donation Camp-2018) participated/ cooperated/ coordinated/ volunteered in the Blood donation

♦ DETAILS OF ACTIVITY:

A Blood Donation Camp was organized by Poornima College of Engineering in association with Jain Social Group (Emreld), Jaipur on Friday 15th Sep, 2017 at PCE campus. The inauguration ceremony was started with divine lamp lighting in Admission cell. Doctors from blood banks and hospitals, Jain Social Group (Emreld) and, all the members of management and administration of PCE, HODs Faculty and Staff members graced the occasion.

Dr. Om Prakash Sharma (Director) delivered welcome note and congratulated the august gathering. Jain Social Group (Emerald) Jaipur and Rotary Club Jaipur Midtown appreciated PCE for continuously contributing in blood donation. Doctors shared the knowledge and information on need, facts and benefits of blood donation. They also emphasized myths and truths of blood donation.

PCE was played to give the message of blood donation. The inauguration ceremony came to an end with the vote of thanks by Mr. Rajeev David (Chief Proctor, PCE) who heartily expressed his gratitude towards Doctors, Blood Banks, and Jaipur and blessed and wished a very good health to all the blood donors. He also thanked and acknowledged the tireless work done by team BDC-2017.

The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing first time donors at the camp our volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

Objectives of voluntary Blood Donation Drives:

- To replace paid blood donors with voluntary donors;
- Paid donors are to be discouraged as:
 - ✓ It is exploitation of the poor who often donate blood to earn money
 - ✓ Prevention of diseases spread by blood transfusion, paid donors are not only poor but they may also carry some disease.

On this day 381 units of blood was collected. Some events for awareness and motivation were held before the blood donation. 425 willing donor students registered themselves for blood donation online. On the spot registration was also done. Pre and post refreshments were provided to the students. All the willing blood donors were first of all checked by doctors for their health conditions. Some basic blood tests were also done as prescribed. After donating the blood the donors were taken care. Faculty members and volunteer students were personally looking after all the Blood donation rooms

At the end Mr. Rajeev David (Coordinator Blood Donation Camp) thanked all who participated/ cooperated/ coordinated/ volunteered in the Blood donation 2017.
