# Students' Council PCE

The students' council at Poornima College of Engineering was established in 2019. It is a body of students, by the students and for the students. Students' Council serves as a channel of communication between students and college administration, plans events and activities for the students and works on improving the college environment.

Our vision is to:

1. **Enhance the student experience:** The student council works to improve the overall experience of students at the college by advocating for policies, programs, and resources that support student well-being and success.

2. **Build a sense of community:** The student council strives to create a sense of community and belonging among students, faculty, and staff at the college by organising events and activities that bring people together.

3. **Promote student involvement:** The student council encourages students to get involved in college life by providing opportunities for them to participate in council activities and other extracurricular programs.

4. **Advocate for student needs:** The student council works to represent the needs and concerns of the student body to college administration and other decision-makers, and to advocate for policies and initiatives that benefit students.

5. **Foster leadership development:** The student council provides leadership development opportunities for students by offering training, support, and resources to help them develop their leadership skills.

Hierarchy:

EVENTS

Aadhar

Aadhar is the annual tech fest of Poornima College of Engineering, organized by ZIRCON CLUB alongside the department of first year, is a celebration of innovation and technology that brings together students, faculty, and industry professionals from across the region. The fest is an opportunity for attendees to learn about the latest technologies, participate in hands-on workshops and demonstrations, and compete in tech-themed challenges and competitions.

Aadhar includes a range of activities and events that showcase the latest technology trends and advances. These may include keynote presentations by industry leaders, panel discussions on hot topics in tech, hackathons and coding competitions, workshops on emerging technologies, and demos of new products and services. The coordinators work closely with a team of student volunteers, who help with setup and cleanup, registration, and other tasks, and with faculty advisors, who provide guidance and support.

List of events: -
- Robo-War
- Robo-Soccer
- Robo-Race
- Line Follower
- Circuitry
- Machine-O-Mania
- Spud Gun

Prabhav - Freshers' Party

Overview:

The fresher's party at Poornima College of Engineering is an annual event that brings together new students, faculty, and staff to celebrate the start of the academic year. It is a chance for the freshers to get to know each other and become more familiar with the college community.

Party Details:

On December 1st, 2022 Students' Council, Poornima Group organized the much-awaited event "Fresher's" The fresher's party is typically held on the college campus and features a variety of activities and entertainment, including music, dancing, games, and performances by students and faculty. The party is open to all students and faculty; attendees are encouraged to wear festive attire. The theme of the party varies from year to year, but it is always a lively and enjoyable event. Students are allowed to compete with each other and at last, the Winners are declared as Mr. Fresher and Mrs. Fresher Also there were awards like Best Attire Male and Best attire Female. After all these campus activities, comes the most awaited and lovable moment or we can say an integral part of the fresher's party, The artist night. And guess what this time the artist was none other than The one and only Prateek Kuhad.To be very honest this night is unforgettable. Every student enjoyed that night very much. Prateek took out all the emotions buried inside that night.

Teams Involved:

The fresher's party is organized by a team of student coordinators (Student's Council P.C.E.) responsible for planning and executing the event. This includes selecting a theme for the party, arranging for entertainment and activities, and coordinating with college staff to ensure that the party runs smoothly. The coordinators work closely with a team of student volunteers, who help with setup and cleanup, and with faculty advisors, who provide guidance and support. The success of the fresher's party is a result of the hard work and dedication of this team, as well as the participation and contributions of the entire college community.

Decoration and Designing: The design and decoration departments were responsible for all the work related to making the event aesthetic offline, respectively. The decoration team had exquisite participants with unique selfie booths. And the graphic designing team helped in promoting the event on social media with the help of posters.

Social media: Social Media department bore the responsibility of handling online and offline promotion by spreading a mouth about the event. This department was responsible for engaging the people and creating hype among them by making reels and videos related to it.

Management: The department was responsible to take care of every single requirement from uploading the data, and arranging service providers to creating the itinerary of the event, and many more. The management department set out the arrangements at the venue and was in charge of facilities to be provided by the organisers.

Overall, the fresher's party is a fun and memorable way for the new students at Poornima College of Engineering to begin their journey at the college. It is an opportunity for them to make new friends,

learn about the college culture, and get involved in the many activities and opportunities available at the college.

Pehla Kadam - "Orientation program"

Overview:
"Everyday the rising sun continues to remind us that everyone is worth the new beginnings." New chapter in the world of freshies arrives and there comes the 21 - days orientation program with its bag loaded with exceptional sessions, remarkable activities and lasting memories.

Orientation program :

The 21 days orientation program was held for the freshies to make them comfortable in the new environment of college life and guide them in their path of 4 year engineering. The students could learn from the experiences of previous years students and avoid the risk of trials and errors.

From 29th October, student Council gave an inauguration to this 2 weeks orientation program and hence began a roller coaster ride.

The inaugural ceremony began with the lighting of lamps by the dignitaries and cordially invited guests. Followed by a number of guest talks and fun activities with the first year.

The student Council motivated the students to come forward and take part in the numerous events held by the council for them.

Every day was a new day. The Student Council presented new activities in the classrooms and in the seminar halls. Detailed information was provided by each and every sector of the management, the course and the other rules and guidelines.

Followed by the club's introduction by their newly appointed captains and the core teams. The backend worked strongly. N number of cultural events and performances were showcased at Arbuda auditorium. The glimpses of which were constantly shared on the social media pages of council and clubs.

Teams involved in the preparation

1) Designing and decoration team : The decorations of posters, banners, photo booths and other external decorations were taken care of by the designing and decoration team. They worked very hard prior to the beginning of the orientation program and their plans were properly executed throughout the program.

2) Content : Since the council was communicating the students through mails and social media platforms. So the content passed on the pages and mails were handled by the content team. They were able to put up the creativity in a hopeful manner to attract the young audience.

3) Management team : the team at the backend and front end which was responsible for the proper execution of events. The management team had its coordinators at every event happening around the college. The day end meetings were held to conclude the events and plan the upcoming ones.

4) Social team : this team worked in both online as well as offline mode for the promotion of the orientation programme happening. The creativity to excite the students to attend every event happening and make them feel connected was the duty of this team.

Thus together by each unit of the student Council the event concluded at its best with a closing ceremony.

KALANIDHI (ANNUAL PRIZE DISTRIBUTION)

o **Poornima Group of Colleges, Jaipur** celebrated the Annual Day Kalanidhi by honouring the outstanding students of its constituent colleges **Poornima College of engineering (PCE), Poornima Institute of Engineering & Technology (PIET) & Poornima Group of Institutions (PGI)** at Arbuda Convention Centre (PIET). All the awardees were invited along with their parents to celebrate their academic achievements. The Chief Guest for the occasion was Mr. Kuldeep Ranka, IAS Office of 1994 batch Rajasthan Cadre accompanied with respective Institutional Heads of PGC. The Guest of Honour was Mr. Ratnesh Kashyap. He was Chairman, CII, and Rajasthan for the year 2013-14.

o The ceremony was packed with cultural performances which included Punjabi & Rajasthani Folk.

· **The description & details regarding the event are:**

- This is an annual prize distribution ceremony of Poornima College & Poornima Institute. The students are awarded on the basis of academic and overall performance during an academic year. Awards are given under various categories, like: Poornima Ratna, Academic Awards, & Alumni Awards.
- Chief Guest Mr. Kuldeep Ranka motivated the students with his words of wisdom and emphasising on hard work in life.

- It was a pleasure and proud moment for everyone to see the number of awardees which has increased from just 5-10 students in 2001 to 400 students in 2017.

- The total amount awarded to the meritorious students on Kalanidhi 2017 was Rs 5,82,000/-

Key points of events:-

The evening witnessed a high energy and cheerful moment as everyone applauded for the winners and their parents. The event was successfully concluded by lunch for the students of awardees, parents and Heads of institutions.

Around 200 parents came along with their wards to collect the prizes which made them feel proud and happy .

Apart from the current students, the alumni were also invited from the last 10 years from all the subsidiaries of Poornima Group of Colleges who are at good positions in the corporate sector and were felicitated by Sh. Shashikant Singhi, Chairman, Poornima Foundation; Smt. Renu Singhi, Advisor, Poornima Alumni Association.

Result of the event:-

The Poornima Group of Colleges, Jaipur, honoured the top students from its constituent colleges, Poornima College of Engineering (PCE), Poornima Institute of Engineering & Technology (PIET), and Poornima, as part of the Annual Day Kalanidhi celebration.

Organisations at the Arbuda Convention Center (PGI) (PIET). To commemorate their academic

Accomplishments, all of the award recipients and their parents were invited. Mr. Kuldeep Ranka, an IAS officer from the Rajasthan Cadre's 1994 batch, served as the event's chief guest along with the appropriate Institutional Heads of PGC. Mr. Ratnesh Kashyap served as the guest of honour. In 2013-14, he served as the CII and Rajasthan's chairman. An energising Ganesh Vandana and a lamp-lighting ceremony opened the occasion. Mr. Kuldeep Ranka, the chief guest, inspired the pupils with his words of wisdom and emphasis on working.

Dandiya Night

Lighting up the heart, festivals are the time when we come together to brighten up the lamp of joy and inner illumination. "Navratri" is one of the feasts that resemble the win of good over evil, and its arrival fills the surroundings with positivity and happiness.

Chiming the bells of liveliness on the arrival of the season filled with jubilance of festivals and celebrations. On 30th september, 2022 Students' Council, Poornima Group organised the much awaited event "Dandiya Raas" at OAT, PIET with great gaiety and enthusiasm. The fest began as respected chief guests and dignitaries kindled the lamp and sought the choicest blessing of Maa Saraswati. Further, Mr Jeevesh Kishore Sharma, Chair, Poornima College of Engineering had welcomed everyone on behalf of Students' Council to dance together on the rhythmic beats. As the right music makes everything smoother and unforgettable, the contagious vibe of the DJ filled the ambiance with a cadence of festivity. Everyone had adorned themselves with traditional dresses that were heavily embroidered, and embellished the dazzling night with their presence. Moving forward with the event, awards were given under the category of best attire to faculty and students.

Faculties and students were awarded for the best attire Subsequently, after the end of the award ceremony, members of Students' Council and volunteers were called onto the stage for a group photograph. The delightful event was successfully conducted with the support and hard work of the student coordinators and faculty members.

Aarohan (Annual Fest)

Poornima Group of Colleges had organized "Poornima Aarohan 2022" - The Annual College fest, which blends a series of fine arts, social - cultural and technical, unique opportunities to blaze the talent and skills creating a memorable event for all the participants. A mix of soulful voices, flashy lights, and excited screams, that binds the crowd together as we set into the night. Crowd founded themselves waving hands in the AIR with the happiest smile etched on their faces, as they were singing along, sharing the excitement and love for the moment as everyone else. We had celebrated the spirit of adventure and exploration and immersing others in the magic of Poornima Aarohan and gratify this fest by invoking the spirit of enthusiasm and zeal. A colourful extravaganza, Aarohan-2022 is a three-day festival jam-packed with exciting events and competitions. It will feature a fantastic concoction of music, dance, creative arts, and some phenomenal technical contests while exhibiting rich crafts and other side shows.

● Technical

● Sports

● Club Activities

● Cultural

● Recreational

Cherishing the joyous vibe, celebrity nights was scheduled at the end of each day which further added the entertainment quotient to the event. It is noteworthy that in this three-day festival, various competitions were organized in technical, club and sports categories. The fest was inaugurated by Renu Singhi, advisor of Poornima Alumni Association by lighting the lamp. During the fest, various activities were organised in which students participated with energy. Both boys and girls showed sportsmanship in various

sports activities like volleyball, arm wrestling, Kabaddi, Box Cricket, Badminton and Table Tennis. There was a glimpse of unity in diversity in the various activities of the fest. Various types of food stalls were also set up in the campus. This fest was really nothing less than a festival for everyone.
